Potentially focus on dog park or different ideas. Look at ways to increase the visibility of the committee. Look at potential grants for trails and/or projects to apply for. Heather mentions to tackle some new and old Tega Cay items. Also, try to enlist Scouts and other groups to help with projects.

Idea for summer concerts, such as travel mugs that are limited. Potentially, have a booth a CatawbaFest. Then we could offer those items at events.

Focus for 2023 would be to create more visibility and 2024 begin offering the events.

Explore social media and online fundraising options. Stickers are not the way to go.

2023 – Booth at CatawbaFest, Ideas for Zazzle, Social Media presence, Partner with P&R Survey

2024 – Work on Dog Park, Pickleball. Look at grants. Planned Events.
