# INTRODUCTION

# 1 INTRODUCTION

## ABOUT THE PLAN

Nestled a few miles south of the North & South Carolina border sits the picturesque city of Tega Cay, South Carolina. Tega Cay has a unique geographical location with several miles of shoreline on Lake Wylie and close access to the Charlotte Metro Area. The City of Tega Cay was originally established in 1970 as a Planned Unit Development then incorporated as a municipality in 1982.

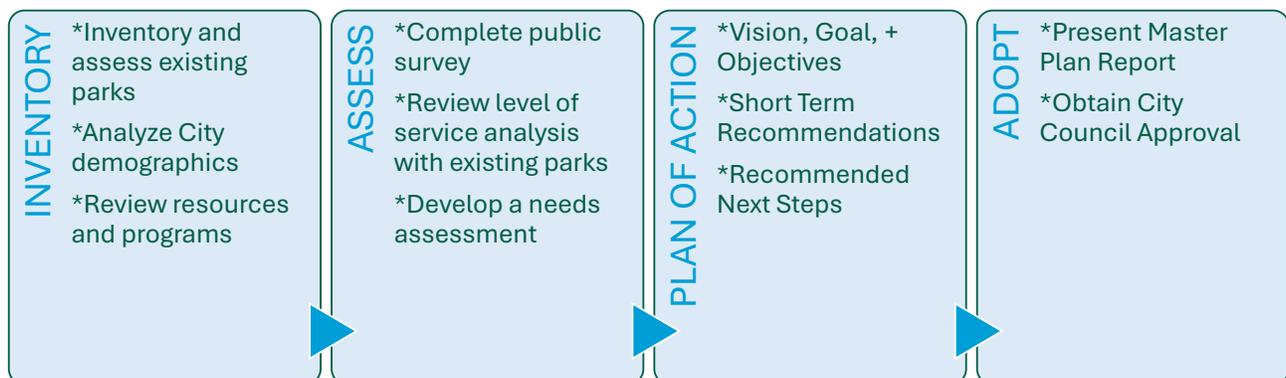

The concept for the Tega Cay development was to provide recreational opportunities integrated tightly throughout the community led by volunteers. In 2000, the City assumed operational duties of both parks and recreation programs. Since 2001, the Parks & Recreation Department has grown to 17 full-time staff members including recreation programmers, maintenance staff, and an events manager.

The recreational opportunities, small town feel, and quality of life brought extensive growth to the City of Tega Cay. The prior and future growth of the city helped shape new demands for recreational opportunities, park infrastructure, and community events. The Parks & Recreation Master Plan addresses the current state of the park system, recreational programming, community events, and how to best serve the future needs of the community.

## PURPOSE

The purpose of the Tega Cay Parks & Recreation Master Plan is to provide a road map for strategic investment in our recreation programs, facilities, and community events. The Master Plan will also serve as an update to the 2009 Parks & Recreation Master Plan.

# 6 NEEDS ASSESSMENT

## 6 NEEDS ASSESSMENT

# NEEDS ASSESSMENT

### Overview

The needs assessment identifies opportunities and constraints with the existing City of Tega park system through a two step evaluation. First, existing facilities and programs are compared to National Recreation and Park Association (NRPA) park metrics of similar size jurisdictions. The NRPA park metrics represent a comprehensive source of data from thousands of park and recreation peer agencies across the nation. This comparison can be used as benchmark data to improve operations and better serve the community with parks and recreation facilities. The NRPA data gathering in this report corresponds with agencies serving less than 20,000 residents and an operating budget from \$1 million to \$3 million.

The second method of evaluation entails a park service area analysis. A quarter- mile radius is placed around each park, representing and 5-minute walk. This evaluation will assist in identifying gaps in the park system.

### NRPA Park Metrics

#### Overall Park System

The City of Tega Cay provides in total 15 parks, which equals one park for every 937 residents, slightly higher than the national median. It is important to note that in terms of the City's size, Tega Cay operates within a much smaller square mile footprint but has a higher population than the national median. Overall, the City of Tega Cay provides 124 acres for parks and recreation use, which breaks down to 8.8 acres of park per 1,000 residents. Both of these benchmarks measure lower than the national medians. However, as noted previously, the size of Tega Cay's jurisdiction places certain limitations on park acreage. With 17 full time employees, the City of Tega Cay is above the national median and its operating budget of \$1.5 million is similar to comparable agencies.

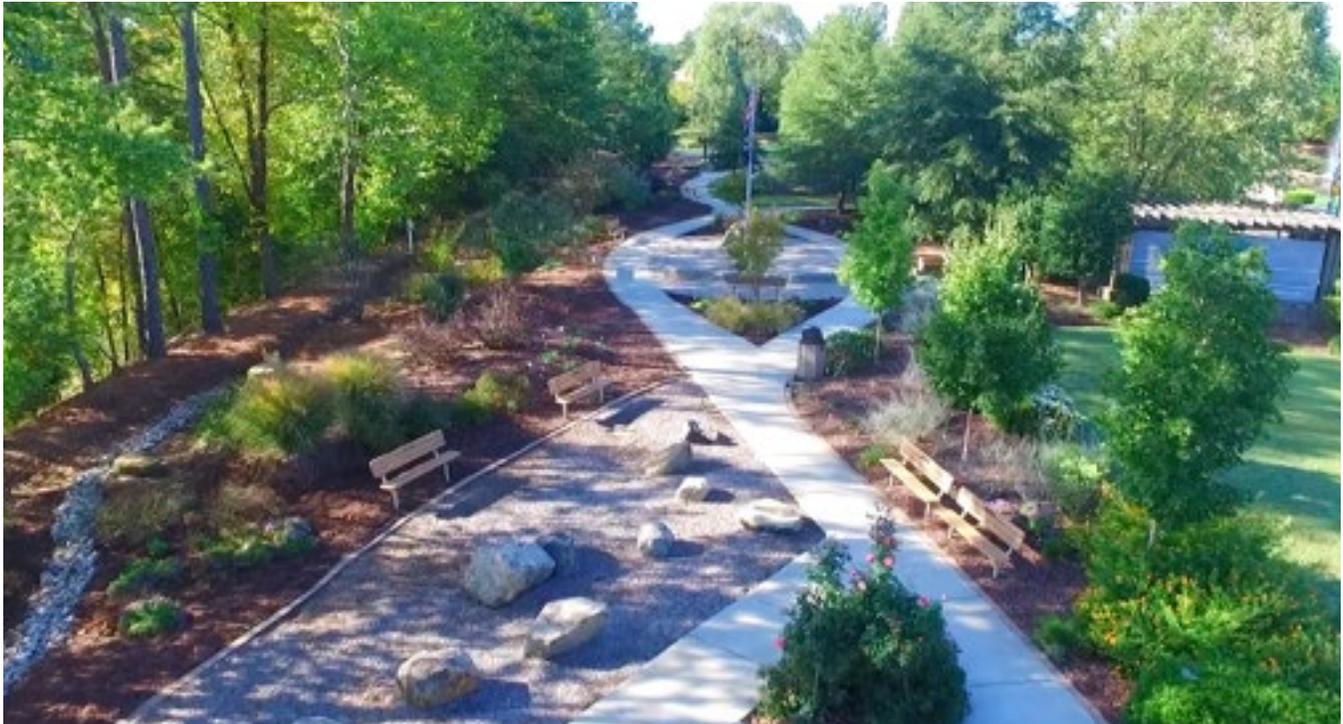

Jurisdiction Population less than 20,000 and Agency Operating Budget \$1M to \$3M

### Service Area Analysis

2,555 homes are located within a ¼ mile radius of the fifteen City of Tega Cay park facilities. Based on the U.S. Census Bureau’s American Community Survey estimates of 2.78 persons per household for Tega Cay, there are approximately 7,100 residents that live within a ¼ mile radius of a park. A ¼ mile typically takes on average 5 minutes to walk and it is a measurement for walkability. The City of Tega Cay should further evaluate the areas of the City without a park in walking distance to ensure equitable access to parks.

# RECOMMENDED NEXT STEPS

## 9 RECOMMENDED NEXT STEPS

### WHAT IS NEXT?

Building upon this report and first phase of work completed by the City, it is recommended that the City of Tega Cay engage in a second phase of planning for parks and recreation facilities. This second phase of planning will address the long-term vision for Tega Cay parks and recreation, providing a space for big ideas to impact future generations. During the second phase of planning, it is recommended to further evaluate the following items:

1. Existing Pocket Parks
  - It is recommended that the City utilize public engagement to understand the community's level of satisfaction for the existing pocket parks and how these parks can best serve the community moving forward.
2. Larger Capital Improvements – Existing Parks
  - The 2023 Parks and Recreation Public Survey identified additional sidewalks/trails and renovated/new restroom facilities as top desired improvements to existing parks. It is recommended that the City utilize public engagement to prioritize where these improvements could be implemented as well as identify if there are any additional larger capital improvements desired by the community.
3. New Park Facilities
  - The 2023 Parks and Recreation public survey identified a dog park and indoor fitness facility as the top two facilities people would use if available. It is recommended that the City utilize public engagement to determine where these new facilities could be located and what they entail.
  - The City should also utilize public engagement to identify and prioritize additional new parks and recreation facilities that will best serve the community.
  - The City will continue to advance the planning and design of Windhaven Park, which will be a green space to support the Windhaven community. It is recommended that the City receive public feedback during the design process.
4. Capital Improvement Plan
  - Once the City has comprehensively evaluated items 1 – 3, it is recommended that the City develop a Capital Improvement Plan as a road map for financial sustainability with project implementation.

In this second phase of planning community input is critical. The 2023 Parks and Recreation Public Survey provides a strong foundation of data to build upon. In addition to surveys, public engagement could include public meetings and focus groups. The Parks, Recreation and Events Committee can be utilized to engage various groups in the process and provide guidance on the public input process.

Additionally, identification of possible funding sources for future park and recreation projects is another key component of the next phase of planning. The City can explore various sources not already in use to ensure the next planning phase is actionable. A preliminary funding sources overview has been included in the appendices of this report but should be expanded upon in the second phase of planning.

# 12 APPENDICES

## 12 APPENDICES

# FUNDING SOURCES

This section outlines opportunities for funding to implement future capital improvements, both with existing parks and future park facilities. Securing sustainable sources of funding for parks and recreation will allow future projects and programming to be put into action.

## Current Funding

The City of Tega currently funds park and recreation operations and capital projects through the following:

- > General Fund
- > Hospitality Tax
- > Impact Fee
- > Event Sponsorships
- > Facility Rentals
- > State Grants

\*The Beach and Swim Center operates from a separate budget.

## Additional Funding Ideas

### Debt Financing

Typically, general obligation bonds are debt instruments issued by states and local governments to raise funds for public projects that do not provide a direct source of revenue (i.e. roads, bridges, parks, equipment). The government entity can make interest and principal payments using any source of revenue available to them, such as tax revenues, fees, or the issuance of new securities. General Obligation bonds are viewed as a relatively safe mechanism to fund projects.

### Local Fundraising

Establishing a 501(c)(3) non-profit organization in direct support of the local park system can provide a new opportunity for funding of park improvements and programs. The non-profit organization can work with the City of Tega Cay to secure program sponsorship, in-kind donations, and charitable donations, as well promote City events.

### Naming Rights

According to a National Recreation and Park Association survey on local government officials' perception, parks and recreation is well regarded, viewed as a community asset for addressing community issues, and are used by most people in the area. Local park systems, therefore, provide a great opportunity for naming rights. Often facilities are family friendly, community focused, sport oriented, and connected to youth, providing a variety of connections for aligning brands with parks. From complexes, fields, and community centers, naming rights provide businesses an avenue to connect to their community and build brand loyalty.

### Special Purpose Tax District

Special tax districts are public entities that are created by local governments to fund projects that benefit specific areas, including parks and recreation. The district uses the tax revenue to fund services and projects. Examples of tax districts that support parks and recreation in South Carolina include the Bethel Lake Wylie Preservation Park District, Sangaree Special Tax District, and Goose Creek Recreation Commission.

1	I was disappointed to see no softball options for girls age 13-16	4/5/2023 8:39 AM
2	I wish there were more walking paths and a dog park	4/1/2023 11:44 AM
3	Other than Golf and Croquet, not much else for older citizens	4/1/2023 11:36 AM
4	It would be nice to have more shaded, ASPHALT (not sidewalks) trails on the Lake Ridge side of Tega Cay.	3/21/2023 11:56 AM
5	"Old" historic Tega Cay does not have sidewalks	3/16/2023 1:56 PM
6	Soccer was a good program, now it is just barely okay with CISC. No schedules, no results, no communication, higher prices and have taken over Catawba Park, which the taxpayers paid for.	3/16/2023 12:19 PM
7	Great programming	3/16/2023 11:23 AM
8	The city has done an excellent job upgrading the children's parks and trail head as well as the pickleball facilities. Our tax dollars appear to be well appropriated and well managed.	3/9/2023 2:04 PM
9	Basketball?	3/5/2023 1:14 PM
10	Need more pickleball courts. Need better player rotation/sign up on existing courts	3/4/2023 7:00 AM
11	sport sign-ups are way to expensive. should be an extra charge for participants that are not paying taxes in tega cay	2/28/2023 10:32 AM
12	We have nice community parks and good team sports programs for younger kids and adults. We could use more opportunities for teenagers and seniors. The random opportunities are cool - like the disc golf course, bocce ball course (which is under-promoted and utilized), croquet, basketball added where there is space (Runde (needs rim maintenance), Turner, Trailhead), and pullup bars (Runde). We lack public skateable places, particularly for the teens (though at 11 and 52, my daughter and I would use them too).	2/26/2023 11:11 AM
13	We are a household without children, and although Tega Cay is very family oriented, it would be great to see more events that are adult only or with more adult activities throughout the year.	2/23/2023 12:47 PM
14	The City is doing a few key events that only occur at specific times during the year. Another open swimming pool available.	2/22/2023 11:17 AM

16	More parks and walkable area required	2/19/2023 10:06 PM
17	Need more biking and skating options. Would love to see miuntain bike tails and a skate park. Also a dog park on the peninsula	2/18/2023 8:42 AM
18	Should expand Sr Activities. Review the ocus group surveys taken at the time of the last Comp Plan Update - there were several responses along those lines.	2/16/2023 4:13 PM
19	Little to No handicap parking for food truck rallies	2/15/2023 12:27 PM
20	We are growing a lot here so would be great if the oppotunities we had now allowed for more	2/15/2023 8:57 AM

people to partake in them. Such as the pool now being too cramped with all the people and families and only one beach volleyball court there. Would be great if we could make the pool bigger (maybe utilize the gravel area across from the traffic circle?), make the pool nice for people who don't have kids yet as well, and make the point more useful for people by either making more beach area, adding volleyball courts, more places to sit and read, etc.

21	More adult sports needed	2/15/2023 8:46 AM
22	I would like to see a larger swimming pool or pools for our community.	2/14/2023 11:50 PM
23	Excellent park system, but by continually adding new construction / more residents in community, beginning to strain resources.	2/14/2023 11:29 PM
24	Would like to see some basketball leagues and tennis leagues for kids 12-18	2/14/2023 5:49 PM
25	We should never have brought club soccer to replace our well run Rec League	2/14/2023 5:09 PM
26	We need some pedal boat rentals and dog parks.	2/14/2023 12:19 PM
27	Add more running trails in community	2/14/2023 9:36 AM
28	An exercise facility is needed because the one at the beach club is gone and so is the local YMCA	2/13/2023 1:17 PM
29	Love walking the trails which still need a little improvement. Love putting my kayak in though ledge to get it into the water is falling into lake and May be too high soon.	2/11/2023 1:11 PM
30	I'd like to see a walking trail extending from Dam Rd to New Grey Rock Rd, abeam Gardendale Rd.	2/10/2023 4:40 PM
31	Would like to see early morning and weekend lap swim option.	2/9/2023 8:44 AM
32	We love the golf course and the staff there. Also Pitcairn park is beautiful we love to walk our dogs there.	2/8/2023 11:28 AM

34	I would like to see more opportunities for action sports in Tega Cay	2/7/2023 9:33 PM

41	We have enjoyed rec soccer and baseball as well as summer swim team and tennis programs We would love to see more opportunities for swim, golf and basketball for our kids.	2/5/2023 9:27 PM
42	We live over in Lake Ridge and it feels like we are a second thought even though we pay just as much in taxes as Tega cay proper. We now have a park, but the gates are often closed and locked... what was the point of spending all that money if those who live near by can't even use it?	2/5/2023 7:54 PM
43	Facilities are adequate, but in need of repair. Need more pickleball courts	2/5/2023 12:16 PM
44	Need more pickle ball courts. Demand is outweighing court availability	2/5/2023 12:03 PM
45	Pickle Ball Team is excellent!	2/5/2023 8:49 AM
46	It would be much better to add pickle ball courts due to the mass number of people showing interest as well as improving the conditions of the courts and parking...bathroom facilities all add to TC's appearance and quality of life. Need to clean up many of the parks appearances and cleanliness (Ie Runde Park and the path)	2/5/2023 8:47 AM

City of Tega Cay Parks & Recreation Survey 2023

47	Lack of a proper volleyball court with lights or an indoor court that can be used for multiple sports such as racquetball, throwball, badminton and volleyball as well	2/4/2023 11:52 PM
48	Public Tennis courts for adults., only have 2 for the whole town, some were "promise" at Catawba Park, and are not there.	2/4/2023 8:39 PM
49	We need more pickleball courts of better quality in the same location. Pickleball can be noisy and effected by wind. Current location is perfect.	2/4/2023 4:39 PM
50	Would like an adult soccer league, and a basketball league.	2/4/2023 2:24 PM
51	We need access to the water at catwaba park and a splash park nearby	2/4/2023 1:56 PM
52	We really like the pedestrian path in the Lakeridge neighborhood. We would love it if that could be extended to 160 (i.e. Gold Hill Campus) or somehow connected with Baxter	2/4/2023 12:03 PM
53	Good mix of opportunities for the age spread and composition of the community.	2/4/2023 11:27 AM
54	There are no parks by us except for Catawba which is built only around paid sports.	2/4/2023 10:19 AM
55	A kayak storage and launch point near the swim club would make this section "Excellent-Many Opportunities	2/4/2023 9:19 AM
56	Need more pickleball courts	2/4/2023 8:30 AM
57	With we had basketball	2/4/2023 7:54 AM
58	Missing a fenced dog area	2/3/2023 6:37 PM
59	Bowling or arcade	2/3/2023 6:29 PM
60	We need more pickle ball courts.	2/3/2023 5:47 PM
61	Tega Cay could use a basketball court.	2/3/2023 4:42 PM
62	Would love a skate park	2/3/2023 3:52 PM
63	We need clay tennis courts for aging members	2/3/2023 2:56 PM
64	Walking trails in safe, sidewalks and places for bikers are not nearly complete. Tega Cay is promoted as a recreation community, but with its growth in the new area, it simply looks like another suburb with a bunch of new construction. I don't see the recreation connection.	2/3/2023 11:48 AM
65	I would love to see Windjammer cleaned up and more usable beach space. I would also like to see Runde Park cleaned up and made useful since you've moved the concerts to the new park.	2/3/2023 11:27 AM
66	I think they should have a usable bocce court.	2/3/2023 11:14 AM
67	The sports are a huge disappointment to us in all honesty. Our daughter wanted to play soccer, and only one time in all the years and seasons, was she able to actually be on a team she/we wanted her to be on and enjoy/have fun. She had friends playing and they would all get on a team together. At least for soccer, the system truly stinks - and we ended up taking her off completely rather than have her play for yet another bad team that she would not enjoy. She is a good soccer player and all the coaches would tell us they wanted her. We would put in a coach request every season/every year. And they each have a limited number of protected players from prior years. But if you can't get on their team, you can't be protected for future seasons. Not once did we get our coach request. She would tryout - coaches would see her, and then - she would be #1 draft pick, first to go, to coaches we did not like the styles of (we were pretty involved in it all in early years); whose teams she had none of her friends on, and whose teams consistently did poorly. So the entire "drafting" system of the sports was a total mess and disappointment. We had MANY parent friends who feel the same as we did, and several of us all decided to completely leave once we found out team picks, rather than deal with it. That is 100% unfair to the children who love a sport. Very very very disappointed by this system.	2/3/2023 10:56 AM
68	Play croquet	2/3/2023 9:35 AM
69	Need more Pickleball courts	2/3/2023 9:24 AM
70	I would love to see Tennis opportunities for children/ teens and basketball	2/3/2023 9:17 AM

