Development Services

- Holly Simpson will be the guest speaker at the EDC's Business Connect Event at 7:00 PM on Wednesday, March 19th—don't miss it!
- Due to a technical issue and feedback from residents, the Comprehensive Plan Survey will remain live through the end of April. If you completed the survey before March 10th, please re-submit your responses as there was an issue with the data.
- Aside from the first steering committee meeting, we'll also be hosting a public kick-off meeting for the Comprehensive Plan in conjunction with the Planning Commission on Monday, April 7th.
- A new two-story office building is under construction next to the fire station on Stonecrest Boulevard. This building will house a real estate office and a few leasable spaces.
- We've received an annexation request for a single-family home located next to River Falls off Vineyard Road we intend to hold a public hearing on this at the April 17th Council meeting.

Fire Department

- We're wrapping up inspections and preplans and are moving into hydrant flow testing. Keep up with our progress by following us on Facebook, where we'll post updates on the areas we're testing as we move through the city.

Police Department

- Cocoa with the Popo at Memorial Gardens was a hit! We had a great turnout, even on a chilly morning.
- Chief Crosby, Chief Hasty, and I had the pleasure of participating in the Gold Hill Bulldog Shake Program. It was a fantastic experience connecting with the youth in our community.
- Join the Police and Fire Chiefs on April 9th at 6 PM in the Police Department training room for our quarterly public safety meeting. We'll be sharing updates on community events and providing important information on ongoing initiatives within both departments. We encourage everyone to attend and stay informed!
