

IMPORTANT TEGA CAY RECYCLING UPDATES

STARTING MARCH 11TH 2019

**Pending County Council approval at their March 4th, 2019 meeting.*

We are pleased to announce our recycling program is changing for the better with more items accepted back in your recycling cart. York County and the City of Tega Cay have entered into an agreement allowing our hauler to bring our recyclables to the new York County Recycling Facility starting March 11th, 2019. See the updated list of items below.

Mixed Paper, Chipboard, Cardboard, Magazines, Office Paper

No food residue or wax coated paper

Steel Cans, Aluminum Cans, Pans and Foil

No food residue or propane tanks

Plastic Bottles, Jugs and Jars

leave the lids on

No non-bottle plastics, no Styrofoam

Friendly reminders:

- Do not place your items in plastic bags. Recyclables should be loosely placed in your carts.
- Glass is not accepted in your Signature Waste carts. Glass can be sorted and taken to the Baxter Collection and Recycling Center located 1731 Highway 160, Fort Mill, SC or the new glass recycling bin located at the public works facility on Tega Cay Drive.
- Make sure to follow us on social media and subscribe to our weekly e-newsletter, the Rewind. To subscribe visit www.tegacaysc.org, scroll to the bottom & click this button.