City of Tega Cay Parks & Recreation Survey 2023

71	1) More and updated pickle ball courts. 2) More bank fishing locations. I love "Windjammer Park" but would love to see the wooden deck off the point be converted to a short fishing pier.	2/3/2023 8:40 AM
72	Dog park on the peninsula would change my answer to excellent. Palmyra park is hardly used and would be a great opportunity for this.	2/3/2023 8:30 AM
73	First we had to pair up with the soccer academy so they can recruit people. Some kids just want to play rec soccer. That is messed up. You can't play pickle ball or tennis when you want because the courts are always full	2/2/2023 10:45 PM
74	Would love a rec cheer program	2/2/2023 10:19 PM
75	I like the waterfront park, the golf course, tennis and pickle ball.	2/2/2023 9:48 PM
76	We always wished Tega Cay offered basketball.	2/2/2023 8:32 PM
77	We need a large dog park	2/2/2023 7:10 PM
78	We are in need of at least 2 more tennis courts at Tega Cay Tennis Club.	2/2/2023 4:39 PM
79	The tennis facilities are terrible. Even the paid membership at the club is barely a step up. Charge more money and provide better services; so long as people are getting their money's worth they will pay. \$300-\$500 for nice facilities that are not always taken over by youth clinics is not unreasonable. You would also grow the membership by drawing people away from Rock Hill, where they see the drive as worthwhile for the excellent facilities. Also, there is no monitoring of out-of-town use or checking of parking decals at public courts.	2/2/2023 4:03 PM
80	Need a dog park	2/2/2023 3:55 PM
81	There seem to be a lot of activities in the community, though mostly geared toward children and families with children.	2/2/2023 3:13 PM
82	Needs a bball court and a skatepark	2/2/2023 1:56 PM
83	Only lacking an indoor basketball facility.	2/2/2023 1:50 PM
84	Love that you all listen to the Pickleball Community	2/2/2023 1:06 PM
85	Preferred the "REC" sports to be run by the paid "REC" department employees for RESIDENTS of Tega Cay	2/2/2023 12:21 PM
86	Program is organized well but could use expansion to additional activities, like cheer, lacrosse, and resuming a true rec soccer program (NOT CIS or CSA).	2/2/2023 11:13 AM
87	retired so pool hours based on price is a real problem. rather more hours and less bar	2/2/2023 10:28 AM
88	I would like to see additional recreation space that includes a recreation center that will allow indoor basketball, volleyball, racquetball, youth activity room, work out area and an area to utilize for winter sports and gatherings. I'd like the city to consider adding on to the pool that caters to children with slides and fountains. I'd also like the city to create a youth group that allows the kids to gather and partake in activities, go on organized trips and provide civic services, such as staff the concession areas, help organize tournaments and self fund thru raking yards or similar, organize festivals and staff them (fireworks) and maybe do something fun like organize a luminaria light night and sell all the supplies to do so.	2/2/2023 10:28 AM
89	I would love to see more pickleball courts!	2/2/2023 10:19 AM
90	Concerned about the trail system connecting Lake Ridge and Baxter.	2/2/2023 10:15 AM
91	With the exception to the growing demand for pickleball courts. Additional pickleball courts on the rarely ever used Tennis courts would be ideal. Overflow parking can be utilized at clubhouse.	2/2/2023 9:59 AM
92	Not very active anymore for a lot of the opportunities/activities, but having been around quite a few communities over the years, Tega Cay is near the top.	2/2/2023 9:34 AM
93	I might not be the best judge of this since I've only lived here 5 months, but so far, it seems like there is less to do than I thought there would be when I moved here.	2/2/2023 9:32 AM
94	the golf cart drivable options are less than they used to be due to Catawba park. This is a definite downgrade to our community	2/2/2023 9:30 AM

City of Tega Cay Parks & Recreation Survey 2023

95	Need more pickle-ball courts. Need to have trail system connect into Windhaven. I LOVE all the trees surrounding our area!! The trees really really create the natural beauty of this area!	2/2/2023 9:25 AM
96	I would like to see more adult sport options	2/2/2023 9:23 AM
97	I wish the sports programs didn't end at U14.	2/2/2023 9:06 AM
98	Boaters are ignored. We need a marina and place to meet for dinners, music, drinks with other boaters. Perhaps we could learn boating rules and courtesies that are not practiced on our lake and make it safer. We also need a dog park big enough for large dogs and others. The Greenway dog park is great, but I believe it has a waiting list.	2/2/2023 8:59 AM
99	I use the pickleball courts. Fortunately am able to play when there are not crowds waiting. I hate to see the abuse of courts that go on after hours. Also the lights should be on timer. Waste of energy.	2/2/2023 8:56 AM
100	Need more pickelball courts	2/2/2023 8:18 AM
101	Need more tennis courts	2/2/2023 8:07 AM
102	I would love to have a dog park	2/2/2023 7:56 AM
103	Now with Catawba up and running the area as a whole provides a full array of options.	2/2/2023 7:18 AM
104	Would like to see more public courts for use of pickleball/tennis	2/2/2023 5:13 AM
105	N/A Didn't participate	2/2/2023 1:52 AM
106	Haven't seen any opportunities yet since August 2022. That's when we moved to Tega Cay	2/2/2023 12:35 AM
107	We need more for the teens and tweens to do	2/1/2023 11:58 PM
108	It would be nice to have more well kept public tennis courts and more well kept pickle-ball courts. It seems like we addressed the need for kid recreational sports but totally ignored the adults.	2/1/2023 11:55 PM
109	More trails with proper grading for water runoff and sidewalks on gardendale road	2/1/2023 11:46 PM
110	Basketball for kids and a court for adults	2/1/2023 11:03 PM
111	Need more Pickleball courts. The interest has grown substantially since I moved here.	2/1/2023 10:55 PM
112	Options are limited compared to other cities of the same size	2/1/2023 10:38 PM
113	Even though we are by the lake, we don't have the ability to utilize it other than going to Windjammer and watching the beautiful sunsets. The walking trail is so full of bumps from tree roots we find it dangerous to walk. Due to Covid, we haven't been able to start participating in any group events, but do look forward to exploring that further. There aren't many options for those of us over 60. It would be nice to have groups in our age range for some type of activities that we could do. We have physical limitations also, that makes it a little more challenging. We can afford to live here, but we can't afford to play here.	2/1/2023 10:26 PM
114	We have participated in all of the rec sports and enjoy the public tennis and pickle ball courts.	2/1/2023 10:17 PM
115	Need more pickleball courts	2/1/2023 9:51 PM
116	Could use more pickleball courts and bike trails	2/1/2023 9:49 PM
117	We play tennis, pickleball, golf and disc golf. My husband is in F3 and they use the parks daily.	2/1/2023 9:49 PM
118	Limited opportunities for seniors	2/1/2023 9:35 PM
119	Would like to see some things for the older generation and for those disabled.	2/1/2023 9:33 PM
120	Would love to see some more sports or other programs, especially ones geared towards middle schoolers, getting phased out at 13 is pretty rough	2/1/2023 9:26 PM
121	I wish there was a golf program for the children. The golf course does a poor job catering to the residents, especially to our youth.	2/1/2023 9:08 PM
122	Kayak launch for physically impaired people.	2/1/2023 8:53 PM

City of Tega Cay Parks & Recreation Survey 2023

123	It's a little difficult to enjoy the lake since we don't live on the lake. Palmyra would be an ideal entry for kayak. Difficult to find maintained fishing holes for kids/families.	2/1/2023 8:48 PM
124	Would love to have parks with more parking space	2/1/2023 8:38 PM
125	More variety not just all soccer.	2/1/2023 8:35 PM
126	The pool needs to be redone. It is awful. Really awful. The number of times our kids found finger nails, band-aids, and other nastiness in the pool was ridiculous. It could and should be so much nicer.	2/1/2023 8:32 PM
127	The partnership with CISC for soccer made the process complicated and expensive	2/1/2023 8:20 PM
128	We need a running track and basketball court	2/1/2023 8:03 PM
129	More pickleball courts	2/1/2023 8:02 PM
130	Fields are shut down / goals locked up. Lights are not left on so people can use fields	2/1/2023 7:59 PM
131	Love ski show	2/1/2023 7:45 PM
132	Driveway and parking at pickleball courts is terrible.	2/1/2023 7:44 PM
133	We wish there were more pickle ball, courts, and bocce ball courts. We also would love for her to be mountain bike and hiking trails.	2/1/2023 7:38 PM
134	Not enough tennis courts. Lower courts still locked. Trail ridge basketball courts are broken	2/1/2023 7:36 PM
135	Too much restrictions. While not in use why it can not be offered to residents for use	2/1/2023 7:34 PM
136	Wish they allowed softball for ages 13+	2/1/2023 7:33 PM
137	Baseball Fields are always closed. Pure BULLCRAP	2/1/2023 7:30 PM
138	More Pickleball courts please	2/1/2023 7:12 PM
139	I enjoy being outside running, biking, hiking, etc. Tega Cay has become very urban with little to no thought for outdoor recreation (for adults) I am pleased with the variety of activities for children.	2/1/2023 7:10 PM
140	Youth sports are great as well as the pool.	2/1/2023 7:06 PM
141	There are 4-5 sports in the spring and fall, but it is majorly lacking in the Summer and Winter and we often have to go elsewhere for camps and basketball. They also cap out for the most part at 12-13 and there is nothing for the older kids to play who can't play at their school (middle school doesn't offer softball for us). While my kids love going to the pool, they love any pool in the summer, but the beach club is so outdated and boring. There is nothing to do except swim back and forth and it does not compete well with neighboring cities. It is very lame and unexciting for the older kids like mine.	2/1/2023 7:02 PM
142	Need more Pickleball courts and an actual Parks & Rec Center with a basketball court	2/1/2023 6:57 PM
143	More pickleball courts please. Court availability is becoming a big problem.	2/1/2023 6:45 PM
144	Would love more connected trails/sidewalks to get to close amenities.	2/1/2023 6:42 PM
145	The staff do a fantastic job. Parks are good.	2/1/2023 6:41 PM
146	We need more tennis courts and more dedicated Pickleball courts. Current courts are in high demand and need maintenance.	2/1/2023 6:38 PM
147	Needs volleyball Rec	2/1/2023 6:36 PM
148	Uniform quality. Football and baseball are opportunities	2/1/2023 6:34 PM
149	Tennis courts are too crowded	2/1/2023 6:32 PM
150	Tega Cay sports programs were a great beginning for our children.	2/1/2023 6:28 PM
151	Softball the last 2 seasons has been inadequate	2/1/2023 6:24 PM
152	Would love to see a few more options for the 13-18 age range.	2/1/2023 6:19 PM
153	My son would like to see a skate park. The peninsula parks need updating.	2/1/2023 6:04 PM

City of Tega Cay Parks & Recreation Survey 2023

154	I think the parent coaches are insane.	2/1/2023 6:02 PM
155	Would be nice to have more activities that are not on Saturday mornings	2/1/2023 5:58 PM
156	We need more pickleball courts and major improvement at current location!! It's embarrassing as it is.	2/1/2023 5:58 PM
157	Upkeep is a big concern. So many items/facilities need to be cleaned/replaced.	2/1/2023 5:57 PM
158	The tennis facilities have suffered greatly over the last 15 years with neglect on the grounds, programs and courts. Improvements have been made over the last 2 years but much work needs to be done still. This survey fails to mention the upper tennis courts ???	2/1/2023 5:55 PM
159	Need more pickleball courts.	2/1/2023 5:50 PM
160	Wish I could sign up for specific days for practice.	2/1/2023 5:41 PM
161	We are lacking good available tennis courts and a good tennis program. We have so many players in our community who drive long distances to play in Rock Hill, Charlotte Indoor, etc. but they could stay and play here if we had a good facility and well run junior program.	2/1/2023 5:40 PM
162	Please alternate events between Catawba Park and peninsula, NOT all at Catawba	2/1/2023 5:39 PM
163	As we are very new residents, we look forward to the parks in the summer. So far, we have visited the park by the lake almost every day.	2/1/2023 5:39 PM
164	Need more pickle ball courts	2/1/2023 5:35 PM
165	Need indoor basketball if space would provide in the future	2/1/2023 5:34 PM
166	Love Tega Cay and all that it offers in the form of parks and recreation	2/1/2023 5:33 PM
167	We need a paved sidewalk to safely walk from the manors at lake ridge to Catawba Park. The trail is not always reliable due to weather. We love the park and want to be able to have more access.	2/1/2023 5:24 PM
168	Need more tennis courts. We used to have 4 at the Golf Club and 4 at the Maintenance facility. Today, pickle ball has taken over 2 tennis courts and the remaining 6 courts are shared between Juniors and Adults tennis players. Tennis membership is growing due to influx of new residents and families but without more tennis courts, it will always be competition for court time.	2/1/2023 5:23 PM
169	Tennis courts are in the worst location and not great. Walking trails are not taken care of, large bumps in them, standing water, go by smelly areas. All the pocket parks in Tega Cay look like the ghetto. The disc golf course is in the worst location with walking trails - trying to not get hit by discs while walking. The disc golf course isn't good either. Huntersville Parks & Rec have great examples of nice disc golf courses.	2/1/2023 5:08 PM
170	I do not find any classes or programs for seniors. We would like to ride our bikes, but there are no bike trails accessed from our home.	2/1/2023 5:08 PM
171	I preferred when the sports and practices were on the peninsula. Having to drive to Catawba is a pain.	2/1/2023 5:07 PM
172	A dog park would be wonderful.	2/1/2023 5:06 PM
173	The city generally does a good job I think.	2/1/2023 5:04 PM
174	No parking	2/1/2023 5:04 PM
175	The pool calendar is too short. The pool needs to be open through Labor Day, not closed during the last few weeks of August. The Fitness Center was closed. The lake access is dangerous.	2/1/2023 5:04 PM
176	I would like more options for children with disabilities. Also for Children that are not as competitive and just want to play for fun.	2/1/2023 5:03 PM
177	Would loose to see a bigger pool that accommodates adults as well as children (think Massey pool), more adult intramural sports, and better sports facilities (ie. Basketball courts, more pickle ball courts), and also to expand the sand section of windjammer to go around the perimeter of the peninsula.	2/1/2023 4:58 PM

City of Tega Cay Parks & Recreation Survey 2023

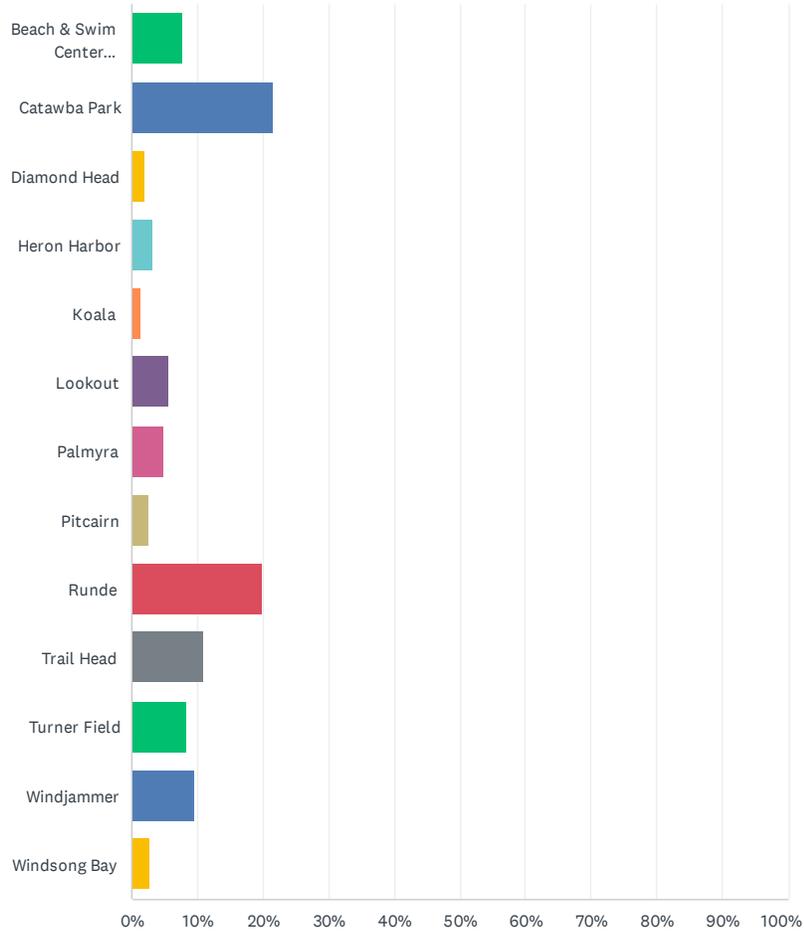

178	Outside of sports for kids I don't see much on social media	2/1/2023 4:53 PM
179	Reduction of tennis courts available to residents.	2/1/2023 4:53 PM
180	More adult options would be nice	2/1/2023 4:52 PM
181	Pickleball	2/1/2023 4:50 PM
182	We usually don't partake in recreation.	2/1/2023 4:50 PM
183	We just need a dog park and more Pickle Ball courts :)	2/1/2023 4:49 PM
184	No rec sports for teenagers 14-18	2/1/2023 4:47 PM
185	Golf course Molokai area DESINIGRATING. SINK HOLES. WILL NOT BE FAVORABLE TO GOLFERS AND THEY WILL SPEND THEIR MONEY ELSEWHERE.	2/1/2023 4:46 PM
186	love all the different options. Maybe fun to add lacrosse, but outside of that, y'all have everything covered!	2/1/2023 4:31 PM
187	Would love to see Basketball facility	2/1/2023 4:27 PM
188	walking access to turner is a problem. no cross walk from that street to the rec path	2/1/2023 4:22 PM
189	Bocce court is unsatisfactory	2/1/2023 4:17 PM
190	Not enough activities for 40 and older residents	2/1/2023 4:09 PM
191	Great opportunities and diversity of programs until kids reach 13-14. After that must go to YMCA or Charlotte for rec sports.	2/1/2023 3:26 PM
192	I love that baseball was expanded to 13+. The new soccer program costs are ridiculous. I dont like what the city tried to pull with that one. Rec sports should not cost as much a travel teams.	2/1/2023 2:45 PM
193	Too expensive with the recent changes in youth soccer. That's a big problem. It was fine before - bad move.	2/1/2023 2:28 PM

#	HOW DO YOU FEEL THE PARK CAN BE BEST UTILIZED FOR YOU AND YOUR SURROUNDING NEIGHBORS?	DATE
1	Baseball and food truck rallies.	4/25/2023 6:55 PM
2	Improve the basketball court. Easier access to the basketball court, the steep hillside is dangerous.	4/5/2023 8:39 AM
3	As a lot of the youth sports have been moved to Catawba Park, perhaps Runde could be used for things like Tai chi or Yoga for the older citizens.	4/1/2023 11:36 AM
4	Concerts Sports	3/30/2023 1:59 PM
5	Updated	3/22/2023 8:48 PM
6	Gate the city. I am tired of the increase reckless drivers, every summer living on Windjammer. Speeding is a problem on Windjammer.	3/22/2023 7:22 PM
7	That park definitely needs to be updated and redone. It is a beautiful space that you can see the lake from as well as many children in the neighborhood that can utilize some more safer equipment.	3/22/2023 7:07 PM
8	More shaded areas are needed to have a picnic or sit and relax.	3/22/2023 6:53 PM
9	It could be updated. The playground equipment is very old.	3/22/2023 2:46 PM
10	I like the beach area being used like windjammer beach.	3/21/2023 1:31 PM
11	Catawba Park was built for children's sports- there's nothing for adults & seniors.	3/21/2023 11:56 AM
12	For playtime, throwing or kicking a ball around, and Parks and Recreation sports.	3/21/2023 10:30 AM
13	Walking trail Playground Basketball	3/19/2023 4:31 PM
14	Updated playground, maybe fenced in area for dogs	3/16/2023 1:56 PM
15	Let us use the soccer fields for rec teams to practice, quit letting CISC tell you how to use them	3/16/2023 12:19 PM
16	The public beach access is really a great perk. Especially for kayak/paddle boards.	3/16/2023 11:23 AM

City of Tega Cay Parks & Recreation Survey 2023

17	I'm a walker so walking paths are important to me.	3/15/2023 3:35 PM
18	A much more accommodating road approach. New Gray Rock is too narrow for the busy traffic that the new Catawba Park brings.	3/15/2023 7:54 AM
19	The number one thing that needs to be addressed is parking. It is dangerous with kids running between cars, chasing balls that come into the street, etc.	3/14/2023 5:24 PM
20	They just started to lock the baseball fields at catawba. The other city parks do not do this. I understand that the city wants to make money from teams using the fields, but citizens should be able to use when they aren't in use by teams. Why not designate certain hours for residents to use?	3/13/2023 11:30 PM
21	Works well as boat launch, playground, and swim spot. I would love to see a place to store kayaks here and/or a kayak co-op.	3/13/2023 7:36 PM
22	I would like to see Tega Cay activities at Catawba Park. We were under the impression that kickball and other sports were going to be held at Catawba Park thus year however, they are still being held at Runde and Turner field. .	3/13/2023 5:29 PM
23	The smaller parks need to fixing up. I live on Marquesas and the 2 parks in this rd are in rough shape. The swings in koala park are falling over, not well kept	3/13/2023 4:02 PM
24	Citizens of Tega cay must come first for access and field time. Many of my heavily involved neighbors are telling of poor experiences trying to get practices set at the park. Where's the parking, btw? What a mess last weekend.	3/13/2023 12:48 PM
25	Kids don't use it because it is small, rusty & dirty (that's what they say).	3/13/2023 12:39 PM
26	More beach frontage and less parking passes for non residents.	3/5/2023 1:14 PM
27	all good as is.	3/4/2023 7:00 AM
28	I would like to be able to reserve a small field for my family and friends to play a game together. For example, a family game of kickball. But when I called the Rec department, I was told the fields were reserved for sports. Outside of those reservations it was first come, and not reservable. A resident can reserve Windjammer park but not a sports field??	3/2/2023 6:13 PM
29	Allow access to the baseball fields when practices/games are not taking place. Give higher field priority to the Titans baseball teams.	3/2/2023 2:58 PM
30	I can honestly say that we've never spent time at this particular park, which is closest to our home. We have been to the Beach and Swim Center and enjoyed the pool. Nice facility.	3/1/2023 7:29 AM
31	build an indoor gym for the community	2/28/2023 10:32 AM
32	Fine the way it is.	2/28/2023 10:19 AM
33	No changes, the park is very nice	2/27/2023 12:44 PM
34	A gathering place. The small park is nice for kids but perhaps if the area was more open with a little flatter ground we could kick a soccer ball or toss a football.	2/26/2023 4:40 PM
35	I think Palmyra Park is best utilized as a nice neighborhood park for parents to be able to safely send our children off to, to get them off of electronics and playing outside - a great component of a "healthy community." The swingset, climbing apparatus, and slide are good for that, as well as the open green space, to be able to throw a frisbee or ball or play a game such as spikeball or cornhole. It'd be nice to have -a couple of benches to enable folks to look out at the lake -bars to hang onto -monkey bars and/or pullup bars. The dog poop station is smart and appreciated. The swingset is making a loud noise when one swings which inhibits a good swinging session. Our family found the rocking stations were less fun - we used them but never for long as they didn't rock well.	2/26/2023 11:11 AM
36	This is a childrens playground so is irrelevant to my family - our neighbors with small children enjoy it, and know of others outside of Tega Cay with children who have visited this park.	2/23/2023 12:47 PM
37	Skateboard Park and BMX Pump Track with park hours (not to be left open 24 hours)	2/22/2023 9:15 PM
38	More swings and activities available for the children. A trail for the dogs that is separate from the trail that residents use to walk/jog/ride. That way you don't have left over poop everywhere.	2/22/2023 11:17 AM

City of Tega Cay Parks & Recreation Survey 2023

More seating options available.

