4 Chevy Tahoe Patrol Units	\$ 153,992	
Equipment for Patrol Units	\$ 64,000	
subtotal	\$ 217,992	<i>Cash amount proposed to be spent</i>
Sell of Older Fleet	\$ (14,070)	
Insurance Recovery on 2 vehicles	\$ (51,600)	<i>approx. numbers as still waiting on payment on 1 vehicle</i>
Insurance Recovery on equipment for 2 vehicles	\$ (20,000)	<i>approx. numbers as still waiting on payment on 1 vehicle</i>
Net Cash Out	\$ 132,322	

Proposal from staff is to cash fund these vehicles and equipment instead of financing them over 4 years as is typically done. If approved there would be a capital expense of \$217,992 in Law Enforcement and the cash in for the sell of older fleet and insurance payments would show in "Other Revenue". Total savings on this (interest payments over 4 years if we did a loan) would be approximately \$10,000.
