

South Carolina Department of Transportation

NEWS RELEASE

York County Road Closure

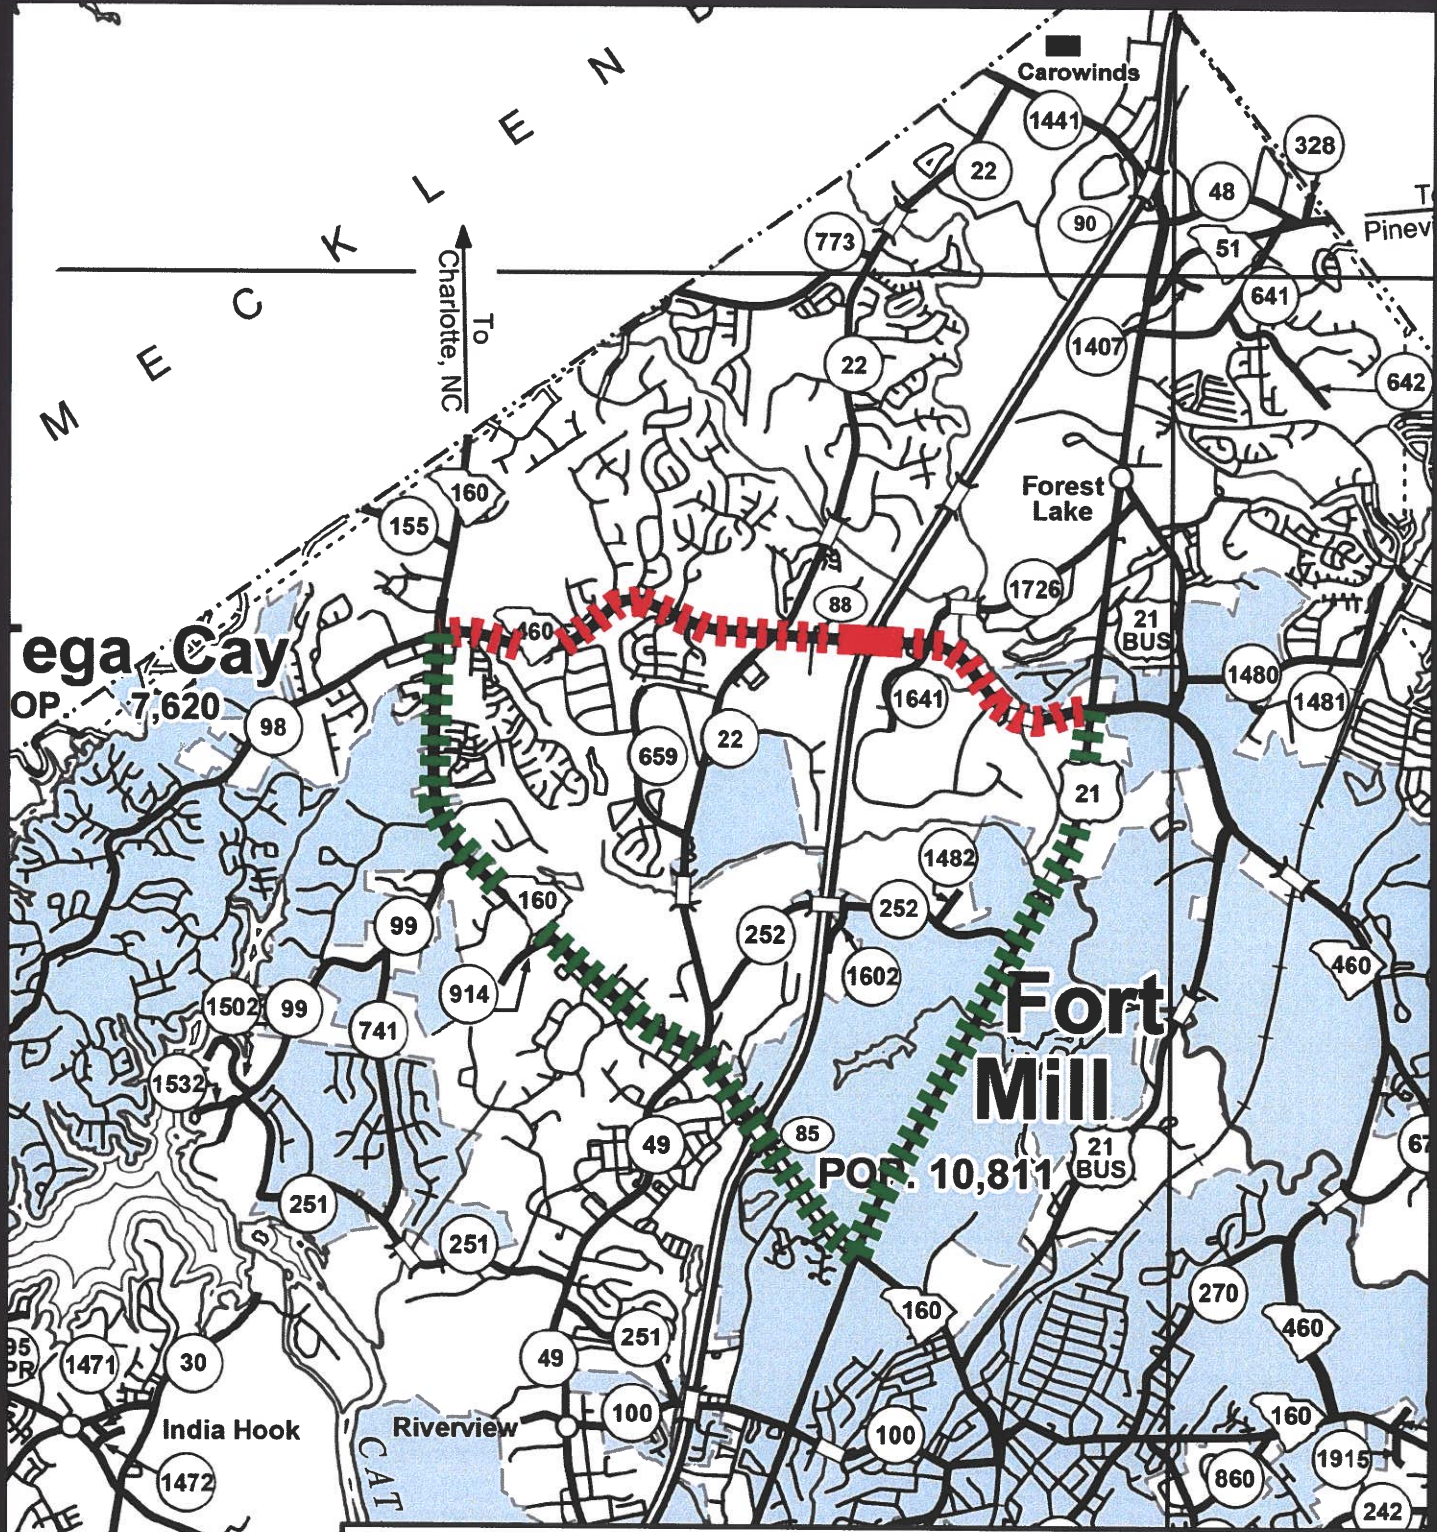

The bridge on Gold Hill Road (SC 460) will close temporarily as part of the I-77 interchange improvement project. The interstate ramps will remain open. This work is being performed by Boggs Construction under a contract with the South Carolina Department of Transportation. The detour route will utilize Highway 21 Bypass N (US 21) and Highway 160 W (SC 160). This road will be closed at the bridge site beginning at midnight Friday, January 14, 2022 and the bridge will reopen by 5:00 am Monday, January 17, 2022.

DETOUR (East side of Bridge): Following SC 460 (Gold Hill Road) turn right on to Highway 21 Bypass (US 21). Turn right on to Highway 160 (SC 160) and follow to SC 460.

DETOUR (West side of Bridge): Following SC 460 turn left on to Highway 160 (SC 160). Turn left on to Hwy 21 Bypass (US 21) and follow to SC 460.

The approximate length of this detour is 3.15 miles.