39	It would be great to use this park as a dog park.	2/22/2023 10:28 AM
40	Additional research will be needed in order to ensure that the field does not flood constantly. It would also be nice to not have trash and fire pits at or near the lake	2/20/2023 9:38 PM
41	We use the swings and come for sports practice and sometimes kids ride bikes down the path	2/20/2023 8:48 AM
42	Walking trails Pickle ball courts Play area Dog park	2/19/2023 10:06 PM
43	We love the beaches, picnic tables, and swings.	2/17/2023 9:49 AM
44	The utilization of this park is great. The only concern is the number of cars parked on Windward Drive during events.	2/17/2023 8:02 AM
45	We really only use the Beach and Swim Center and occasionally Runde when there is a concert.	2/16/2023 4:13 PM
46	I love the Model A Concert Series	2/16/2023 8:13 AM
47	Need more covered picnic areas that can be reserved.	2/15/2023 10:50 PM
48	Please turn on the water fountains when not freezing. The fence surrounding trailhead park is wobbling.	2/15/2023 7:58 PM
49	Ensure water and bathrooms are enabled.	2/15/2023 7:56 PM
50	Swimming, fishing, ski shoes, picnicking.	2/15/2023 4:40 PM
51	We need sidewalks on Gardendale or dam rd. There is safe way to walk, bike, golf cart from dam rd to the park	2/15/2023 1:33 PM
52	They recently took the dilapidated fence down. I am hoping it will be replaced. Thats quite a drop if a toddler gets running.	2/15/2023 12:27 PM
53	Amazing park opportunities in Tega Cay. We have enjoyed Softball, kickball, grass volleyball (temporary net of mine), concerts, fish fries, community fundraisers, the playground when the kids were younger, fire station and much more. In truth, Windjammer and Pitcairn aren't far by water, and also frequently visited- A casual Friday evening at the ski show is a highlight of Spring. Tega Cay parks are a gem of the good life in Tega Cay.	2/15/2023 12:01 PM
54	It would be nice if there was a picnic table cover, maybe big enough for 2 tables to keeps weather elements comfortable	2/15/2023 9:19 AM
55	Right now it's just an open space for people to gather in with a few playground features. Would be great if the playground could be redone and since it is such a large piece of land it might be nice to section a part off to enclose it for a dog park for owners since so many people have dogs.	2/15/2023 8:57 AM
56	Need bathrooms that are accessible when no pool access available/ paid for. When using the beach	2/15/2023 8:46 AM
57	Better maintained walking trails. It is hard to walk with cracks and tree roots buckling the walking surface. Very important for older citizens.	2/15/2023 12:14 AM
58	Continue to host events at Runde, easy location for residents to access.	2/14/2023 11:29 PM
59	I like the versatility of Runde Park Walking trails for the Adults, playground for the kids and events on the field for the whole family.... I also enjoy the pockets of nature. I'm all for more community gathering events at the park.... community yard sale fundraiser, rotating farmers market, family field day.. etc.	2/14/2023 11:03 PM
60	Although I really like sports and glad the kids have a place to participate. I think the Catawba Park needs to be a little more diverse for all ages. Initially I heard that there was going to be river front access for ppl to walk near and view the river. Infrastructure needs a complete overhaul to accommodate the events potentially held there.	2/14/2023 10:03 PM
61	Would love to continue to see summer music concerts at Runde Park.	2/14/2023 9:48 PM
62	Runde would be amazing if the ballparks would have to go. Not asking that but if they did make a decent size wooded park	2/14/2023 9:43 PM

## City of Tega Cay Parks &amp; Recreation Survey 2023

63	Better playground equipment	2/14/2023 9:07 PM
64	Golf carts or pull up boats only on summer weekends. Make it more friendly to lake goers	2/14/2023 8:40 PM
65	The gated are locked we have this brand new facility and we can't use it. I was licks off the field and was told to go play over by the playground!! All these families sitting on blankets having a picnic and I'm going to pitch softballs to my daughter and take a chance of hitting someone. Soccer fields are wide open but baseball and softball fields are not????	2/14/2023 8:39 PM
66	Love the park, but wish there was walking or golf cart access to it without using major roads	2/14/2023 7:58 PM
67	More benches, picnic tables, and playground equipment.	2/14/2023 7:21 PM
68	You'll love this. I'd like a sky bridge so we can park across the street safely. We had them in Carmel Indiana where we used to live. Look into the Monon trail. They incorporated many pedestrian bridges over the road.	2/14/2023 7:14 PM
69	I think it's great as it is!	2/14/2023 6:16 PM
70	Sport. If it had some small kiosk/restaurant then leisure as well. If it had a dog park then for pets but unfortunately at the moment based on the age group in our family. Boy sports is the only thing it offers.	2/14/2023 5:49 PM
71	Install lights. It is hazardous at night and at dusk. Maintain the amenities, benches, trash bins, etc.	2/14/2023 5:09 PM
72	Add Sand Volleyball courts, create a place for teens, ie skatepark or hangout, add more pickleball courts and bocce courts	2/14/2023 4:58 PM
73	Walking	2/14/2023 4:17 PM
74	With the opening of ball fields at Catawba and closing of the old sag park, turn one of the ball fields at Runde into a dog park. There isn't enough parking for 2 concurrent games anyway, and with the new sidewalk, people parked on Windward becomes a real hazard.	2/14/2023 4:04 PM
75	Concerts, festivals, Pickleball, dog park	2/14/2023 3:34 PM
76	A dog park behind the restroom/refreshment stand would be great.	2/14/2023 12:19 PM
77	- Add more shade area for parents watching kids at playground. In summer it gets extremely hot. - Completely renovate basketball court at the bottom of the hill. Add a stair way for guests to walk down the hill safely to court. Add bleachers for guests to sit and watch pick up games. We already have the court and goals. If we could renovate those other parts that would be awesome! Clean up the landscaping around it and make sure the drainage is going into the woods. Trim the trees back off the court and add more room.	2/14/2023 9:36 AM
78	Palmyra Park is a fantastic Pocket Park with a lot of potential. This park could be cleaned up and have a baby swing added and maybe a picnic table. Also, they park has a kayak launch that would be advertised better to the residents of Tega Cay.	2/13/2023 7:53 PM
79	It gives kids a small place to play. My kids are a bit too little for it and can only do the spinning toy and the stuff close to the ground so we don't use it much. Would be nice if still had swings.	2/12/2023 8:42 PM
80	We need better access to the park on side roads/paths on New Gray Rock.	2/12/2023 5:33 PM
81	Kids playing Love the two parking lot options, that it is turf, good for all ages, fenced in etc	2/12/2023 5:19 PM
82	Sure hope all the concerts don't move to Catawba! We love being at Runde for them. Maybe there can be an every other or something to keep all of Tega Cay happy.	2/12/2023 4:49 PM
83	I would love it to be fenced in as a dog park! Hardly any kids play here since the equipment is not the best. Maybe the equipment could be combined with Koala to make a more attractive playground?	2/12/2023 11:16 AM
84	Excellent facility! Love the new fields and walking path	2/11/2023 6:35 PM
85	Needs new benches. 5 are missing and 2 coming apart. Water entry for paddle boards and kayaks has become a nightmare as it is washing away and now a steep ledge. Grills are disintegrating.	2/11/2023 1:11 PM
86	Add back the bike racks? The new landscaping is beautiful. There is a crawl through tube that	2/11/2023 12:42 PM

City of Tega Cay Parks & Recreation Survey 2023

is cracked and very sharp. It should be repaired. We love the poop bag station and trash can. Thank you!

87	Weve already seen its benefits to our community!	2/10/2023 4:40 PM
88	add more playground structures, access to lake (mini dock for paddle boards/canoes), maybe basketball court	2/10/2023 12:43 PM
89	Unfortunately, it seems as though the park is "closed" more often than not. No access to the baseball/softball fields.	2/9/2023 11:41 AM
90	Improved Basketball Court/Hoops	2/9/2023 8:44 AM
91	Different playground equipment. Some of it is old and dangerous.	2/9/2023 8:05 AM
92	More non-baseball, non-basketball facilities, such as playground equipment	2/8/2023 8:35 PM
93	We use the lake and the dock to go swimming and cool off in the summer. We enjoy walking the dogs in Pitcairn Park and on the trails nearby.	2/8/2023 11:28 AM
94	More kid friendly play ground and a fenced in dog park	2/8/2023 10:52 AM
95	I've lived here for 20 years and I am disgusted by what was recently done to Diamond Head Park. The city cut down a bunch of trees that were not diseased and didn't need to be cut down and it was done half ass. It looks completely different and disappointing. There are scrubs that have been cut down are sticking out that could cause serious injury to someone walking into the park if they were to fall (at the corner of Diamond Head and Marquesas). These are trees that have been here for 20 years. If I cut down a tree I am expected to plant another one. What is your plan for Diamond Head. BTW, Diamond Head has seen more usage in the last 3 years than it has ever seen and always seems to get the last to get any attention. This should be on a lifecycle plan where it doesn't always get the last of the cycle. I am sorry to complain, but these are obvious concerns. We have something that looks like a semi cab that parks in Diamond Head Park almost daily.	2/7/2023 11:36 PM
96	Continue to add amenities. Add a walking path from the parking lot to the river access. Add more walking trails - especially along the river. Add sitting areas along the river.	2/7/2023 8:55 PM
97	Improved playground, field drainage since seems to stay damp	2/7/2023 8:46 PM
98	I would love to see more sports back to the park. We miss practices and music at the park.	2/7/2023 11:16 AM
99	Fire pits along the lake	2/7/2023 9:55 AM
100	Need to restrict access to residents since our taxes support them and there are times when we can't get a parking space because passes have been sold to non-residents. The 'permanent' pass is also silly since you can rent here for a year then move and still have a pass forever.	2/7/2023 9:46 AM
101	No thoughtful comment	2/7/2023 9:34 AM
102	Diamond Head Park needs some serious focus - the playground only has one small slide, 4 swings and a small structure. There are so many kids of all ages that are close by - this could be such a wonderful resource and no one uses it because the park feels like it's been forgotten about and neglected over the years. Windjammer is wonderful but the sandy beaches are always littered with glass so it'd be great if there were more clean ups of that area (even if they were community led)	2/6/2023 9:54 PM
103	Build more parks for all the apartments and other developments.	2/6/2023 9:30 PM
104	We would love the addition of a Gaga ball pit, pickle ball and tennis courts.	2/6/2023 8:41 PM
105	Concert events, sporting activities (Kickball, softball, kids sports).	2/6/2023 7:56 PM
106	Would like to add some grassy areas and updated playground equipment. Thr Diamond Head park is very dated!	2/6/2023 11:12 AM
107	I have young children who use the playground. My son plays rec baseball.	2/6/2023 10:30 AM
108	Needs more playground equipment. Some of the current equipment does not function properly.	2/6/2023 8:35 AM
109	Rental of kayaks and paddle boards availability and aquatic options summer camps.	2/6/2023 1:44 AM
110	I would add lights at nights time, so kids would be able to play longer when it dark in Fall and	2/5/2023 9:57 PM

Winter. I think the sand box would be great there. We still remember the happy time when the one was in Trail Head park. And I admit there is nothing to do for big kids, not everybody likes basketball. It would super good idea to put some outdoor trainers next to the playground or basketball area for moms.

111	Ensuring the equipment at the smaller parks is maintained (the swings not having exposed metal, being level, for example - at Koala and Diamond Head). Having grills and picnic tables at those is excellent for resident use. I also feel that maintaining the trees at those is critical for usability via shade in the summers - Diamond Head recently lost several large trees and many more look marked for removal. Having water bottle fill stations (over fountains) is also something that would vastly improve park usability and seeing Catawba and other existing larger parks get these features upgraded/added/returned are high on usability requests.	2/5/2023 9:19 PM
112	Keep the gates open so ALL residents can use it... not those who just play baseball.	2/5/2023 7:54 PM
113	Hosting sporting games and practices.	2/5/2023 6:11 PM
114	Keep maintaining it! It's a great playground and well kept up. Maybe expand the footprint a little bit overall great place.	2/5/2023 4:58 PM
115	Enjoy lookout for playing soccer and the swings. Thought when they put in the new inclusive park they were going to move the old park slides to lookout as feel lookout could use more than just swings.	2/5/2023 3:14 PM
116	Maybe larger but we don't have small kids	2/5/2023 12:17 PM
117	Runde is pretty well maintained	2/5/2023 12:16 PM
118	There are lots of play grounds and fields available for youth sports and activity, which is good since there seems to be demand. But we also need spaces and options available for older residents.	2/5/2023 12:03 PM
119	My children loves to play in playground and we can walk in surrounding trail by that time. It would be nice to have couple swings set in Catawba Park. Kids miss swing. So it would be nice in new budget you can add swings.	2/5/2023 10:42 AM
120	I love Windjammer Park and how it is maintained. I only get upset when I see people with NC plates in there or kids leaving trash.	2/5/2023 9:20 AM
121	Pickle Ball Kickball	2/5/2023 8:49 AM
122	TC parks should be welcoming to everyone who may either utilize them for games and walking or just watching; it gathers the community together. I have seen the growth over the years but no improvement in upgrading our facilities; the Catawba park that was built isn't large enough for walking and other activities; nor is it as easily accessible to TC residents.	2/5/2023 8:47 AM
123	Those with small children	2/5/2023 8:27 AM
124	Probably not having mandatory insurance to play at Turner field	2/4/2023 11:52 PM
125	Continue use for junior baseball and soccer.	2/4/2023 8:39 PM
126	Outside workout area, Running path maintained, Pickle ball courts, Rec ball field for anyone to play, Basketball hoops maintained	2/4/2023 5:27 PM
127	I think some pickleball courts could be put in.	2/4/2023 5:17 PM
128	I like the current setup.	2/4/2023 4:39 PM
129	I do not use this park.	2/4/2023 3:52 PM
130	Patrol the parking. It's way too busy on our street in the summertime, and people are speeding and driving recklessly.	2/4/2023 2:49 PM
131	Turner field needs some love and better maintenance. It doesn't need to wait on a complete overhaul, it just needs some better maintenance. Need to re-pave the parking lot, fix the fences, finish paving the sidewalk properly (was done wrong recently), and make the concession stand work again. Its just that the maintenance crew does sloppy work. Ex: They just put new gravel near the outfield fence and didn't even spread it out properly.	2/4/2023 2:24 PM
132	There needs to be access to the water to sit by in Catawba like benches ect just as pump	2/4/2023 1:56 PM

City of Tega Cay Parks & Recreation Survey 2023

	house area. We also need a spray park nearby	
133	Keeping it clean and grounds up keep so we can all enjoy a nice area to exercise	2/4/2023 1:53 PM
134	We need a safer way for our kids to walk to the park. Having the trail from Harvest point to the park would amazing.	2/4/2023 1:12 PM
135	If there is room in the budget, the addition of a swingset would be a wonderful addition to the beach and swim center playground.	2/4/2023 1:03 PM
136	Food truck events Music Community picnics Flea market / vendor events	2/4/2023 12:15 PM
137	The park needs to add a basketball court and have 1-2 Gaga Ball pits. Playground equipment for toddlers (under 5) would also be nice.	2/4/2023 12:03 PM
138	No ideas.	2/4/2023 11:27 AM
139	Add pickle ball courts in next phase. Sometimes the restrooms are locked during open hours.	2/4/2023 10:31 AM
140	Unlock the fields. Gagaball put Kayak launch Concerts Food trucks Pickleball and tennis courts Batting cages	2/4/2023 10:19 AM
141	1. Enforce no dog areas from May to September. This could be done by a "park ranger" and not left up to residents to confront people who allow dogs at the Beach and Swim Center Park area during the months of May through September like the posted sign says. 2. Don't allow the city to use the gravel parking lot at the Beach and Swim Center Park for heavy equipment and storage area. 3. Occasionally grade the gravel parking lot at the Beach and Swim Center Park and do some light landscaping to make the parking lot look better. 4. Clean out the drainage pond and the woods near the Beach and Swim Center Park, it looks trashy. 5. In the areas where trees have been removed, near the Beach and Swim Center Park, either plant new trees or plant grass.	2/4/2023 9:19 AM
142	More parking	2/4/2023 8:55 AM
143	Need more pickleball courts	2/4/2023 8:30 AM
144	I would looooooove a dog park! I know my daughter would enjoy gaga.	2/4/2023 8:04 AM
145	Parking is horrible and we need more places for parents to sit.	2/4/2023 7:54 AM
146	No one uses that little Park- sometimes tweens/teens or an ocssional Mom stop- but we all usually head to the trailhead park. I think it could be a good opportunity to expand into a dog park?	2/4/2023 1:33 AM
147	Add pickle ball courts	2/3/2023 9:33 PM
148	Walking trails, pool, Pickleball/tennis	2/3/2023 9:28 PM
149	No park is within a half mile of our house	2/3/2023 9:23 PM
150	Very well utilized	2/3/2023 7:31 PM
151	The addition of Catawba Park has been great! Main suggestion is to unlock the baseball fields. Locking them does nothing as people either jump the fences and use them anyway or people end up doing baseball or softball in the common areas or even on the soccer fields which is not good and someone may get hurt.	2/3/2023 6:54 PM
152	Music athletic and craft events	2/3/2023 6:29 PM
153	Beautiful park wish it was private to those who live in Tega Cay only.	2/3/2023 6:01 PM
154	More pickle all courts	2/3/2023 5:47 PM
155	Continue hosting some events such as the summer concert series at Runde vs. all going over exclusively to Catawba park.	2/3/2023 5:39 PM
156	I best utilize the park by walking the paths and enjoying the concerts and sporting events.	2/3/2023 5:04 PM
157	Concerts, baseball, flag football, kickball and softball.	2/3/2023 4:42 PM
158	Better restroom upkeep, more police patrols, overall maintenance.	2/3/2023 4:38 PM
159	Generally the play structure is used from the ages of 18 months - 10 years Small grass area	2/3/2023 4:34 PM

City of Tega Cay Parks & Recreation Survey 2023

has also been utilized for playground ball games..

