Skill Evaluations

Skill Evaluations are held post-registration in the older age groups to help competitive balance teams, those age groups (*Coach Pitch Baseball & Above, Youth Softball, U9 Soccer & Above, and 8U Flag Football & Above*). Participants are ***strongly encouraged*** to attend skill evaluations each season.

Participants will complete a series of sport specific drills to the best of their abilities. They will be scored by independent evaluators based on their skill level in each drill. All registered players will be placed on a team regardless of their evaluation score. Participants who are unable to attend their skill evaluation day will still be placed on a team. However, they are not subject to the player draft and will be placed onto a team at random. Attendance at skill evaluations is required for participants with carpool requests.

Team Selection

Tiny Tees/Adv. T-Ball/6U Flag Football/U5 Soccer/U7 Soccer

Participants are assigned to teams through a combination of coach requests, practice requests, age, and random placement.

Coach Pitch Baseball & Up/Youth Softball/U9 Soccer & Up/8U Flag Football & Up

Teams are selected utilizing a player draft. Head Coaches can designate protected players prior to player draft. Participants who attend evaluations, excluding protected players (max 3 per team), are included in the player pool and can be selected by any coach during the draft process. Participants who did not attend evaluations are randomly assigned to teams following the conclusion of the player draft.

Player Draft

A snake format utilizing randomized draft order is used during the player draft process. Protected Players are slotted into their respective round based on their skill evaluation scores. These players

will be considered the pick in the round they were slotted into. For example, if a coach's child grades out as a 1st Round Pick that child will be the Coach's 1st Round Pick. If a team has multiple players protected in the same round at the discretion of the programmer assigned to that league has the option to competitively balance a team. Once the protected players have been slotted and competitively balancing (if required) takes place teams will then begin selecting players in each round until all players who attended evaluations have been drafted onto a team. All players who did not attend evaluations are then randomly assigned onto teams.

Carpool Requests

Tiny Tee/Adv. T-Ball/6U Flag Football/U5 Soccer/U7 Soccer: Request will be honored unless conflicts with another request. **Coach Pitch Baseball & Up/Youth Softball/U9 Soccer & Up/8U Flag Football & Up:** Carpool requests will be taken under consideration provided both children involved in the carpool make the request on their registrations and both attend evaluations. Carpools requests involving more than 2 families and/or head coaches' protected players will not be honored.

Coach Requests

Tiny Tee/Adv. T-Ball/6U Flag Football/U5 Soccer/U7 Soccer: Request will be honored unless conflicts with another request. **Coach Pitch Baseball & Up/Youth Softball/U9 Soccer & Up/8U Flag Football & Up:** Coach requests can be made during the registration process but are not guaranteed. Coaches will receive the requests prior to the draft, however it will ultimately be up to the coach to draft the player that made the request.

Multiple Sports/Activity Requests

Tega Cay Parks & Recreation strongly discourages participants from signing up for multiple activities that conflicts with youth sports participation. If a family chooses to sign up for multiple activities inside or outside of the program accommodation will not be made by Tega Cay Parks & Recreation to accommodate the additional activity.

Sibling Requests

Tega Cay Parks & Recreation will automatically place siblings in the same age group on the same team unless otherwise noted on the registration form. However, Tega Cay Parks & Recreation cannot honor requests for siblings in different sports, and/or age groups to have the same practice/game schedule or avoid conflicts with the other siblings practice/game schedule.

Practice Day/Time Requests

Adv. T-Ball/6U Flag Football: Practice day requests or conflict days can be noted at the time of registration. The Recreation Dept. will honor practice requests within reason, however, requests cannot be guaranteed. **U7 Soccer:** The practice schedule is determined by the day and time selected at the time of registration. **Coach Pitch Baseball & Up/Youth Softball/U9 Soccer & Up/8U Flag Football & Up:** Request for specific practice day/times will not be honored. Families are allotted one conflict day or time slot request that will be honored during team selections. Requests must be made prior to the drafting of teams. Players will not be moved to an alternate team due to practice conflicts if request is not noted prior to team selection.

Protected Players

These players are designated by Head Coaches prior to the player draft. These players are automatically placed onto the team without the need to be drafted. Baseball, Softball, and Flag Football are allotted (3) players. U9 & U11 soccer coaches are allotted (4) players, and U14

soccer coaches are allotted (5) players. These players can be a combination of the coaches' children, assistant coaches' children, or players that have made a request for the coach.

Competitive Balance

Competitive balances are given to teams who have multiple protected players slotted in the same round. The degree of the competitive balances varies based on the ranking of the protected players and at the programmer's discretion. Teams that are subject to competitive balances can have their draft order manipulated, players assigned to their teams and/or protected players shifted to other rounds. The competitive balances are tools that allow our department to keep the teams as evenly matched as possible.

Tiny Tees/U5 Soccer: Practices are held prior to games on Saturdays. **Adv. T-Ball/U7 Soccer/6U Flag Football:** Teams will practice (1) time during the week. T-Ball & 6U Flag Football. **U9 Soccer & Above/8U Flag Football & Above:** Teams will practice (2) times per week (1 weekday/1 Saturday) prior to the start of games. Conflict Resolution

The City of Tega Cay encourages participants to proactively resolve any issues that may occur during the season opposed to waiting until the end of the season. The first chain of command (if applicable) is to contact your child’s coach regarding an issue. We ask that this contact does not occur during a practice or game. If the issue cannot be resolved, please contact the Recreation Programmer assigned to the sport involving the conflict.

Parent Expectations

Your role as a parent in our program is to support, encourage and serve as a positive role model for your child’s participation. We expect you to help create a fun and safe environment that focuses on skill development and understands that no college scholarships will be earned at this level. Your role does not include berating officials, coaches or other volunteers involved with the program, using profanity, alcohol or drugs, and no tobacco products unless it is in the designated areas.