160	Some deer traps at the park on the Peninsula would be a good use of space	2/3/2023 3:52 PM
161	I would love to have more of the "kids sports" down here, since no one is using it anyway...	2/3/2023 2:30 PM
162	Add a playground for all age kids or older kids (tweens), additional basketball court, workout equipment area could be neat.	2/3/2023 1:41 PM
163	I want to be able to walk my dogs on well-maintained trails and possibly a dog park.	2/3/2023 1:34 PM
164	I think it is being utilized very well now with the new playground.	2/3/2023 12:36 PM
165	Would love to see a Gaga ball pit. Otherwise serves its purpose for sports and playground.	2/3/2023 12:24 PM
166	Catawba is new. It really looks nice. I hope you do some wonderful community events there.	2/3/2023 11:48 AM
167	Keep non-Tega Cay residents out and clean up the beach and make more usable beach space.	2/3/2023 11:27 AM
168	We are senior citizens and croquet players so frequent croquet court mostly.	2/3/2023 11:14 AM
169	1 - make the volleyball court more user friendly. Right now, sand is very low (you hurt yourself when you fall), large pile on/logs surround the entire court WAY too close to the court lines, which we talked to Joey B about when he did this as an "improvement" - when you go for a ball outside ball lines at all, you can easily fall/get hurt - as well as large rocks surrounding it which are dangerous. Possibly some type of netting to block balls from constantly going into the water. Make that beach area a little nicer - add sand, like Windjammer; monitor parking there to be sure people have tags to avoid overcrowding. Wish either the pool cost less OR had more/better amenities for the cost. Model A snack shack is WAY too expensive for an easy pool day for parents and kids to really enjoy. That is a huge bummer.	2/3/2023 10:56 AM
170	Re-do to make new or expand a bit. There's a field behind it leading up to nice view of water.	2/3/2023 10:05 AM
171	Great for young kids, nice to have the change of being fenced in	2/3/2023 10:01 AM
172	Yes but also too many cars without TC sticker	2/3/2023 9:35 AM
173	It nice as is, Pickleball courts would improve it.	2/3/2023 9:24 AM
174	The park is great for toddlers and children up to 10 years old. I would like to stress how hot the equipment gets during the summer though...it is unbearable in the July/Aug months. The slide and swings are severely hot to touch and would really love to see some shade/ tents added to the area to better enjoy this great park.	2/3/2023 9:17 AM
175	I live at the Beach Club. I love to carry my paddle board down to the lake and take off. The walkway to the lake could use some maintenance. The closest part to the lake is washed away and very steep.	2/3/2023 8:48 AM
176	1) Improved kayak launching ramp. 2) Enforce current dog rules/laws. 3) Fishing pier. 4) improved lawn area for outdoor yoga classes.	2/3/2023 8:40 AM
177	Dog park. Fence off field behind playground.	2/3/2023 8:30 AM
178	Improve basketball court conditions Also make a turning lane into park from north side of TC drive	2/3/2023 8:28 AM
179	It is great for the dock and the small park. It would be awesome to add basketball hoops and just keep it maintained.	2/3/2023 8:19 AM
180	Would like to see some pickleball courts there.	2/3/2023 8:13 AM
181	If it were fenced in, would be great dog park. Not sure park gets much use now.	2/3/2023 7:49 AM
182	I am happy with the park. I love the ski team and beach. Great place to walk my dog.	2/3/2023 7:36 AM
183	If we have trail access from the park to Dam that would avoid a walk on street for safety If we have some pickle ball courts on newly created Catawba park, west side of residence will safe time for commute	2/3/2023 4:49 AM
184	Side Walk on Windjammer. It is very dangerous for walkers to access Windjammer Park	2/3/2023 1:09 AM
185	It's great year round, but gets too busy and trashy over the summer. It would be nice if it were	2/2/2023 11:12 PM

City of Tega Cay Parks & Recreation Survey 2023

	monitored better and/or only open to residents besides ski shows.	
186	Concerts and festivals	2/2/2023 11:09 PM
187	Trailhead has tons of handicap spaces and not enough of regular spaces. The kids missed the old park we had. Now it overcrowded. We don't go. We go to Walter Elisha. The city council and mayor have let Tega cay grow too much. It is not a great friendly area that we use to have. It has gone downhill. The pool is too expensive just for a plain pool. No slides nothing for the kids. Model a is too expensive for pool food. The city sucks these days. You can't go to windjammer on the weekend. Too crowded with Nc residents. Too many kids partying. As long as the big wigs of Tega get their share of the money. They don't care. We can't even get an adequate recycle company	2/2/2023 10:45 PM
188	I like the concerts being there but there is not much parking, which was poor planning. I hate that the new Catawba park, which is far from my house is taking 3 of the summer concerts.	2/2/2023 9:48 PM
189	I would like to have kayak ramp access at this park or dog park area give its location	2/2/2023 9:34 PM
190	Improve beach area. Volleyball area is never maintained. Cooking grills are damaged. Possibly construct a covered community fireplace with picnic benches.	2/2/2023 8:47 PM
191	It need cleaned up and additional items added	2/2/2023 8:33 PM
192	Some more playground equipment would be nice but we love the frisbee golf, swings & the soccer field.	2/2/2023 8:32 PM
193	We never use it. Haven't since the boys were little and played soccer on the field. Also used to use it as a dog park, which we really loved. Sorry that it no longer there.	2/2/2023 8:23 PM
194	Ticket non residents who park illegally. Enforce the parking permit sign for beach. Remove street permit parking	2/2/2023 8:04 PM
195	I don't think it is fair for me to pay high taxes and the park is so crowded that I can't enjoy it because they sell passes to nonresidents. I cannot find a parking spot. Windjammer was one of the biggest reasons I bought here I. Tega Cay. It is extremely frustrating. The non residents have taken over our park.	2/2/2023 7:28 PM
196	I think Runde is definitely in need of some new equipment. It's my son's favorite park, but I don't love taking him there because the equipment is rusty.	2/2/2023 7:11 PM
197	Add an AED	2/2/2023 7:10 PM
198	Add Pickleball courts.	2/2/2023 6:45 PM
199	We utilize other parks more than Windsong, even though it is closest to our house and our children are the ideal age range for this park. Windsong needs a little attention for drainage (lots of standing water), and a bit of cleanup.	2/2/2023 6:23 PM
200	Play for kids	2/2/2023 6:07 PM
201	With Catawba open this could be turned into something more useful - pickleball or skate park.	2/2/2023 6:03 PM
202	I like the way it's utilized now	2/2/2023 5:58 PM
203	Fewer little league events -- no parking and parking along the street can be dangerous.	2/2/2023 5:14 PM
204	adult Kickball and softball.	2/2/2023 5:00 PM
205	Wish the concerts would still be there.	2/2/2023 4:57 PM
206	I really like the summer concert series held there and the little league baseball opportunities it currently has.	2/2/2023 4:39 PM
207	The park on Heron Harbor is small and rarely used. No sidewalks and a hilly, limited sight, curved part of the road make walking to it precarious.	2/2/2023 4:17 PM
208	Limited use to youth baseball and soccer, for a park of this magnitude tennis courts, dog park, etc should have been included.	2/2/2023 4:03 PM
209	May have dogs that need to run off leash. a dog park would be used often.	2/2/2023 3:55 PM
210	its being utilized well	2/2/2023 3:52 PM

City of Tega Cay Parks & Recreation Survey 2023

211	Look out is great the way it is.	2/2/2023 3:52 PM
212	Adding a Skate Park for the Peninsula kids that are busting at the seams to have a new safe place to gather	2/2/2023 3:52 PM
213	Festivals, concerts, family fun days	2/2/2023 3:49 PM
214	Only the "Entrance" side of the park is ever maintained; that is, the entrance side of our one way street. The outbound side has never been maintained. Dead trees. Bad erosion, especially at the bottom of this side. NO CARE whatsoever. It needs proper terracing and plantings. There is also a school bus stop at this outbound corner.	2/2/2023 3:44 PM
215	The park playground gets used a lot! A slide would be a nice addition to the park as well as hammock posts.	2/2/2023 3:17 PM
216	I have not had the opportunity to visit this park yet. Have only gone to Trailhead, but I think Catawba offers lots of opportunities for now and the future. Would love to see concerts here - Charlotte Symphony or Rock Hill Symphony, festivals, tree lighting, fireworks, or other holiday festivities, and for the future it will be good for my growing girl as she may join sports leagues.	2/2/2023 3:15 PM
217	I have no children in the house, so for me, walking trails for me and my dog, especially some paved trails along the river. Also, I'm not sure that there's enough parking available at the park.	2/2/2023 3:13 PM
218	We have enjoyed the playground as well as the soccer fields for formal practices and informal meetups.	2/2/2023 3:01 PM
219	continued sports use and community events	2/2/2023 2:45 PM
220	A sidewalk down windjammer road connecting the Tega Cay drive trail and windjammer would increase the accessibility and safety for the neighborhood.	2/2/2023 2:31 PM
221	This park is nice but better playground type areas would be great. It probably needs an upgrade at some point	2/2/2023 2:06 PM
222	Useless as i cant access it without getting in car and driving 1 mile to it	2/2/2023 1:56 PM
223	Add basketball courts.	2/2/2023 1:50 PM
224	Park can be utilized with sporting activities, playground and events. However, with the unfenced playground being located so close to the drive, it is a huge cause for concern for all parents that children may run right from the play area to the road. Also, side walks going down New Grey Rock Road, from the Manors, or even Baxter, are extremely important; as well as safe cross walks to cross over to the side walk or park!!	2/2/2023 1:43 PM
225	Love the lake. Love the Carolina Show Ski Team nights	2/2/2023 1:06 PM
226	As it is utilized.	2/2/2023 12:55 PM
227	It's a lovely park. My kids enjoy playing here.	2/2/2023 12:44 PM
228	Improve basketball courts at Runde, consider developing courts elsewhere. Lots of use by neighborhood residents, but courts are in poor condition. Tega Cay lacks good outdoor basketball facilities.	2/2/2023 12:34 PM
229	Dock for kayaking Public seating	2/2/2023 12:29 PM
230	The trail around Runde needs work The parking lot needs work fields need to be turfed looks really dated which would be fine if we were keeping the town small but since the massive growth of "new" buildings, facilities, etc would be nice to at least update the "OG" heart beat of the town. Hard to watch tax monies going to new facilities (with turf) being built and the old facilities having a "bandaid" so to say put on it	2/2/2023 12:21 PM
231	Best for lake access. Boat Ramp needs paving and dredging - the lake bottom is uneven with ruts under the water causing the trailers to tilt. If a Basketball Court and Kayak rack could be installed that would also make the park more useful.	2/2/2023 12:16 PM
232	This gets really crowded during swim season with the overflow from the pool. It's a little small for my older child, who still likes to climb and play. Trailhead is no longer an option because there are so many no residents who utilize the space. We need a park suitable for older children!	2/2/2023 11:28 AM

City of Tega Cay Parks & Recreation Survey 2023

233	Add an actual playground, instead of just swings. Otherwise I think it's multipurpose and works well for that!	2/2/2023 11:13 AM
234	Better launching ramp and park availability to residents. More Pickleball facilities and charge non resident usage fees.	2/2/2023 10:54 AM
235	It is utilized when our grandson visits about once every 2-3 months. Sometimes very crowded on weekends, but a great place for little kids to play safely.	2/2/2023 10:52 AM
236	Just needs some TLC but we love going there, its a great space for a group to gather.	2/2/2023 10:48 AM
237	would love a splash pad at one of the parks. Updated playground equipment	2/2/2023 10:45 AM
238	It needs some attention - the walkway down to the beach area is not very safe, especially for younger kids but it also could be opened up some and made to be such a beautiful area. The playground could use some sprucing up as well.	2/2/2023 10:41 AM
239	living in beach club has become a nightmare due to beach club lane being public. although the speed limit is 15 mph, it is not enforced along with requirement for for beach club parking requiring a sticker not enforced. many times trying to walk or go to my mailbox, i am almost run over. the average speed on beach club lane (worse in summer) is @ 40 miles per hour. i have seen cars also pass on beach club lane. i along with fellow residents yell at the offenders to no avail. for our safety we will need to step up some how. this needs to be addressed asap by town personnel before a child, pet or adult is killed trying to cross. police presence, ticketing non sticker vehicles along with stopping non sticker vehicles from entering to lessen traffic is a must like windjammer does. also in stall an electric speed sign, post police, create a separate entrance from shoreline parkway, install fake yellow painted speed bumps. finally the pool hour (not bar hours) need to increase for adult tax payers that are retired or would like to go in the pool after work.	2/2/2023 10:28 AM
240	Trails kept clean of debris, Basketball hoops fixed and maintained kept free from cars parking for local kids	2/2/2023 10:28 AM
241	I frequent parks with my kids. We love the swings and all the equipment that is at them. I'd like to see more sand boxes or activities that allow for the little ones that don't travel, where a parent can just sit and let their child play.	2/2/2023 10:28 AM
242	It would be nice to be able to either use the basketball courts or put something else there. A ton of kids walk home from school so it would be nice if they had a little more space to run around and play.	2/2/2023 10:26 AM
243	Only tega cay residents can have the city parking pass for parks, especially windjammer. Would love a dog park so we can have a place for our dog to run around since we don't have a backyard.	2/2/2023 10:20 AM
244	I feel like the park is well kept	2/2/2023 10:19 AM
245	I would like to be able to access the park prior to 7am for exercise purposes.	2/2/2023 10:15 AM
246	improve the walking trail around Turner field.	2/2/2023 10:13 AM
247	Would like a paved path for pedestrians and golf carts that connects the Lake Ridge Manors, Lake Ridge, Baxter to one another and provides better access to Catawba park, next to New Grey Rock road. Need to connect all of Tega Cay.	2/2/2023 10:12 AM
248	It's used pretty perfectly. Would love to see some concerts continue.	2/2/2023 10:12 AM
249	Improve the basketball courts and have a kids league	2/2/2023 10:08 AM
250	Great no complaints at all.	2/2/2023 9:59 AM
251	This park is hidden and rarely used. It may be better suited as a Pickleball Court which would get a lot more use.	2/2/2023 9:53 AM
252	The playground is for young children and not for someone 65+.	2/2/2023 9:43 AM
253	Walking and running paths along the water	2/2/2023 9:39 AM
254	Please still have concerts and fun activities at Runde during the spring summer months.	2/2/2023 9:38 AM
255	another bench or two, maybe dividing the play area another picnic table	2/2/2023 9:38 AM

## City of Tega Cay Parks &amp; Recreation Survey 2023

256	The Lake Ridge neighborhood for the most part is connected to park via a cart path which is good. However, the manors is not. The two neighborhoods should be connected via a cart path so kids in the manors can attend park without having to ride bikes on new Grey rock, which is dangerous.	2/2/2023 9:36 AM
257	Live just up the street in first row of townhomes. Excellent facility and enjoyed by many. Many of my neighbors use the pool and generally most of them walk to pool. However, we do have two complaints in particular. One is based on the amount of traffic by others including cars and golf carts - the rate of speed traveling up and down Beach Club Lane (this includes residents also). Much too fast it is inevitable there will be an accident one day. Also, the gravel parking lot across from the pool is used by motor bikes, scooters, cars, trucks, golf carts to do wheelies at all hours of the night. Very popular for the same just after snow and ice storms. Strongly recommend that the Town considering putting up some lighting in that area and use of cameras. This may help to cut down on this problem. 10, 11, 12 o'clock at night is rather a nuisance to listen to vehicles racing around the parking lot. Love the golf course.	2/2/2023 9:34 AM
258	I feel like it's great with the 3 beach accesses there. I think the biggest issue is in the summer none pass holders using the park. And a lot of them being from NC. I feel cameras would be good to help keep the park looking nice.	2/2/2023 9:34 AM
259	It's fine the way it is now.	2/2/2023 9:32 AM
260	The playground is nice - I've taken my little grandson down there. It's also nice that there is a doggie cleanup station there (generally good job on those, Tega Cay!) so it's a good destination to walk my dog. I'm glad it's there but, other than that, the park doesn't seem to have much usefulness. There doesn't seem to be any way to actually access the lake from the park. There's no beach, just a tiny little bit of rocky ledge. The tiny bit of cove the park looks out on is not very scenic. I get to see lots of pretty views of the lake through people's backyards when I walk in the neighborhood (more so with the leaves off the trees), and that's nice, but if I want to actually use the lake, I have to get in my car and drive to Windjammer or Pitcairn. I wish the lake was more accessible in the neighborhood for those of us that don't live directly on the lake.	2/2/2023 9:32 AM
261	The upkeep of the parks is crucial. My family and friends of my daughter use the beach club volleyball area often. This needs to be regularly maintained and replaced/ upgraded as needed. It is a safety hazard if not. My daughter was injured by a piece of metal sticking out last spring. I called the TC maintenance # and someone did address it right away. I hope that this area is part of the regular maintenance rotation plan. Volleyball is becoming more and more popular and I see people coming from other areas to use our courts.	2/2/2023 9:30 AM
262	Turner Field is nice I know there was talk about adding playground equipment that was never realized. The parking lots are a little small and thusly there is alot of parking on our street which can be frustrating when people park on both sides. The adult softball league leaves a rather large mess on game nights.	2/2/2023 9:23 AM
263	It would be great if we had a sidewalk along Windjammer so pedestrians/cyclist/scooters, etc. could safely go to and from the park.	2/2/2023 9:23 AM
264	If the beach area could be fixed up and/or expanded that would be amazing.	2/2/2023 9:19 AM
265	Practices but we need parking	2/2/2023 9:09 AM
266	We love Catawba Park and feel so lucky to live so close to it. We utilize it several times a week. I would love to have the playground expanded a bit as it usually pretty busy. Maybe some swings and more things for the kids to climb on.	2/2/2023 9:06 AM
267	A Sidewalk down Windjammer. More docks.	2/2/2023 8:59 AM
268	Needs more parking which I understand is probably not possible and better/more signage to keep kids off of things they shouldn't be climbing on. Older kids seems to over-run the park at times and parents really are terrible about managing them at times esp if they have their phones with them lol	2/2/2023 8:41 AM
269	Would love to see more pickle ball courts. It's hard to get one at times	2/2/2023 8:40 AM
270	I would love to see a sidewalk put in down Gardendale so Lake Ridge residents can access the park by foot/bike easier. This would also lighten the load on the parking lot.	2/2/2023 8:36 AM
271	Desperately need a sidewalk or walking trail to connect Manors of Lakeridge and Lakeridge to	2/2/2023 8:32 AM

City of Tega Cay Parks & Recreation Survey 2023

295	I understand the need to limit the parking to residents, but I don't think residents should pay extra for parking access to Windjammer. Residents should get parking stickers as a part of their taxes. It would be great to have more well maintained tennis and pickle-ball courts. Pickle-ball is only going to grow in popularity and we have folks waiting to play at the lower courts. If players can't make it right after 5pm, they don't get a court. The public tennis courts are in really bad shape. The adult recreational area in Tega Cay haven't kept up with the growth over the past 20 years. We lost two tennis courts, to pickle-ball, while the population exploded. I'm a member of the Tennis Club because the condition of the public courts are very bad.	2/1/2023 11:55 PM
296	Catawba Park is an excellent addition for our neighborhood. I can see lots of kids enjoying it. Definitely need a side walk on gardendale road to get to the park safety and also need the speed bump with flashing light in addition to the pedestrian crossing sign on the sidewalk that leads to the park from lake ridge neighborhood. Also we have seen underage kids cruise their golf carts on the park trail surrounding the soccer fields. That's why need signs for no golf carts on the trails for everyone's safety. We need the access to the river, restaurants and more trails similar to river walk in Rock hill. 😊	2/1/2023 11:46 PM
297	Palmyra park need some serious updates. It has just been forgotten over the years.	2/1/2023 11:31 PM
298	Better upkeep of the basketball court	2/1/2023 11:14 PM
299	Great already, would love to see an off leash dog park area.	2/1/2023 11:00 PM
300	Kickball and Concerts	2/1/2023 10:55 PM
301	Remove the no parking signs on the street. You've created a negative externality by doing this. People wishing to use the park now park in my private driveway and my neighbors as well as on our grass. When we call TCPD the response is there is nothing we can do. It's on private propriety. Please fix this. I can't even park legally on the street in front of my own home.	2/1/2023 10:55 PM
302	More walking paths that lead to the park from surrounding areas. The roads leading to the park have no safe walkability.	2/1/2023 10:49 PM
303	It seems like there's space that could be utilized.	2/1/2023 10:38 PM
304	Love having the summer concert series at Runde that our family can walk to, and other fun events. We enjoy all the sporting events taking place there and my children love the playground and sandbox there too!	2/1/2023 10:34 PM
305	Restrict to residents only. Improve and expand trails.	2/1/2023 10:30 PM
306	Add more seating and maybe more swings. It would be nice to have a couple of picnic or smaller tables closer to the water for an outdoor lunch for 2-4 and not just the picnic shelter. It would be nice to have some sort of insect (flying bugs) control. Maybe some lighting in the grass area for a safer visit at night. Windjammer is very special to us, as we were married there at sunset.	2/1/2023 10:26 PM
307	Last time we went there were too many mosquitoes. Do we spray our parks for mosquitoes?	2/1/2023 10:22 PM
308	Rec sports for kids and adults. We have been at lookout, Runde, Turner, most recently Catawba. We use the parks to enjoy some open space. Walking. Prefer the natural open spaces vs the turf. Don't get rid of the larger parks, Turner, lookout, Runde, trailhead I would visit windjammer more but parking is limited.	2/1/2023 10:17 PM
309	What would really improve Windjammer Park would be safer pedestrian access to the park. I understand it would be a stretch but protected sidewalks on windjammer Drive would be an amazing asset. I feel silly driving to a park that is a 10 minute walk from my home, but I do not feel safe walking said path to get there. Increased foot traffic there would mean we could remove the upper parking area and return it to useable park space.	2/1/2023 10:10 PM
310	Before we can improve our pocket park, there needs to be more walking paths (especially down Marqueses) to get to runde, koala and diamond head parks. Kids can't safely access our pocket parks without dodging cars. There also needs to be a crosswalk across the road to get to runde park from marquesas and walking paths down marquesas. So many kids and adults go this route and it is dangerous for a kid to even walk to koala park because of the lack of sidewalk or bike path. I would love to see the lights at runde be left on until 9pm in the winter for use of the walking path around runde after dark. It would be great to have a soccer net on the big field as well. Many kids go to runde to play and practice. I hope we continue to take care of these wonderful parks in "historic" TC and make it safer (paths) for adults and kids in	2/1/2023 10:06 PM

City of Tega Cay Parks & Recreation Survey 2023

the park. The park offers little to older residents. Pickle ball courts, a dog park and more walking trails would be amazing.

272	Available for use by city residents only. Over the many years of living here we have seen the park decline due to over use and abuse, as well as residents not being able to use it due to limited parking. More stringent patrol of the park to insure violators are removed.	2/2/2023 8:29 AM
273	Hiking Decent, open bathrooms are important	2/2/2023 8:29 AM
274	More parking...somehow. Larger playground for the kids. Maybe some sort of inflatable water park thing would be fun as well.	2/2/2023 8:18 AM
275	The park is beautiful as is, but believe the traffic for the park is too much for neighborhood streets. I'm not sure what the solution would be, but our streets are dangerous for children in the spring and summer. I know that other neighborhood parks in Tega Cay face the same issues, especially those on the lake, and hope that the city can find a solution.	2/2/2023 8:15 AM
276	Place large sidewalks from Cadence to Grayrock Rd. Allowing walking, bikes, and golf carts to move freely to avoid causing traffic issues and angry drivers.	2/2/2023 8:11 AM
277	By adding a paved path to the park to allow surrounding residents to safely walk or bike to the park, without having to drive.	2/2/2023 8:10 AM
278	Runde is mostly for baseball and should be expanded to include other activities	2/2/2023 8:07 AM
279	More playground equipment. Or fence in the field and make this a dog park. Water access for kayak launch or fishing. Covered pavilion. This park could be a great spot for this area of the community, which lacks other park options.	2/2/2023 8:06 AM
280	Great Location, great everything Parking the #1 consideration	2/2/2023 8:03 AM
281	Add a dog park. bleachers at the playfields.	2/2/2023 7:56 AM
282	Volleyball court could be better maintained	2/2/2023 7:41 AM
283	Good for little kids and the field area is good for older kids to play football	2/2/2023 7:27 AM
284	Volleyball Ball court/net in the out field area of Runde Big.	2/2/2023 7:21 AM
285	Add pickleball courts. We are often unable to play since so many people enjoy the sport and have taken over the courts with friends, neighbors, and visitors from outside the community	2/2/2023 6:58 AM
286	Ensuring park is utilized by authorized residents as has been done. Due to the increase in population in historic TC limit the number of passes to those outside the area of residency.	2/2/2023 6:48 AM
287	Caters to children only. Update grills add more lighting and trails around it for adults.	2/2/2023 6:26 AM
288	There should be a free permit issued for those living in Tega Cay. People not living in Tega Cay should have to pay for a permit for the park.	2/2/2023 6:09 AM
289	Used a lot by Local kids . Recent change removed fences and added landscaping. Okay on road side except for occasional deliver driver going to fast.I. Safety concerns from parents on hill side though. Maybe further updates are ongoing?	2/2/2023 5:57 AM
290	Great for children and activities as should be. However, for active seniors there are only the courts by the maintainence dept which has 2 tennis courts and 2 of the courts converted to pickleball. Pickleball is the increasing sport especially for seniors you are still active. It's great that all ages are involved in this growing sport but the only other activities and spaces for elderly is limited unless you like golf or bocce ball. Due to this increased number of interest there are just not enough courts at this time to accommodate all who would like to play.	2/2/2023 5:13 AM
291	Parking for events is difficult unless you have a golf cart. More car spaces and/or bus transport needed.	2/2/2023 4:52 AM
292	No comment	2/2/2023 1:52 AM
293	This one is a little sad so I don't utilize it maybe people with children do	2/2/2023 12:38 AM
294	Repave/paint basket ball court. Replace the baseball area with an indoor rec center or skate park. When the weather is bad there is no great option for the teens and tweens and they end up at Walmart or McDonalds.	2/1/2023 11:58 PM

City of Tega Cay Parks & Recreation Survey 2023

old Tega Cay to visit. There are 2 wonderful pocket parks down Marquesas and there is no walking path to safely access. People cannot safely walk their dogs down this street because there are no street lights. Because Marquesas has 2 pocket parks and is near runde, why does the city not make this a safer area to access? Windsong bay pocket park has a fence around it and paths and it would be nice to have the same at Koala circle. Koala circle has a lot of wonderful space that kids could play in if they felt safer with a fence. I also think we need cameras at the more frequented parks to avoid vandalism.

311	For festivals and town events; our kids sporting games.	2/1/2023 10:05 PM
312	Allow use on baseball fields, keep lights on during winter until 8 o'clock on soccer fields	2/1/2023 10:03 PM
313	Update equipment and add some more tables. Continue concerts and rec sports.	2/1/2023 9:53 PM
314	Pickleball courts not sufficient for amount of people interested in playing.	2/1/2023 9:51 PM
315	More bike trails	2/1/2023 9:49 PM
316	Walking, disc golf, dog walking, soccer	2/1/2023 9:49 PM
317	Have more trees, walking paths and less buildings, signs, pavement!	2/1/2023 9:37 PM
318	It would be nice to have a exercise gym available. We did have one but it is now gone. I was at a park which had a stationary covered workout area outside. There is nothing at Trailhead park which would interest a senior	2/1/2023 9:35 PM
319	Kids get to go play soccer and baseball and use the trail, play at park	2/1/2023 9:30 PM
320	Love the runde concerts	2/1/2023 9:24 PM
321	We love the amount of fields and having so many sports in one area! The play ground is awesome and could probably be expanded !! It would be nice to have access to the water from the park since it's so close ! A splash pad would be awesome there is none on this end of town	2/1/2023 9:15 PM
322	Open green space. For concerts, dog play, Frisbee, fitness et .	2/1/2023 9:13 PM
323	Overall, the parks are nice. My son was on the baseball fields at Catawba playing baseball and was chased off. As a taxpayer, if I am paying for those expensive fields you should know that my son should be able to play on them.	2/1/2023 9:08 PM
324	Kids recreational sports, playground, concerts	2/1/2023 9:03 PM
325	Causal visit. Keep non residents out. No oit of town passes	2/1/2023 9:03 PM
326	Add a water fountain/water bottle fill station	2/1/2023 9:03 PM
327	Can we extend the sidewalk to cross in front of the fire station to complete the loop? Or is that a fire station thing? Thank you for the dog bins and bags.	2/1/2023 9:00 PM
328	Great place for kids to meet new friends and have a great time. Also super great for parents and grandparents to connect.	2/1/2023 8:58 PM
329	Some of the playground equipment is ancient and should be upgraded. There's a good case to be made for a dog park as well, as there's plenty of room. So many families walk dogs in the area and it would benefit them to be able to let their dogs play around freely without a leash. Leash behavior causes hyper defensiveness between dogs passing on the street. It would be better for them to meet and get used to each other off the leash.	2/1/2023 8:58 PM
330	We love the playground but it would be nice to have trails to the playground. We don't feel apart if the main peninsula of Tega cay on this side. Even a sidewalk down gardendale to Walmart would be nice.	2/1/2023 8:55 PM
331	The park is amazing. The sports facilities are top-notch. I would just love to see more activities there. The opening-day party was great. Would like to see more.	2/1/2023 8:49 PM
332	Easier access for Kayaking. No pathway to roll kayak to lake except through a field that can be muddy or high grass. No shade at the park.	2/1/2023 8:48 PM
333	Soccer nets up year round	2/1/2023 8:48 PM
334	I've never been. We don't play sports. Looking forward to more walking trails. I run the roads	2/1/2023 8:44 PM

City of Tega Cay Parks & Recreation Survey 2023

and I've had some dangerous situations. TC needs to be more Pedestrian friendly on newer side of TC. I guess there are some plans. I've been waiting for 10 years though.

335	Catawba Park is awesome!! Add Pickleball courts.	2/1/2023 8:39 PM
336	Shelter to have birthday parties. Few have but with parking restrictions.	2/1/2023 8:38 PM
337	Great for kids to participate in sports	2/1/2023 8:36 PM
338	Could use a basketball court or two!	2/1/2023 8:35 PM
339	I would love to see a dog park and some other amenities. There are a lot of baseball fields and would like to see other options.	2/1/2023 8:32 PM
340	Open baseball fields for parents to hit and practice with their kids. They are turf fields, so there's not a worry about infield dirt getting messed up. There's no place that kids can go and practice outside of the actual scheduled team practice, which only happens once a week and only during the season	2/1/2023 8:31 PM
341	Concerts & Food Truck rallies within walking distance	2/1/2023 8:29 PM
342	For my age group, the trails and parks are very important. Since Tega Cay has grown so much in recent years, I believe playgrounds and events for all ages within the parks should get a lot of attention. Anything that can be helpful in bringing families together for fun and activities across our neighborhoods is a definite plus.	2/1/2023 8:25 PM
343	More parking space and cleaner restrooms needed for park.	2/1/2023 8:22 PM
344	Concerts, family activities, seasonal festivals, beer and wine festival	2/1/2023 8:20 PM
345	I take my grandkids here some. It is a small park. The park at the front of TC is awesome.	2/1/2023 8:18 PM
346	Play equipment for kids and a basketball goal or two would be nice. The current equipment is kind of ancient .	2/1/2023 8:11 PM
347	The older parks are not maintained at all. I mentioned there were rusty nails on the koala park gazebo and instead of repairing it, it was just torn down. Runde park's playground structure is extremely worn with plastic missing and rusty metal exposed. Diamond head is underutilized and has been over run with deer and their feces. I love having the parks so close, but we only use Runde occasionally due to the lack of equipment and maintenance of the others. I wish they could be used by children nearby as places to play and meet neighbors.	2/1/2023 8:10 PM
348	We need better access to Catawba Park from the Manors! So many families here that would love to walk there but New Grey Rock is very unsafe with heavy traffic and speeding cars. A sidewalk is a must!	2/1/2023 8:07 PM
349	Allow dogs.	2/1/2023 8:04 PM
350	Its a toddler park	2/1/2023 8:03 PM
351	Koala park is good for small children but would need updating for older kids. My family uses runde much more often even though koala is much closer	2/1/2023 7:56 PM
352	Palmyra park is overdue for an update. Some of the playground equipment is old and doesn't work like the rocking animals. It would be lovely to have some extra equipment there and for the parking area to be paved over. It's hard to get strollers in and out for those of us with smaller kiddos.	2/1/2023 7:55 PM
353	skateboard park	2/1/2023 7:55 PM
354	1)Limit parking permits to Tega Cay due to parking issues. 2)Create a designated dog park area.	2/1/2023 7:51 PM
355	As a dog park	2/1/2023 7:45 PM
356	Sidewalk or paved trail to allow access. New Grey is a dangerous road.	2/1/2023 7:45 PM
357	Better access to the lower area of the park (basketball court) since the slope doesn't have steps all the way there nor are the existing ones we'll-maintained.	2/1/2023 7:44 PM
358	Soccer, baseball, softball, kickball, and playground. Would love to have some pickleball courts.	2/1/2023 7:41 PM

City of Tega Cay Parks & Recreation Survey 2023

359	It's not large enough for how many residents regularly show up. Tega Cay continues to grow, but the parks are not getting any bigger.	2/1/2023 7:38 PM
360	Tennis courts Gaga ball	2/1/2023 7:37 PM
361	Put back up the fence and put a fence at the back of the park. It is a current safety hazard as it has a steep drop off.	2/1/2023 7:35 PM
362	The walking trail along Tega cay drive is really a park. We are on it every day. I think it's kept nice and THAT is a reason to live in the cay. Also... the Marina area?	2/1/2023 7:35 PM
363	Should be allowed to residents to play while no activity is going on	2/1/2023 7:34 PM
364	It would be great to have a kayak launch ramp. We already have a road that almost goes to the water, restrooms, and parking.	2/1/2023 7:33 PM
365	Sidewalks to walk there safely	2/1/2023 7:31 PM
366	Open the whole damn thing. Baseball is the biggest sport down here and the fields are always closed. Seen kids hitting real baseballs towards the playground and new shelter. Can't blame them if they do any damage, it's Tega Cays fault	2/1/2023 7:30 PM
367	Continued activities at Runde (concerts, baseball games)...not moving all of them to new park	2/1/2023 7:25 PM
368	Constantly and consistently have better grass/turf on the Football and Soccer fields at Turner and Tega Cay Elementary. We shouldn't be playing League Games on a field that has large areas of just dirt. Also, it's absolutely crazy that Catawba Park has numerous Baseball and Soccer fields, but only one Football Field. Currently, that field isn't even striped for Football!!! Soccer has that one too. It doesn't make any sense. That whole "all purpose" field should be for Football exclusively. We have 400 kids playing Flag Football in the Spring. Let's dedicate more fields for Football use...	2/1/2023 7:25 PM
369	Add Pickleball courts	2/1/2023 7:12 PM
370	Keep Turner and Runde as sports fields. Do not "repurpose" unless it's for sports activities Allow children to play on baseball fields. Including fields at Catawba. More basketball courts	2/1/2023 7:12 PM
371	New updated playground, minus 1 baseball field and replace it with a dog park.	2/1/2023 7:11 PM
372	Requiring parking permits. The park is overrun by people who don't pay taxes here.	2/1/2023 7:10 PM
373	It is well utilized. I love the summer ski shows. I just don't like the traffic and speeding during the summer months.	2/1/2023 7:06 PM
374	I think this park should be torn down and the space, as well as the parking lot, should be turned into a larger pool for the community. There is never anybody on the playground, and usually people just using the path to walk and it is taking up too much space when the pool is very lame.	2/1/2023 7:02 PM
375	Allowing children to play	2/1/2023 6:59 PM
376	Re-due the basketball court at the bottom of Trail Head Park	2/1/2023 6:57 PM
377	The bathroom facilities are pretty run down. The parking was not sufficient but now that sports practices are at Catawba parking is not as big of an issue. Would be nice to have a playground but trailhead is not that far.	2/1/2023 6:52 PM
378	Soccer and baseball games. Concerts and would love an area designated for a dog park that is fenced in	2/1/2023 6:51 PM
379	I know a lot of the kids in Lake Ridge have wanted a place to place GaGa Ball ... maybe there could be a set up for that? I personally love walking trails so I'm eager to see if Catawba Park has/will have trails to walk or ride bikes.	2/1/2023 6:50 PM
380	Playground is great but opportunity to upgrade basketball court to something else and surrounding area	2/1/2023 6:49 PM
381	I think just beautification without improvements. If it had more flat green space or a basketball court maybe it would be used more.	2/1/2023 6:48 PM
382	I think there is a great opportunity to add a beach/water access. It seems to be unused land	2/1/2023 6:48 PM

## City of Tega Cay Parks &amp; Recreation Survey 2023

383	I think parks and pickleball courts should be exclusively for residents. I don't mind supporting clubs, but find them to restrictive for free play.	2/1/2023 6:47 PM
384	This park definitely needs an upgrade. Playground equipment needs replacement. Beach access and volleyball court could use refurbishing. Paddle board/kayak storage and updated bike racks would be great.	2/1/2023 6:46 PM
385	Limiting the people who don't live in Tega Cay or aren't invited guests.	2/1/2023 6:44 PM
386	With more sidewalks/access from nearby neighborhoods. Also, the cawtaba park playground seems like it should have a fence around it, being as close to the street as it is. Have witnessed several children almost running into oncoming traffic from playground	2/1/2023 6:42 PM
387	We need a great dog park with lake access	2/1/2023 6:41 PM
388	Already has ample parking, might be a viable option for pickleball courts (although speeding on Shoreline is a huge concern currently) or a dog park. Seems the fields could become obsolete with other, newer options. Currently hold youth soccer, but those could relocate.	2/1/2023 6:41 PM
389	I'd like to be able to pay a daily fee for the pool without joining for the season. There is also room for Pickleball!	2/1/2023 6:38 PM
390	Definitely need more parking at Trailhead.	2/1/2023 6:37 PM
391	Limited people during peak season.	2/1/2023 6:36 PM
392	Keep events and other organized activities in the park. Maintain basketball courts for youth players and park playground equipment updated and safe	2/1/2023 6:34 PM
393	As nice as this one is, it is for kids, not geared to adults	2/1/2023 6:32 PM
394	Continue to have park concerts in historic Tega cay. Invest in existing parks not just the new one.	2/1/2023 6:31 PM
395	We would love to see an upgrade to the basketball court at Trailhead.	2/1/2023 6:28 PM
396	Sports and entertainment	2/1/2023 6:24 PM
397	Very nice park, BBQ could be refurbished	2/1/2023 6:23 PM
398	By actually putting in the paved trail that would give us the ability to walk, run, or bike down New Gray Road.	2/1/2023 6:22 PM
399	Playground is wonderful	2/1/2023 6:20 PM
400	Additional play equipment and sitting area.	2/1/2023 6:20 PM
401	We love Runde. Would love to see maybe a skatepark added.	2/1/2023 6:19 PM
402	Kick ball, softball, soccer	2/1/2023 6:18 PM
403	Closing it to the public. It's busy there and often there is trash left behind. If the park was only open to residents I think there would be less parking issues, crowds, noise, trash, etc	2/1/2023 6:17 PM
404	Think it is good as is. I like the open fields/basketball court/trails and playground. All are used a good bit but not overly crowded	2/1/2023 6:16 PM
405	This park is not maintained very well. Water run off issues, parking area looks bad. A small area fir climbing. Gazebo in bad shape. Overall a C-	2/1/2023 6:16 PM
406	Stop building more homes. Upgrade the existing facilities, have a much bigger and better pool.	2/1/2023 6:14 PM
407	Playground, more sitting area, dog park	2/1/2023 6:11 PM
408	A path to the lake should be built	2/1/2023 6:11 PM
409	We need a dog park at Catawba Park. Doesn't have to be fancy, just buy a chain link fence, a couple of trash cans and some Poop stations and we'd be good. Easy, right? :)	2/1/2023 6:05 PM
410	Miss the gazebo at Koala Park. The playground equipment at the park is sparse.	2/1/2023 6:04 PM
411	Not sure	2/1/2023 6:03 PM

City of Tega Cay Parks & Recreation Survey 2023

412	Cleaner. What you bring in, you bring out. Pretty simple.	2/1/2023 6:02 PM
413	A children's park. My grandchildren love it!	2/1/2023 6:02 PM
414	More tennis and Pickleball facilities.	2/1/2023 6:00 PM
415	Dog walking	2/1/2023 6:00 PM
416	Being open longer hours (baseball fields). We already loved the opening festival, using the playground, and using the multipurpose fields. We are thrilled with everything and the fact that it is a bike ride away!	2/1/2023 5:59 PM
417	As a play area, but ideally with enhanced safety measures as there is a lot of jumping off buildings in young child area	2/1/2023 5:58 PM
418	It's a great park. Somewhat neglected and not kept as Rude is.	2/1/2023 5:58 PM
419	Could use more seating and disc golf could be refurbished. Larger playground would be nice.	2/1/2023 5:57 PM
420	More walking paths would be nice were you aren't run some by kids on electric scooters	2/1/2023 5:50 PM
421	Sports Camps Festivals Family movie night in the park Walking/running Socializing for children	2/1/2023 5:48 PM
422	Play area for kids	2/1/2023 5:43 PM
423	Open up Catawba to more than travel leagues. Adult softball leagues, ultimate frisbee, kickball. Also, please put in a swing set and a bike rack.	2/1/2023 5:42 PM
424	Kickball, concerts	2/1/2023 5:41 PM
425	Need to control the speeding on Windsong Bay to make the park safe.	2/1/2023 5:41 PM
426	More community events. We have enjoyed the concerts in the park with the food trucks. That has really brought our community together. I don't like that the concerts have moved to Catawba Park. We have not attended since we cannot drive our golf cart there. I would also like to see a tennis facility built with 8 courts where we can have a real tennis community, play against other clubs, hold tournaments, etc. We do not have enough courts to do this currently. For the beach and swim center, please cut down the bushes that shield the view of the lake. It has such a wonderful view of the lake, but it is hidden by those bushes. Such a waste! Also, BUILD SOME SLIDES AT THE POOL!!! It is so boring for teenagers or really anyone not fairly young. There is nothing to do but float in the pool, so the kids don't want to go there anymore. We have not renewed our pool membership in a couple of years, but we would if there were some slides.	2/1/2023 5:40 PM
427	Kept clean and secure for children to play	2/1/2023 5:39 PM
428	No. I think it would benefit the neighbors and people to add a playground. The neighbors would enjoy it along with the community that is utilizing the fields for sports.	2/1/2023 5:38 PM
429	Needs updated and groomed. Brush growth at lake front. Playground is very outdated	2/1/2023 5:35 PM
430	The parking lot next to the pool by the water/lake could use a kayak/canoe storage facility and ramp. I've proposed this 2X already and it was supported by the mayor (ONeal) and several council members.	2/1/2023 5:34 PM
431	Would love a little more at Lookout (maybe outdoor fitness equipment)	2/1/2023 5:34 PM
432	Phenomenal park!!!! Absolutely wonderful for the community. If additional phases are added, additional trails near the River, concerts, additional events, maybe a basketball court.	2/1/2023 5:33 PM
433	We use the baseball/ softball fields primarily.	2/1/2023 5:33 PM
434	Better basketball courts More parking maybe.	2/1/2023 5:30 PM
435	Love the bands and the food trucks!	2/1/2023 5:29 PM
436	Keep the summer concerts at Runde!	2/1/2023 5:27 PM
437	Catawba Park is too new, have not had an opportunity to use it yet. Have mostly used the trailhead and Runde Park as a base for walking the trail between the two parks or the trail along the power lines to the lake. Also utilize the playground equipment when our grandchildren visit. Also have utilized the Beach and Swim Center to participate in outdoor yoga classes.	2/1/2023 5:27 PM

City of Tega Cay Parks & Recreation Survey 2023

More outdoor yoga classes at the Beach and Swim Center would be welcome. We also are beginning to participate in Pickleball and plan to utilize the courts near the city maintenance facility regularly.

438	Children only. Small playground	2/1/2023 5:26 PM
439	Field would be better taken care of	2/1/2023 5:25 PM
440	We need a paved sidewalk to safely walk from the manors at lake ridge to Catawba Park. The trail is not always reliable due to weather. We love the park and want to be able to have more access.	2/1/2023 5:24 PM
441	Open fields more. Add batting cages.	2/1/2023 5:23 PM
442	Add some swings or something more fun the equipment there is too hard for kids to climb alone	2/1/2023 5:21 PM
443	Sporting events and weekend concerts.	2/1/2023 5:21 PM
444	Add pickleball courts, dog park, walking trails	2/1/2023 5:20 PM
445	I would like to see a sidewalk from the Manors of Lake Ridge to Catawba Park	2/1/2023 5:16 PM
446	Sidewalks along New Grey Rock road toward the park would make it safer for the kids to access the park. Opening the baseball fields or at least one or two during non game days would be great as well to help kids practice.	2/1/2023 5:15 PM
447	More playground equipment for the kids	2/1/2023 5:12 PM
448	Runde Park is really nice. We enjoy the walking trail around the park. I do wish the play area was a little more up to date. The basketball courts are nice but the location of the courts is not ideal.	2/1/2023 5:10 PM
449	Limit the amount of Friday nights the ski team performs so the community can use the area. Maybe every other Friday would better allow others use of the area	2/1/2023 5:08 PM
450	The walking paths around the park are a great treat. We love the open field space for my children to practice sports. We love when their sports team practices are held at lookout park. Please consider adding a basketball court to the lower portion of Lookout park near the swings/parking lot. There are very few basketball courts in Tega Cay. I think it would be a unique feature for that park since it doesn't have playground equipment.	2/1/2023 5:08 PM
451	It can be best utilized by having a sidewalk /bike trail down New Grey Rock Rd. I have heard one is planned, but it should be prioritized. new Grey Rock Rd is dangerous, the cars go way too fast, and most people would like to be able to walk, use golf cart, or ride bikes to the park.	2/1/2023 5:08 PM
452	I'd love for practices and games to be held on the peninsula within golf cart distance.	2/1/2023 5:07 PM
453	Open space to play	2/1/2023 5:07 PM
454	Its a large shared space that is central to a big part of the Lake Shore community. If set up correctly it could be better leveraged for community events that gives the benefits of both space and lake access. Parking is currently a challenge when its used for sports. Lake access for someone with a kayak is not easy. I am not sure if I have ever seen the restroom unlocked at that location. Having a good pavilion like covered area could make it a fun destination for parties and other get togethers. Just a few thoughts...	2/1/2023 5:06 PM
455	No, it could use a dog park to replace the one taken out.	2/1/2023 5:06 PM
456	I wish it had a small beach/kayak launch area just for the people in this area, not the general public. Palmyra and all side streets attached. I would be willing to pay extra for that amenity just to be closer to home and not need to put up with the public at Windjammer and Pitcaim. They ruin our amenities.	2/1/2023 5:05 PM
457	THERE NEEDS TO BE AN ACCESSIBLE PAVED TRAIL FROM THE MANORS TO CATAWBA PARK. AS OF NOW, THE MANORS OF LAKE RIDGE HAS ZERO PAVED ACCESSIBLE TRAILS CONNECTING US TO THE REST OF TEGA CAY. IT WIULD BE NICE TO BE CONNECTED TO CATAWBA PARK ASAP.	2/1/2023 5:05 PM
458	It could be better patrolled for unmonitored youth, who are usually under 21 and drinking on the dock, and who are usually not Tega Cay residents. These teens park at Rundr and walk to	2/1/2023 5:05 PM

City of Tega Cay Parks & Recreation Survey 2023

	Pitcairn and make it difficult for immediate neighbors to enjoy the area.	
459	More parking off the street	2/1/2023 5:05 PM
460	Update the basketball court	2/1/2023 5:05 PM
461	We need walkable access from Baxter Village to the Catawba park.	2/1/2023 5:05 PM
462	It is a very nice space to wander around and caters to a variety if interests. I often walk around the park and paddle around the park in a kayak. I'm happy that it provides a space for so many.	2/1/2023 5:04 PM
463	Need parking so we can swim	2/1/2023 5:04 PM
464	The Beach and Swim Park should be open for longer months. The new calendar with the pool closed on weekdays in August is unacceptable. We cannot use the pool in May due to the Swim Team meets, and closing it early in August, one of the year's hottest months, needs to be changed. The shoreline behind the pool, where people swim, put in Kayaks, and paddleboards, etc., is dangerous. I know Duke owns it, but if nothing else remove the tar. Don't add any fill. Removing the tar will NOT impact the water.	2/1/2023 5:04 PM
465	We like the concerts. More volleyball courts at the pool club would be good. Clubhouse needs cleaned. It's dingy	2/1/2023 5:04 PM
466	Love the park however it would be great to have a safe way to travel from the manors to Catawba park. Sidewalk and cart path. So many of us have golf carts.	2/1/2023 5:04 PM
467	We love the park!	2/1/2023 5:03 PM
468	Add Tennis Courts	2/1/2023 5:01 PM
469	I would love for the beach and swim park to be better kept. It often has missing equipment (I.e., the play tube).	2/1/2023 5:00 PM
470	Concerts, Festivals, Rec Sports and Club sports (not just one club) who pay to play there.	2/1/2023 4:59 PM
471	Parking pass for Tega Cay residents- not a lot of parking for the amount of people that are going to come around.	2/1/2023 4:59 PM
472	There isn't much at windsong bay. Would love to see an added basketball court, pickle ball, and a dog park	2/1/2023 4:58 PM
473	I think it's a great multi-use community park	2/1/2023 4:57 PM
474	Just keep it for people who live here and keep it clean. Have city employees at the park when open.	2/1/2023 4:56 PM
475	That's hard b/c it's still more than a mile away from our subdivision. Being off the Cay has it's + (easier access) and - (still sneered at when we claim TC as our home).	2/1/2023 4:55 PM
476	More adult sports	2/1/2023 4:53 PM
477	Keep the park clean and upto date with safety. Large enclosed park with alot to keep the kids busy and intrigued	2/1/2023 4:51 PM
478	You can bring back the gym equipment that was inside the beach club. The annual membership fee cost should include more than the pool use. Free use of the beach club house for members. There should be a slide built into the children's pool. There should be days of the week for just Adults use; peace and quiet time. There should not be any alcohol served by Model A during children Day use at the pool. When the school swim teams use the pool, they need to clean up after themselves. They always leave a mess of garbage throughout the beach club area. Those of us who live at the Beach Club, will not tolerate it anymore. Lastly, replace or repair the park benches. Some are missing by the lake and we're vandalized. Repaint the gazebo and the picnic tables by the lake. There's graffiti on the gazebo. Power washing of cement floor is needed by the circle of benches and bushes. The cement has turned black.	2/1/2023 4:50 PM
479	Lots of garbage flies from the park.	2/1/2023 4:50 PM
480	Dog area would be helpful. Many dog owners around Runde; walking dogs. An area on the large field fenced in for dog run around would be a good addition.	2/1/2023 4:50 PM

City of Tega Cay Parks & Recreation Survey 2023

481	Better irrigation systems allowing for reduced recovery time after heavy rains. Turf? Have 1 indoor facility?	2/1/2023 4:49 PM
482	The park is currently well utilized - rec sports, walking & frisbee golf	2/1/2023 4:49 PM
483	More outdoor summer concerts in addition to kids' sports	2/1/2023 4:49 PM
484	Needs a dog park	2/1/2023 4:49 PM
485	Keep allowing summer concert series to happen. General upkeep and maintenance	2/1/2023 4:49 PM
486	Add a passive recreation area and playground so that it's more than just sport fields	2/1/2023 4:47 PM
487	It's fine. Clean up sandbox	2/1/2023 4:46 PM
488	Dedicating portion to open play (not baseball), better maintenance of bathrooms and field conditions	2/1/2023 4:45 PM
489	We utilize the playground somewhat frequently. It can get busy but it's so big that typically this isn't a concern. We are also very close to the Beach Club. We don't really use the park there (we're members of the pool) but would love to see more space or opportunity to take advantage of the beach. Similar to how Windjammer is used in this way.	2/1/2023 4:45 PM
490	Sports and festivals; farmers market!	2/1/2023 4:43 PM
491	Updated play structures for younger children!	2/1/2023 4:43 PM
492	2 things. From the Manors, we are extremely isolated from getting to the park. I realize a trail is coming in New Grey Rock Rd but not for a couple years. I highly advocate for a small paved connection trail from the Manors to The Estates from Forsythia connecting to Solandra. This would provide much better access for us to the community pool in Lake Ridge and access to the park without the dangers of NGR Rd. Second point. It's highly frustrating for the baseball fields always be locked up. I understand the point of vandalism. However advertised open field times while staff is there would very much be appreciated even if it's a couple times a week.	2/1/2023 4:42 PM
493	Love Catawba park. Wish the playground was fenced in like Trailhead though. I witness Way too many kids run towards the road	2/1/2023 4:37 PM
494	Keep baseball fields open. Add batting cages	2/1/2023 4:37 PM
495	This park seems to be mostly for older kids, but nice to have close	2/1/2023 4:36 PM
496	Considering it is the only park in walking distance to our neighborhood it is a great addition. However there is no way to access this park without driving a vehicle to get there. Since the project to add a lane for walkers and golf carts has been pushed back to 2025 some pathway should be made for us to easily access the park.	2/1/2023 4:33 PM
497	Make it a dog park.	2/1/2023 4:32 PM
498	Stop allowing parking on basketball courts here	2/1/2023 4:31 PM
499	Living in manors, were a bit cut off from connectivity. Getting a better connection point would be excellent and provide us with better use of the park	2/1/2023 4:31 PM
500	unlock the baseball fields so kids can use them when there are not practices/games going on. I understand that a big ask as some knuckleheads will use it as a dog park.... ugh.	2/1/2023 4:31 PM
501	Once we get a full season with Catawba open, then it will be better to opine.	2/1/2023 4:30 PM
502	Concert series	2/1/2023 4:29 PM
503	There could be more facilities for older kids as well. For small kids some sand to play with would be nice.	2/1/2023 4:28 PM
504	Create a better lake access area, similar to the beach at the Swim club. Build a newer playground for kids. The fields and green space is great, I wouldn't change that. Disk golf course is great.	2/1/2023 4:27 PM
505	definitely more parking picnic tables	2/1/2023 4:26 PM
506	The playground area is great but it needs picnic tables and a fence.	2/1/2023 4:25 PM

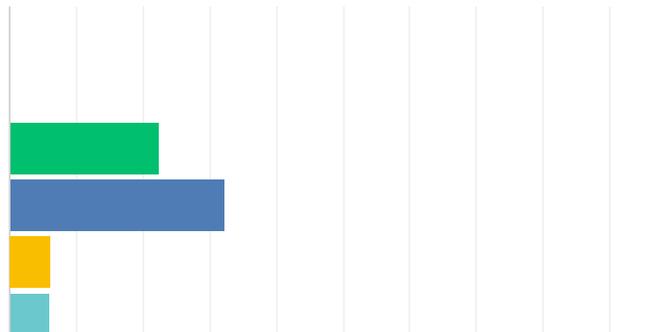

City of Tega Cay Parks & Recreation Survey 2023

507	Better control of parking. So many cars without stickers in previous years.	2/1/2023 4:24 PM
508	maybe more playground equipment for my grandkids	2/1/2023 4:22 PM
509	Access to Catawba Park from Manors at Lake Ridge is non existent/ not safe by foot or bike. If the projected 2025 date for a paved trail down New Gray Rock Road could be expedited that would be wonderful for my family and neighbors.	2/1/2023 4:19 PM
510	There is nothing at Lookout, don't really see it as a park per se.	2/1/2023 4:18 PM
511	It is satisfactory.	2/1/2023 4:17 PM
512	Park has been really well done and excellent for a wide range of activities. Only thing would like to see added is pickleball courts.	2/1/2023 4:16 PM
513	Cleaner and updated restrooms in Runde Park	2/1/2023 4:14 PM
514	1. At the beach club waterfront side, if a paved path can be built to launch the kayak, that will make it more safe for the people to use it, currently it has a big jump, makes it hard for the people to pull the kayak and it is not safe at all. 2. It used to have 5 benches at the waterfront side, now it only has 2 and they are falling apart. 3. The playground trash can always smells and it catches a lot nats.	2/1/2023 4:13 PM
515	Would love to see some updates to the disc golf course. Also maybe a bit more playground equipment. Like that it has lots of open space for running or throwing a ball.	2/1/2023 4:12 PM
516	Turner Field is in need of a major update/upgrade. The fields are horrible after it rains.	2/1/2023 4:12 PM
517	Lookout park should have a kids playground and additional sitting areas for families	2/1/2023 4:11 PM
518	eliminate the small ballfield and install a new stage for concerts and additional parking	2/1/2023 4:09 PM
519	As of right now, it's a bit lacking. I'd love to see more trails and river locations (similar to Jetton Park in Cornelius). As our infant gets older, and we grow our family, the playground and sports fields will come in handy.	2/1/2023 3:56 PM
520	Excellent place to take my grandchildren. They love the playground and open spaces, although they miss the swings and zipline at trailhead. A great venue for festivals and concerts. Many opportunities for watching competitive sports.	2/1/2023 3:46 PM
521	We go to the beach club playground often because it's near our house. It could definitely use some new/ updated equipment.	2/1/2023 2:45 PM
522	Sports and athletic games. Concerts	2/1/2023 2:29 PM
523	A gathering place where we can hang out and the kids can play.	2/1/2023 2:28 PM

#	OTHER (PLEASE SPECIFY)	DATE
1	More basketball courts. Basketball court, playground, covered eating area and open grass for baseball or football all at the same location.	4/5/2023 8:39 AM
2	Skateboard park	3/22/2023 7:22 PM
3	ASPHALT TRAILS FOR SENIORS & STROLLERS. Not cement sidewalks. Cement is too hard on joints, costly and difficult to build. Just an asphalt trail will satisfy all age groups - think another RiverWalk but starting at Catawba Park.	3/21/2023 11:56 AM

City of Tega Cay Parks & Recreation Survey 2023

4	Definitely an indoor fitness place	3/19/2023 12:02 PM
5	I am all for additional tennis and pickleball courts - knowing the participation level is strong and growing for both, I think it would be wise to consider joint opportunities to expand, particularly given common O and M needs. Re: Catawba park- really unfortunate that there are NO trees and the playground was built so far away from the fields!! Not family friendly. Batting cages could have/should have been part of Phase 1 also.	3/16/2023 11:23 AM
6	Paved off-road trails similar to rail-trails. Current roads are too narrow and whenever they are repaved, the shoulders are not widen for use by walkers or bicycles.	3/15/2023 7:54 AM
7	Turner field needs some serious maintenance for the amount of sports games that are played there. Have you considered laying turf down?	3/13/2023 11:30 PM
8	Please require Tega Cay parking stickers for those using the pickle ball courts. There are many people coming from Charlotte to use courts that should be available to Tega Cay residents.	3/13/2023 8:06 PM
9	Kayak storage!!!! More bike trails.	3/13/2023 7:36 PM
10	Sidewalks... but that's probably a different department	3/13/2023 4:02 PM
11	Sand volleyball courts (not near the water) Skate park (somewhere for teens to hang out!)	3/13/2023 12:39 PM
12	Bocceball courts	3/9/2023 2:04 PM
13	Basketball courts(indoor and outdoor)	3/5/2023 1:14 PM
14	Need a field that a family can reserve for an activity. More trails are always welcome. Dog park would be great. Mountain bike trail too. More tennis and pickle ball courts.	3/2/2023 6:13 PM
15	indoor gym, so you can play indoor sports, basketball, tennis etc.	2/28/2023 10:32 AM
16	Bike trails would be a highly utilized around Tega Cay. At the very least, along Tega Cay Drive from Windward to Tega Cay Elementary.	2/26/2023 7:49 PM
17	A skate park and/or skateable places! Additional basketball courts (especially in Catawba Park)! Water fountains/water refill stations (e.g., in the parks by the restrooms)! -Fountains are critical to me when I am out on a run; and kids on sports teams who forget their water bottles; and kids on playgrounds who show up to play without water bottles. -Water bottle refill stations are critical to the kids on sports teams when they need to refill their water bottles, especially when they don't fit under the restroom sinks (e.g., all but one men's room at Catawba Park) -If possible and appropriate, dog water stations would be nice too.	2/26/2023 11:11 AM
18	Additional open/free pool. Additional zip lines available. Updating existing parks and having additional parks like the newest free to play park. Soccer goals to use and practice at.	2/22/2023 11:17 AM
19	Skatepark	2/20/2023 9:38 PM
20	Skate park	2/18/2023 8:42 AM
21	skate park for kids	2/16/2023 6:35 PM
22	Areas that would allow for covered picnics for group events.	2/15/2023 10:50 PM
23	Skate park	2/15/2023 10:09 PM
24	Dog park!!	2/15/2023 7:58 PM
25	Please update basket ball courts. Also make them a no parking zone. Some are not in the best condition. Maybe add some additional basket ball courts on the peninsula of Tega Cay	2/15/2023 9:19 AM
26	Would love more beach areas to enjoy whether it's by the pool area/ point or at Windjammer park.	2/15/2023 8:57 AM
27	Bathrooms at the beach by the beach club beach Make one parking section at beach club accessible to non Tega cay parking pass	2/15/2023 8:46 AM
28	We need larger pools for our community, with lap lanes available at all times.	2/14/2023 11:50 PM
29	Waterslide at the Tega Cay pool. Trail from peninsula to new Tega Cay.	2/14/2023 11:03 PM

30	dont use the parks much due to working and parks are geared mostly for kids from what i have seen. maybe an Adult park would be an idea.	2/14/2023 10:03 PM
31	Bocce Courts Carolina Thread Trail connectors (running / walking / biking trails) connecting peninsula Tega Cay to Baxter?	2/14/2023 9:48 PM
32	I think a skate park would be a wonderful addition to our community.	2/14/2023 8:22 PM
33	Golf cart patches from all areas of Lake Ridge to the Peninsula	2/14/2023 7:58 PM
34	Bocce Courts	2/14/2023 7:57 PM
35	Walking trails to connect all parts of the city!	2/14/2023 7:21 PM
36	Really need a dog park! I cannot tell you how many neighbors of mine also agree. For kiddos would be so amazing too. I don't think we would ever dream of leaving Tega Cay if these amenities were available.	2/14/2023 6:16 PM
37	Basketball courts.	2/14/2023 5:49 PM
38	Why to get rid of the small gym to sell beer for a local company that already has an establishment, instead of promoting healthy living we are doing the opposite.	2/14/2023 5:09 PM
39	Sand Volleyball Courts Bocce Ball Courts	2/14/2023 4:58 PM
40	- Improved/renovated batting cages for baseball - More paved running trails through community. Possibly a trail that connects Catawba park to Trailhead - Re-do parking lot at Runde. Having a basketball court in the middle of a busy parking lot is dangerous. Or if not, at least put a fence around the basketball court - Add more parking for Runde- parking on the road for sporting events and food truck rallies is causing issues for residents and patrons. - Runde Park big baseball field- need to build a fence to separate the two fields that comprise the runde big field. I've seen countless times where games being played on big field are disturbed by groups playing on the small T ball field or people gathered around the batting cages. This is especially bad when you have one game about to finish and the other teams for the next game all hanging around in the infield. People everywhere, kids running around, no order, complete chaos. - 2nd Neighborhood pool is needed. During peak summer season the pool gets extremely over crowded. 10 years ago it was fine, but now one pool is not enough. Either that or expand current pool greatly.	2/14/2023 9:36 AM
41	A skate park would be a great addition to Tega Cay	2/13/2023 7:53 PM
42	Splash pad would be amazing Cleaner bathrooms	2/12/2023 5:19 PM
43	There should be proper sidewalks along many more streets. Not least, Molokai Drive and Tana Tea are especially dangerous. There should be proper cycling loops and MTB trails. The present "trails" are disconnected. Using them requires street crossings, etc.	2/11/2023 8:26 PM
44	Bocce.	2/11/2023 1:11 PM
45	Please do not get rid of the tennis courts!!!! I would love more!!! Please add more trails! We would love love love kayak and paddle board storage!!!! Basketball court at trailhead needs attention	2/11/2023 12:42 PM
46	Basketball courts Kayak rental	2/11/2023 12:04 PM
47	Basketball Sport Court, Early Morning Lap Swim Hours and Weekend Lap Swim Hours	2/9/2023 8:44 AM
48	Skate park	2/8/2023 8:35 PM
49	Fishing dock that that can be accessed from Catawba Park Basketball courts at Catawba Park	2/8/2023 8:11 PM
50	Skatepark	2/7/2023 9:33 PM
51	Golf cart/walking path to Stonecrest area from Beach Club trail	2/7/2023 8:46 PM
52	Open space fields that aren't programmed for sports so parents can play catch with their kids or groups can get together for spontaneous unstructured sports. Outdoor basketball courts would be good for older kids too.	2/7/2023 11:45 AM
53	Walking trails are nice but keep the natural feel. Keep as many trees as possible.	2/7/2023 9:46 AM
54	SPLASH PAD!!! Our last community had several and they were always packed in the summer.	2/6/2023 9:54 PM

City of Tega Cay Parks & Recreation Survey 2023

It was an incredible resource and we'd love to have that here. Please ensure plenty of shade / cover for parents/babies/grandparents etc and restrooms nearby.

55	Gaga ball pits	2/6/2023 8:41 PM
56	Would LOVE to see a splash pad! Also more shade at the current playgrounds would be a big improvement. And most importantly water fountains at Catawba park. What in the world were they thinking to not include a source of water?! The temperatures here reach near or over 100 degrees in the summer. Children are running and playing sports and there are no water fountains. That is a dangerous oversight.	2/6/2023 10:30 AM
57	Skate Park	2/6/2023 7:59 AM
58	Rubber running track	2/6/2023 1:44 AM
59	Skatepark. We need a skatepark. Could be something simple (reference Rob dyrdeks safe spot skate spot parks) or we could go all out like Mooresville did.	2/5/2023 10:44 PM
60	We would go to the Splash Pod, but during the hot summer temperatures I would have some doubts about its safety. I am concerned about brain eating amoeba Naegleria fowleri .	2/5/2023 9:57 PM
61	We would definitely take advantage of a hardscaped, skate park or any location that added skate friendly features.	2/5/2023 9:19 PM
62	More launch areas for kayaks/paddle boards More greenway trails Soccer fields	2/5/2023 12:17 PM
63	Additional pickleball courts would enhance Tega Cays reputation as a great place to live. Pickleball is the fastest growing sport in the country. Our current courts are often over capacity with several people unable to play. The two adjacent tennis courts are almost always empty unless some kids are riding their bikes on the courts. Utilizing those often unused courts would be the least expensive way to add additional pickleball courts since the foundation is already in place. Over a typical week literally hundreds of residents would benefit from additional courts.	2/5/2023 12:16 PM
64	Outdoor/indoor volleyball court that can be used for other sports as well such as racquetball, badminton, throwball, etc. Volleyball court would be really great as there are quite many interested players looking for one .	2/4/2023 11:52 PM
65	Again ,we are left we 2 public Tennis Courts to serve folks in Tega Cay . Courts were promise as part of the original Catawba park , but never were built.... 50% of our public Tennis courts were converted to Pickle Ball Courts. And the lower courts are frequently used by a few guys teaching classes. Seems like a no no on public courts. So many afternoons there is only one court!!!!!!!!!!!!	2/4/2023 8:39 PM
66	More sand volleyball nets	2/4/2023 5:17 PM
67	We need a great splash park	2/4/2023 1:56 PM
68	More outdoor basketball courts with 8-9 foot rims. Gaga ball pits. More parks with swings.	2/4/2023 12:03 PM
69	Additional pickleball courts are probably justified due based on the demand on the new courts. A second croquet lawn should be considered in long range planning.	2/4/2023 11:27 AM
70	Gagaball at Catawba	2/4/2023 10:19 AM
71	A kayak storage and launch point near The Beach and Swim Center Park	2/4/2023 9:19 AM
72	Gaga Pit	2/4/2023 7:20 AM
73	Skate park!!!! My whole neighborhood is full of really good kids who love to sKate with nowhere to go. I was a skater and hate they don't have a spot!	2/4/2023 1:33 AM
74	Playground closer to Lake Forest/Cove Pt/Rocky Pt	2/3/2023 9:23 PM
75	The Pickleball courts are usually full and I never see the tennis courts being used. It would be nice to have additional Pickleball courts.	2/3/2023 7:02 PM
76	Indoor tennis facility	2/3/2023 6:54 PM
77	Skateboarding park	2/3/2023 6:01 PM

79	Skateboard park	2/3/2023 4:06 PM
80	Skate Park	2/3/2023 3:52 PM
81	We desperately need a dog park in Tega Cay , preferably on the peninsula where there are so many trees .	2/3/2023 3:11 PM
82	Clay Tennis Courts needed. Interior tennis / pickleball courts would also be a plus here.	2/3/2023 2:56 PM
83	All of the above ideas are great!!!	2/3/2023 2:30 PM
84	Additional Croquet Courts	2/3/2023 1:47 PM
85	The city has taken tennis courts and turn them into pickle ball courts. I'm fine with that if you would simply add more tennis courts! I play tennis two or three times a week, mostly at the Tega Cay Tennis Club. Those courts desperately need help also. Simply put, we need more courts with good lighting as the city has talked about for many years. The population has exploded in Tega Cay, and there are many young tennis players coming up. We need many more tennis courts. If rock Hill can do it, we certainly can!	2/3/2023 11:48 AM
86	I would like for Tega Cay to clean up "Old Tega Cay". They need new street signs, better roads, and to stop letting car places, tire places, oil change places open businesses. Clean up the little strip malls at the entrance of Tega Cay, if there is even money left over after everything spent on Catawba Park. Sidewalks are cracked...street signs look 30+ years old, and let some fun businesses open up in Old Tega Cay. I would prefer that over any new parks.	2/3/2023 11:27 AM
87	Bocce court	2/3/2023 11:14 AM
88	Skate park	2/3/2023 10:01 AM
89	The basketball courts need a good facelift.	2/3/2023 9:17 AM
90	Fishing piers	2/3/2023 8:40 AM
91	Recreational mixed use park that would allow the use of bicycles, scooters, skateboards etc....	2/3/2023 8:28 AM
92	Additional tennis courts for members are needed. Clay or hybrid courts would be great. Better lighting on member courts is needed. Resurfacing is needed on member courts - especially 1 and 2 - and so they aren't so slick when it rains/mists. Very dangerous even if it mists. Makes them completely unplayable. Whereas courts 3 & 4 don't get nearly as slick. I took a huge fall on Court 1 with barely any rain Bc the court is unusually slippery. It's like ice after just a tiny bit of rain. Would be nice to have covered benches between courts to get relief from sun and put stuff.	2/3/2023 7:49 AM
93	Skateboard park	2/2/2023 11:12 PM
94	Gaga ball at Catawba park Batting cages at Catawba park Next phase to Catawba park	2/2/2023 11:09 PM
95	Skateboard park	2/2/2023 11:04 PM
96	Skatepark. Truly think ,that we have so many traditional parks and playgrounds, but no place for action sports participants.	2/2/2023 9:51 PM
97	A Place for skateboarding!	2/2/2023 9:50 PM
98	It would be nice if there were some adult courts at Catawba park like tennis and pickle ball. The current pickle ball courts are very crowded.	2/2/2023 9:48 PM
99	Now that the Gold Hill branch of the YMCA has closed, the Baxter YMCA is frequently crowded. It would be great to have a new full service Tega Cay YMCA with indoor tracks, pools, saunas, etc..	2/2/2023 7:57 PM
100	A pay per use or subscription funded Dog Park would be excellent! Monitor and implement steep fines like the at Windjammer for violations.	2/2/2023 7:10 PM
101	We have not utilized the existing pickleball (Wuertle) as much as we would have liked because they are always so busy.	2/2/2023 6:23 PM
102	I find it odd that questions 6 and 7 mention usage of the private croquet courts but not usage of the private tennis courts. Tega Cay Tennis club is in dire need of new tennis courts to serve	2/2/2023 4:39 PM

	the growing membership.	
103	We need a dog park!!!	2/2/2023 3:52 PM

106	I think a splash pad for this area would be WONDERFUL	2/2/2023 3:15 PM
107	Skate park	2/2/2023 2:45 PM
108	Expansion of the paved trail system would be most utilized and would provide much needed additional safety for pedestrians. Power line cutouts provide a great foundation/avenue to expand the trail system to other areas and neighborhoods (Lake Ridge / Catawba park / Damn). Sidewalk down windjammer!!!	2/2/2023 2:31 PM
109	Bball court Skatepark	2/2/2023 1:56 PM

113	Basketball Courts PLEASE!	2/2/2023 12:34 PM
114	Swim Center needs dedicated lap swim times and lanes	2/2/2023 12:16 PM
115	Skateboard park for the teens the enjoy skateboarding. I'd prefer a safe place for them other than the clubhouse parking lot	2/2/2023 12:08 PM
116	At the parks, I have found that the restroom facilities are what is really needing attention. Also, the water fountains have slow steam, making it hard to get clean water. A water bottle refilling station /fountain station combo would be best for use by all.	2/2/2023 11:28 AM
117	SKATE PARK	2/2/2023 11:27 AM
118	There are only two tennis courts that don't require a fee. The pickleball courts have taken over the regular courts so waiting times in the spring/ summer (even in the early morning hours on weekdays) can be quite long.	2/2/2023 10:52 AM
119	We would love to see a skate park added for the kids (and adults) who enjoy skating. My kids are smaller and are just starting to really get into it but I have no where close to bring them to learn.	2/2/2023 10:48 AM
120	need access to the beach in beach club. it is unsafe to have to climb or jump off the broken side walk approx. 2 foot drop. seniors want to use the beach also.	2/2/2023 10:28 AM
121	Indoor recreation facility that includes basketball, volleyball and racquetball. Additional outdoor basketball Better kid focussed pool amenities. Our pool is not kid focussed.	2/2/2023 10:28 AM
122	Would really appreciate using the new Catawba Park prior to 7am.	2/2/2023 10:15 AM
123	Would like a paved path for pedestrians and golf carts that connects the Lake Ridge Manors, Lake Ridge, Baxter to one another and provides better access to Catawba park, next to New Grey Rock road. Need to connect all of Tega Cay	2/2/2023 10:12 AM
124	Dog park :-)	2/2/2023 10:08 AM
125	Wuertle park/courts, could be resurfaced, with additional PBALL courts added. Pickleball is being attempted on the existing tennis courts, as overflow.	2/2/2023 9:59 AM
126	Skate park	2/2/2023 9:56 AM
127	I have a vision for a potential addition to Tega Cay parks. I lived in Colorado for 20 years and there are multiple locations for what are called "inclines". These parks attract lots of visitors and offer a great way for the community to join together in invigorating exercise. We could add an "incline" starting at the open space off Tega Cay Blvd in-between White Bluff and Trailridge. It seems like enough space to add a parking lot for the base of the incline. The "incline" trail could then travel adjacent to the current path to Lookout Park (we call it heart attack hill). Here	2/2/2023 9:53 AM

City of Tega Cay Parks & Recreation Survey 2023

are some links to the parks in Colorado for a visual of the incline opportunity.

128	Deer sanctuary!!	2/2/2023 9:38 AM
129	I would love kayak storage at the beach club. Would probably rent as much of it as allowable and probably get more use of my kayaks and paddleboards.	2/2/2023 9:38 AM
130	We need better access between on and off peninsula. Lake Ridge has a cart path system, and so does the peninsula. The path system needs to be built up so people and kids can take their golf carts or ride bikes to parks, with avoiding streets. This should be part of the plans, for any new development.	2/2/2023 9:36 AM
131	Think you've probably heard enough from me. If younger, would absolutely enjoy many more of the parks/facilities available.	2/2/2023 9:34 AM
132	With many coming from outside our community to use our amenities we need more resident only hours and facilities. Especially Pickleball courts. This is the fastest growing sport and there are not many options of play, so people are driving in to our area. I'd like to see more courts put in place, ans well as, more resident only facilities and hours. We pay the taxes here, we chose to live here for these amenities, we should have the first option to use.	2/2/2023 9:30 AM
133	Professional Bocce Ball Courts, with lights for evening play. Kayak and canoe rentals More kayak "put-in" locations, and easier "put-in" access at the beach Club. Outdoor fireplaces Skate board park Shaded picnic areas	2/2/2023 9:25 AM
134	Gaga ball	2/2/2023 9:06 AM
135	Better maintained basketball courts	2/2/2023 9:01 AM
136	Please use land with older people in mind. The Beach club pool is operated around the needs of young families. Id like to get up and swim laps BEFORE 10 am. I would use the pool from May through at least October if it was open. Cameron Creek is open until October. The beach club pool was better last year than it had been, but there are a lot of people my age who would join if the hours and dates met their needs.	2/2/2023 8:59 AM
137	my son would love a skateboard park Additional basketball courts	2/2/2023 8:31 AM
138	I think putting some sort of skate/bmx park at Catawba would be a good addition. I also think the playground should be larger for a park that size.	2/2/2023 8:18 AM
139	An additional pool/swim club is needed for the penninsula, the beach and swim center is small for the number of residents on the penninsula.	2/2/2023 8:15 AM
140	Good basketball courts. We would use them weekly.	2/2/2023 8:06 AM
141	Basketball, basketball, basketball! The Runde courts, especially the surface have been horrible for years. The Trailhead court still hasn't been fixed after the tree fell, and it was incredibly dangerous how quickly the surface ended under the hoop...sprained ankle waiting to happen. Needs another few feet of concrete added. We don't have a single legitimate basketball court in our city.	2/2/2023 7:41 AM
142	Volleyball court (beach/swim club sand court is not very well maintained)	2/2/2023 7:23 AM
143	Skate park	2/2/2023 6:54 AM
144	The city needs more fitness amenities like pull-up bars or benches for various exercises. There is also more opportunity for dirt hiking/mountain bike trails near beach/swim center and the elementary school. Rustic tent camping sites.	2/2/2023 6:26 AM
145	Indoor or out door skate park Indoor rec center	2/1/2023 11:58 PM

151	More walking trails.	2/1/2023 10:17 PM
152	Additional walking trails, separate from vehicular roadway. More connectivity to the great amenities we already have in place.	2/1/2023 10:10 PM
153	Kids gaga ball court. PLEASE put a safer crossing area for Catawba. There are VERY fast cars that do not go the speed limit and small kids excited to use that park that need to be kept safe. Maybe speed bumps. Public garden area (herbs, fruits) near Catawba.	2/1/2023 10:05 PM

159	We would LOVE a dog park. There are none close by.	2/1/2023 9:26 PM
160	Indoor basketball	2/1/2023 9:15 PM
161	diving board at Windjammer Park. Teenagers routinely jump off neighboring docks or tree swings; diving board would give them a better alternative.	2/1/2023 9:14 PM

163	I am surprised we don't have a nice civic center. Indoor pool with a slide and lazy river, indoor racquetball/handball court, indoor fitness center, indoor rooms to do spinning/yoga, indoor basketball/volleyball courts, do summer camps, connected to Catawba to share parking. Have community events (arts and crafts, wedding receptions, etc). I am surprised we don't have a place to play cricket. Need to do a better job in having tournaments for pickleball, golf, soccer, baseball, lacrosse...	2/1/2023 9:08 PM

177	Neat the far end of Molokai at the bottom of a common driveway is a point on the lake and the property is owned by the city. That driveway is not private per the records. There is a pump station down there as well. Susan Britt with the city knows more about it you want to reach out to her. Since it is not private and city owned, residents can can down there and launch a kayak or fish if they chose . However that property is not kept up at all by the city and it's kind of awkward to launch a kayak because of the way the rocks are. It would nice for the city to make that area a little nicer and make an area that would be easier to launch a kayak for the residents. A picnic table of something would be a nice addition. It's a beautiful spot on the lake and it's a shame the city has not done anything with it other than maintain the pump house.	2/1/2023 8:11 PM

City of Tega Cay Parks & Recreation Survey 2023

1142 Molokai is about where the property is. It's would be a nice gesture to residents in the old section since it seems like all the money goes to the newer parts of the city.

178	Of all of these options I think kayak storage and splash pad would be the most utilized by our family. More than anything though, we NEED sidewalks on Marquesas. It would connect our community so much. Children don't have a safe way to walk or bike to the parks in our area.	2/1/2023 8:10 PM
179	Volleyball at Catawba park	2/1/2023 8:05 PM
180	Track for runners and basketball. Also the bathroom at trailhead is in dire need of renovation. It's horrifying.	2/1/2023 8:03 PM
181	The pickleball courts are always super crowded and it is hard to get to play. We need more pickleball courts for sure.	2/1/2023 8:02 PM

193	It's clear we need more pickle ball courts. The rest sounds really fun though!	2/1/2023 7:12 PM
194	More walking trails.	2/1/2023 7:10 PM
195	Increase the size of the pool. While a splash pad is fun it is for little children and they already have a whole baby pool and the shallow part of the bigger pool. Depending on where it's built it could also attract outside people and cause a crowd.	2/1/2023 7:02 PM
196	Indoor basketball courts	2/1/2023 6:57 PM
197	Be nice if there was an area for storage of campers/RV/boats	2/1/2023 6:51 PM

201	Racquetball court	2/1/2023 6:48 PM
202	Senior center would be a great asset for the city	2/1/2023 6:41 PM
203	Would love shuffleboard- both the outdoor kind and the table kind If it could be in an indoor/ outdoor games facility it would be incredible There are lots of places in south end now have rather types of games. Would love one in TC that is only for recreation, not for drinking.	2/1/2023 6:39 PM
204	Good quality, well lit Bocci courts with landscaping and benches. Kayak, paddle board, canoe and small boat rental. Fishing pier. Attractive 18 hole disc golf	2/1/2023 6:38 PM

224	Really not interested in additional services here. More interested in keeping taxes down and slowing additional development. This used to be a nice place to live. Looking forward to retiring elsewhere.	2/1/2023 5:41 PM
225	Please build some slides at the beach club pool. See my comment above. This would attract so many new members to the pool. It is so boring there now without slides into the pool. Please build more tennis courts so we can have a real program where we play against other clubs. If you need some help running the program, I'm happy to assist when I'm available. I just want TC to have a facility we can be proud of and compete against other communities. It's a shame we don't have a real tennis facility in this "recreational community." The 4 courts located near the golf course are not sufficient at all. We need at least 8 courts to have a facility.	2/1/2023 5:40 PM
226	It would be great to get more Pickleball Courts	2/1/2023 5:38 PM
227	Indoor Basketball Gym	2/1/2023 5:34 PM
228	We would use the baseball and softball fields more if they were open. A scheduled time would be nice to have access to them anytime during the week, for example: 4pm-dusk. We also are in great need of access to the park via a sidewalk. The Manors does not connect to any part of the Lake Ridge neighborhood- we know this issue has been push back to 2024+ but we desperately need a safe way to access the park and other neighborhoods.	2/1/2023 5:33 PM
229	Please please please a dog park! A section of turner field or rinse park right off the trails would be amazing!! I have spoken to many residents about this and they are all supportive. Very little investment required and a big benefit to the community.	2/1/2023 5:26 PM

232	Har-tru or clay tennis courts would be good to have in Tega Cay. Despite being easier to maintain, har-tru courts are also easier on the knees and a better playing surface specially for older tennis players.	2/1/2023 5:23 PM

235	I would be nice to have actual soccer fields with nets year around at one of the parks on the peninsula.	2/1/2023 5:10 PM
236	Better tennis courts please!!!! In a better location! The kayak storage would be awesome!	2/1/2023 5:08 PM
237	Additional basketball court	2/1/2023 5:08 PM

240	Kayak launch and private residents-only beach.	2/1/2023 5:05 PM
241	Basketball courts	2/1/2023 5:05 PM
242	We have asked for a Kayak rack at the lakeside for years. Owners can lock their kayaks, pay a fee, and take responsibility for any liability if their kayak is damaged or stolen.	2/1/2023 5:04 PM
243	PLEASE MORE PICKLEBALL COURTS AND A MAJOR CLEAN UP OF YHE MAINTENANCE AREA LEADING INTO the AREA! It is embarrassing.	2/1/2023 5:02 PM
244	As a resident, I'd like an explanation as to why Catawba Park baseball fields are not open to the public during non-game dates and times? If it's a public park, then not allowing responsible residents with children whom have participated and dedicated their volunteer hours to athletics, I find that unacceptable. The last thing we would want to have occur is something damaging take place to the fields, etc. But when you have children who like to practice and take pride in keeping the field spaces better than they were found, why is it the city finds a need to put locks on the fields? And then to assume that we will rent space for a dad and his kids to go hit grounders, or work on their game, that isn't something I'm ever going to do in order to get an hour of individual work in with my kids who participate and have represented the rec sports in all-stars and more.	2/1/2023 5:00 PM
245	Out of these, a dog park would be a fantastic priority! There are so few safe places for dogs to run.	2/1/2023 5:00 PM
246	Bigger beach (going around the entire windjammer peninsula). Nice basketball court, more things to do at the massive greenway with the disc golf: there is so much space for more stuff (bball, beach, volleyball, pickleball). Would also LOVE to see a transformation of the clubhouse (vibes & food)	2/1/2023 4:58 PM
247	Please add more pickle courts- this game has been huge for our community- some calling the courts "town square!!" We do not have enough courts- the tennis courts sit empty most days/nights. Perfect for 6 more courts. Clean up the area around the courts. It's embarrassing to have visitors see that mess. Bad for property values too. The pool is desperate for new filter or new maintenance company. I am an avid swimmer- next to pickle availability- it was a lead reason in our decision to move here. I'm so saddened/disappointed to find the pool cloudy, filled with hair and bandaids/ disgusting- Tough to see when swimming laps. Someone is bound to get sick. Please improve on the cleanliness and extend open hours into fall.	2/1/2023 4:53 PM
248	We would love to see these items at the Beach and Swim Club. Many of us who purchased townhouses at the Beach Club thought the Beach and Swim Club were part of our HOA fees. It would be nice to add these amenities for community use. Also could we add safety devices in the Tega Cay City Trails? For example, something that would allow us to contact emergency services in case someone passes out or for other safety purposes.	2/1/2023 4:50 PM
249	More Pickleball courts please!	2/1/2023 4:50 PM
250	More walking trails. Also fix the current ones to prevent accidents and falling .	2/1/2023 4:50 PM
251	I understand how amazing Catawba Park is and how much money and planning went into it. It would be great if there was a way to connect all Tega Cay residents to that park. A Golf Cart path, or a road would be great. (Not Dam/ NGR) I also would love to see Tega Cay provide a big indoor facility. This would allow all the programs to continue even with poor weather. Can we put a giant roof over the Turner Field? Thank you to all involved in making this such a wonderful place to live!	2/1/2023 4:49 PM

52	The Christmas Tree lighting was so disappointing this year for the kids - I think "Tega Cay" is so big now that it's just impossible to hold these events in our historic area (disappointing since I live here) - there was nowhere to park at the Xmas Tree lighting, we just had to turn around and go home after waiting quite a while in a car line. So I think events that are advertised to the many thousands of residents will have to be held at places that can handle that amount of people.	2/1/2023 7:12 PM

12	We attended one to see what it was like but chose to not go back to another one. The type of music wasn't for us (young 30s with no kids yet) and it was incredibly hot with it being summer and no shaded areas for people to sit under.	2/15/2023 8:57 AM
13	Way too busy and crowded. It's unclean and waiting for food took too long. Seems to be too much of a large alcohol drinking party.	2/15/2023 6:36 AM

72	Nope stopped going to concert series because I don't want to wait on a shuttle. You can't park your car at Runde anymore. Unless you have a golf cart you are shit out of luck these days. No parking at the Christmas tree lighting either. That sucked. We had to walk back to the tennis courts which the lights were off. We walked in the dark to the damn courts. 87	Fewer due to covid and overcrowding	2/2/2023 10:28 AM
88	Busy on the days they were this year but would love to go	2/2/2023 10:20 AM
89	I hear parking is a nightmare and it's not my kind of music	2/2/2023 9:56 AM
90	Don't know about them in advance	2/2/2023 9:39 AM
91	Scheduling conflicts and not interested in crowded events.	2/2/2023 9:37 AM
92	We lived off peninsula, it was a pain to attend the concert. Now with it being at Catawba park we'll attend more.	2/2/2023 9:36 AM
93	Not intersted.	2/2/2023 9:32 AM
94	I just moved here in September. I would definitely attend the summer concerts.	2/2/2023 9:32 AM
95	I have only been living here for a few months, and visited my family for the last year several years.	2/2/2023 9:25 AM
96	Busy relocating to Tega Cay	2/2/2023 9:06 AM
97	Need more/better way to get there. Shuttles, less traffic.	2/2/2023 8:59 AM
98	Not my thing.	2/2/2023 8:56 AM
99	Too crowded,parking and leaving too much time	2/2/2023 8:52 AM
100	Please keep at least a couple on the peninsula at Runde!	2/2/2023 8:52 AM
101	Too much of a hassle to get there if you don't live on the peninsula. We need a sidewalk on Gardendale that would help connect Lakeridge to Tega Cay—especially with the upcoming city center project on Dam Road. Those not residing on the peninsula contribute a great deal of tax revenue but often do not feel a part of Tega Cay.	2/2/2023 8:32 AM
102	I have heard that the concerts will be moved to Catawba park, which is disappointing. I most likely will not attend as many as I did last year since the park is so far away. We used to ride our bikes to the concerts which was a fun family adventure.	2/2/2023 8:18 AM
103	no concerts yet.	2/2/2023 7:56 AM

## City of Tega Cay Parks &amp; Recreation Survey 2023

110	Too crowded. Miss the smaller, local feel.	2/1/2023 10:38 PM
111	Too much emphasis on alcohol. Too loud.	2/1/2023 10:30 PM
112	Covid high risk, traffic	2/1/2023 10:26 PM
113	Too many people, last time we went we broke up a confrontation between teens. Too hard to bring chairs etc and not relaxing. Based on the times we went I would rate them as below.	2/1/2023 10:17 PM
114	I can hear them from my house	2/1/2023 10:10 PM

133	Not something that interests us.	2/1/2023 7:25 PM
134	Crowds	2/1/2023 7:15 PM
135	I love the concerts at Runde. But I imagine these too will have to move to Catawba Park to accomodate a larger audience, same comment as above re: thousands of people. Inevitable. But I do hope some smaller events are still to be held on the peninsula.	2/1/2023 7:12 PM
136	Just moved here in August 2022	2/1/2023 6:52 PM
137	Kind of dread the parking situation to be honest. I'm in Lake Ridge so walking isn't an option - BUT if concerts will be at Catawba park we could walk there and would probably attend more.	2/1/2023 6:50 PM
138	We've been out of town for many of them. We don't plan around them so timing just hasn't been right for us.	2/1/2023 6:46 PM
139	Kids too young	2/1/2023 6:42 PM
140	Crowds	2/1/2023 6:41 PM
141	Toddler with early bedtime Also don't have a golf cart yet- I heard parking can be tough	2/1/2023 6:39 PM
142	Parking, music choice. We are glad that young families have this, but it has limited appeal to us. Perhaps we will go when grandchildren visit.	2/1/2023 6:38 PM
143	Haven't lived here long enough	2/1/2023 6:32 PM

City of Tega Cay Parks & Recreation Survey 2023

144	We miss going to the concerts in the park but haven't been in a few years due to parking and crowds. It would be great if it were free to residents and charge for non-residents. The city could make a little extra money for the parks and recreation department that way.	2/1/2023 6:28 PM
145	I'm not a fan of concerts.	2/1/2023 6:26 PM
146	Not that interested	2/1/2023 6:16 PM

148	I have a young child, making concerts challenging to attend	2/1/2023 5:58 PM

158	Other issues	2/1/2023 5:30 PM
159	Will not if moved to Catawba park. No safe golf cart trail	2/1/2023 5:27 PM
160	Generally not the bands I would go see - the exception being DeCarlo, just hasn't worked out in terms of dates. There are a lot of good local bands I would go see such as Time Sawyer, The Caroline Keller Band, Etc. The best lineups I've seen locally are many of the bands that play Ann Springs Greenway.	2/1/2023 5:27 PM
161	Not our vibe	2/1/2023 5:25 PM

179	We attended 1 concert but it was too crowded and it said NO BYOB and practically everyone there had a cooler. No enforcement to the rules. The parents set a bad example for their children.	2/1/2023 4:24 PM
180	I HATE taking a shuttle to an event when there is no parking available. I won't attend something that requires I ride on a shuttle since I can't just come and go when I want to.	2/1/2023 4:19 PM

1	Overall good.	4/25/2023 6:55 PM
2	WTHH are the orange crossing flags on Windjammer. Install the crossing light system.	3/22/2023 7:22 PM
3	Parking is inadequate or non-existent at some parks- it's very dangerous to walk or cycle to them due to an absence of sidewalks in the Peninsula. Many more families would use facilities if they were able to safely walk or ride there.	3/21/2023 3:07 PM

4	More asphalt trails serves a WIDE GROUP OF RESIDENTS.	3/21/2023 11:56 AM
5	Two things: One, I feel the Tega Cay P&R department is excellent. The offer far more than I have previously seen anywhere. Two, I expect with activities like the concert series moving to Catawba Park, I expect Parking to be much less of an issue than when they were held at Runde. That should make it better for all (except those who could walk to Runde). All in all, thank you for everything that you do for us!!!	3/21/2023 10:30 AM
6	Thanks for all you do and the beautiful facilities we have!!	3/16/2023 11:23 AM
7	I would like to take the opportunity to thank the city employees who work so hard to keep our community looking clean & beautiful. I walk many miles on the trails and see them working very hard to maintain our community. Keeping the trails clear, trees planted, mulching, etc. They work hard and deserve a lot of thanks for the job they do!	3/14/2023 5:24 PM
8	The city is doing a great job! We are lucky to have such a nice place to live and raise our families.	3/13/2023 8:44 PM
9	Dog park please	3/13/2023 8:06 PM
10	Kayak co-op! More nature areas. Ways to travel between neighborhoods without relying on main roads. Biking trail to Catawba Park.	3/13/2023 7:36 PM
11	There's a lot of upset people about how Catawba park is being made available to Tega cay residents. We love the concerts. Seeing u-phonik each summer is a treat.	3/13/2023 12:48 PM
12	More summer family night activities at Runde - movie in the park, camping in the park, kid concerts in the park.	3/13/2023 12:39 PM
13	None	3/8/2023 4:37 PM
14	Basketball, basketball, basketball	3/5/2023 1:14 PM
15	Many people don't know where the various parks are and what they offer. Same goes for available programming. Brochures that could be mailed to residents or sent via email options such as Rewind would be great. Could also supply local realtors with a stack that they could give to new homeowners. Get the word out as to how great Tega Cay is!	3/1/2023 7:29 AM
16	build an indoor facility	2/28/2023 10:32 AM
17	More parking.	2/28/2023 10:19 AM
18	Thank you for all the work you're doing to improve Tega Cay's Parks and Recreation facilities.	2/26/2023 7:49 PM
19	Great job and thank you for continuing to strive to be better!	2/26/2023 4:40 PM
20	Thank you for the services and opportunities you provide. Tega Cay Parks & Rec has opportunities to better serve teenagers and senior population. Teens would benefit from a skate park and/or parks with skateable features. I (age 52) would love it too. Please see the proposal that the Tega Cay teens presented to city council in 2021 for related information! We need better connectivity between neighborhoods, schools, parks, and commercial areas, including making them more accessible and conducive to walkers/bikers/rollers/carters. TCPR has opportunities to add pocket opportunities for fitness, activity, community, and fun in public places (e.g., skateable features in all public parks; basketball hoops in the Catawba Park parking lot. And of course we need water fountains and refill stations at least in the public parks by the restrooms for the health and comfort of our residents (and perhaps our canines). Several parents have told me of their desire for a fence around the Catawba Park playground next to the driveway - for additional "peace of mind" for parents.	2/26/2023 11:11 AM
21	Knowing who and where to communicate with in the city. Better communication and transparency. Better parking options. More covered picnic table options.	2/22/2023 11:17 AM
22	To comment on number 1, I've personally worked to clean the beach at Lookout Park and yet every time I go back I seem to find more glass, bottles, and other trash. To comment on number 2, I've walked alongside many creeks around Tega Cay and I think it could be worthwhile to add additional trails along those creeks. For example, the creek exiting into the lake near lookout park could be a good opportunity. That creek leads to the bottom of Chestnut Hill and could be an interesting, short walk for residents.	2/20/2023 9:38 PM

25	I am really unhappy with being affiliated with the new soccer league. This is the first time in their lives I did not sign my children up for soccer.	2/17/2023 1:42 PM
26	We loved going to the Food Truck rallies but my husband just cannot walk far and there are no handicap spots. We've gone every summer until this parking change.	2/15/2023 12:27 PM
27	We love and have advocated for Catawba Park, but hopefully we can still do at least one concert a year at Runde. I hope we can keep Tega Cay connected and golf cart and bike/pedestrian friendly, including expanded areas, which admittedly gets more difficult as development takes place off the peninsula toward Catawba Park.	2/15/2023 12:01 PM
28	I am very appreciative of all everyone does to make Tega Cay such an incredible place to live!	2/14/2023 11:50 PM
29	4. Add cart path to Catawba park to make it accessible to residents.	2/14/2023 11:29 PM
30	Thanks for all you do. I'm grateful for the many varieties of parks, programs and all the hard work that goes into maintaining them. It truly separates TC from every other community... Finally, one last idea would be posting some outdoor directories highlighting all the different trails & smaller pocket parks to showcase all that TC parks has to offer.	2/14/2023 11:03 PM
31	parks and rec does an excellent job with what they are working with. however, with the new influx of residents and seems its not going to end soon, think we need more diverse activities thank you	2/14/2023 10:03 PM
32	Don't move all activities to Catawba. We live in historic for a reason.	2/14/2023 9:43 PM
33	Update beach at beach club near pool.	2/14/2023 9:07 PM
34	I've witnessed on multiple occasions parents letting boys pee AT the playground. My daughters in plain sight. The bathrooms are not clean. This might have something to do with it and it might not.	2/14/2023 6:47 PM
35	We love the parks and Rec crew!	2/14/2023 6:16 PM
36	I understand you are doing everything you can and you are appreciated. You asked for suggestions and pain points, do not get discouraged because we know you are doing the best you can.	2/14/2023 5:09 PM
37	We really need a dog park.	2/14/2023 12:19 PM
38	Updating the Disc Golf course to include launch pads at each tee box and maybe adding a few more holes if possible would be a great benefit to an already great course.	2/13/2023 7:53 PM
39	Might consider requiring golf paths to be open for recreational walkers on days when golfing is canceled through rain, snow, etc	2/11/2023 8:26 PM
40	I would support additional pool fees to include lifeguards.	2/11/2023 12:42 PM
41	Windjammer parking - non resident parking issues, cleanliness (litter, trash, restrooms). Pitcairn Boat Ramp - persons floating on rafts etc., teens sitting on dock / swimming - blocking access to dock and ramp making it difficult to launch a trailered boat other than a personal watercraft (jet skis, kayak)	2/9/2023 8:44 AM
42	We really need a youth basketball program. Limit it to tega cay elementary residents. I also am devastated that fireworks are being moved to catawba. There isn't enough parking and no one can walk there.	2/9/2023 8:05 AM
43	No guns or other weapons in the parks and at city events!	2/8/2023 8:35 PM
44	- Catawba Park is amazing but needs better safety - nets to protect from foul balls - batting cages should be out front, close to the pavilion so people waiting can be over in the park. Anywhere else is going to create an unnecessary bottleneck - The concession stand at Catawba should have an observation deck for video, pictures and monitoring. The top has cameras but doesn't go high enough - You should be able to get anywhere in Tega Cay using a golf cart but the trails are inadequate. I live in Manners at Lake Ridge and cannot even get to the pool in Lake Ridge, Catawba Park or even Baxter	2/8/2023 8:11 PM

45	I take part blame, we continue to add without enough focus maintaining what we have!	2/8/2023 10:30 AM
46	You guys do a great job overall.... We need, less deer (I will never plant anything just to be deer food - my 30 year old Azaleas are destroyed - this year), PROTECT OVERGROWTH of the city and the surrounding cities. Fort Mill needs to be held accountable for their unbridled growth. Infrastructure is held unaccountable.. look at the high occupancy development near Lake Wylie by the Buster Boyd Bridge. TC Parks and Rec are a victim of Ft Mill and those surrounding them. Think bigger picture. #Deer	2/7/2023 11:36 PM
47	Many of us moved to old Tega Cay for the activities and events. I understand why Catawba Park was created and why events & sports are being held there. But, many of us miss where events were held and want to avoid dealing with Catawba Parks traffic and horrible parking options. We attend fewer activities and events around town because of that. There has to be a way to share events with the new park and the old areas.	2/7/2023 11:16 AM
48	Thank you, we love where we live!!!	2/6/2023 9:54 PM
49	I was disappointed to hear about so many of our events moving to Catawba park (4th of July, summer concerts). We live at the end of the peninsula near Runde. Traveling to Catawba park for these activities in our golf cart is not possible. We will not be able to attend these activities now. The increased traffic and lack of parking at Catawba park will make these events very inconvenient for us to attend.	2/6/2023 10:30 AM
50	As LakeRidge resident, I'd like to see better connectivity through sidewalks or unpaved trails to be able to bike safely with my family.	2/6/2023 8:31 AM
51	We need a skate park!! Offerings for TC only!! Too many kids from other areas that can join their own programs	2/6/2023 7:59 AM
52	Maybe a golf summer camp for teens	2/6/2023 1:44 AM
53	So many trees are cutting now for new communities, so sad.	2/5/2023 9:57 PM
54	We need a dog park please!	2/5/2023 9:27 PM
55	I would love to see the existing citizen requests for a skate park (teens have limited places to go and socialize for a rec oriented community, we can't complain they are online too much when they don't get a space as well) and I would like to see water access addressed - the lack of working bottle fill stations at Trailhead and NO stations at Catawba are huge issues especially come summer when heat will be in play.	2/5/2023 9:19 PM
56	This is a well thought out survey. I hope you take advantage of the suggestions offered by our community. Thanks	2/5/2023 12:16 PM
57	I feel overall, Tega Cay does very well at these topics.	2/5/2023 9:20 AM
58	Can you please consider adding a dotted center line to the main walking trail? People don't understand that there is a left and right side and they need to stay on their side. It would be helpful to add an unobtrusive line down the middle to indicate sides. Something like a 12" thin line every 10 ft. just to be a guide, and maybe some signs saying 'keep right unless passing'. This would increase safety and ease of use drastically. Thanks for considering!	2/4/2023 2:24 PM
59	Surprised that there is no mention of the Living Memorial Gardens in this survey. May not be in scope of Parks and Recs authority, but would like to see a Columbury planned for Tega Cay.	2/4/2023 11:27 AM
60	More sidewalks or walking paths are needed in the annexed section of tega cay (dam road/ardendale)	2/4/2023 10:31 AM
61	More for new tega cay. Catawba is a nice facility. But more small things. Pickleball. Trails. Connectors.	2/4/2023 10:19 AM
62	Thank you for implementing this survey. As a long time resident, parks and recreation opportunities are among the top reasons we chose to live here, and still choose to remain.	2/4/2023 9:25 AM
63	Overall, The Parks and Recreation does an outstanding job.	2/4/2023 9:19 AM
64	I appreciate the city reaching out to the residents to serve them in this matter. Thank you. Also, pickle ball is obviously exploding all across the nation and I really appreciate the city building the 6 courts but we are still very short on courts and could use more.	2/4/2023 8:55 AM

68	The pools has been a disaster ever since I have lived here - it is absolutely unkept with large clumps of hair in the water and the staff seems very uneducated on how to care for the pool or are unsupervised in getting their jobs done. The pool also closes too soon in the season - is the City listening to what the community wants? It does not appear so. Previously we were told that you did not have life guards and that you only purchased enough chemical for the pool to last through August If the community wants the pool open longer (until October) buy more chemicals and charge us a higher member fee. Other pool communities find ways to allow people to use the pool without having to incur the cost for having an attendant at the front gate - please listen to the community - Get the pool cleanliness right so you are not at risk of getting someone sick - Keep the pool open until October - Start listening to what the community and respond to our needs in a timely fashion	2/3/2023 7:31 PM
69	N/A	2/3/2023 6:54 PM
70	More pickleball courts	2/3/2023 5:47 PM
71	-The maintenance area by the lower tennis courts is a complete mess (Walk the train behind it and look). -Please fix the water (human & Dog) fountain on walking path -I really like the tree markers but they need better signage -Much better weed and plant Maintenance around facility road intersections (lots of blind spots from the dirt trail on Point Clear near Triton, Marina & Tega Cay Drive) -Thanks for all the GREAT stuff you have already done for our community!!	2/3/2023 4:38 PM
72	We need to have more parking. No one wants to take the shuttles to the concerts and activities.	2/3/2023 3:11 PM
73	Create Pickle Ball courts	2/3/2023 1:42 PM
74	If P&R is not going to properly maintain, provide adequate access to, or upgrade Linereaux Turner trail, please take the sign, benches, and what's left of the stairs down and let it go back to being a forest. Right now, it's the make out, build a bonfire, smoke pot capital of TC. (And for a while, where a homeless person slept in a tent).	2/3/2023 1:34 PM
75	Thank you for taking the survey. And, thank you for listening.	2/3/2023 11:48 AM
76	It's really upsetting to see and hear about so many things that we love out living on the TC peninsula, leaving it. I don't understand why we can't have and enjoy both - this would alleviate the overcrowding of the peninsula events as there would/could be options provided at the Catawba venue as well for others closer to that side of town/TC. And would allow for a better variety. I also am not a huge fan of one bar/restaurant pretty much being the sole provider, especially when it is pretty overpriced for family fun/low key, casual functions, such as the pool bar.	2/3/2023 10:56 AM
77	During the summer months, Windjammer is full of glass and trash. There needs to be much stronger oversight of visitors and tega cay resident stickers. Having a teenager oversee the area during the day/weekends is not efficient and they will not enforce the rules for fear of confrontation. Hire adults. Also, I highly support adding a lifeguard to the TC Pool. Although I love the options that Model A provides, serving alcohol without a lifeguard is dangerous and irresponsible. The fees/ cost of membership stayed the same by removing the lifeguard/ pool staff vendor. Bring them back!	2/3/2023 9:17 AM
78	Looking forward to the additional phases to Catawba park and concerts at Catawba park. Golf carts should be allowed for lake ridge for concerts/sports. (Entrance is basically across the street). Splash pad at Catawba park	2/2/2023 11:09 PM
79	More sidewalks would be good. There are very few sidewalks in the older sections of Tega Cay and even in front on Runde park. New sidewalk yet it doesn't connect in front of the park. Idiotic.	2/2/2023 9:48 PM
80	I wish the concession stand at Catawba Park took cash and offered quick food options, like hot dogs, chips, etc. I don't want to spend a ton of money on food at the ballpark. I also want to send money with my kid so he can buy something and not have to have my credit card.	2/2/2023 8:32 PM

82	Not selling passes to our beaches to non residents	2/2/2023 7:28 PM
83	Sell the pool and the lake front property there. Use the proceeds to build another pool up near the club (and maybe we could change the mgmt of the restaurant, know what I mean??? Gross...)	2/2/2023 7:10 PM
84	We were very happy to see that the summer concert series will be split between Runde and Catawba. While Catawba is a nice park, we hope that this indicates the existing facilities on the Peninsula (Runde, Glennon, etc.) will continue to host a fair portion of city events.	2/2/2023 6:23 PM
85	There is a walking trail from Pitcairn back to Point Clear that you can't tell where the path is. There is no path and there are no trail markings.	2/2/2023 5:00 PM
86	I love living in Tega Cay and could not imagine living anywhere else!! Here's to 2023!!	2/2/2023 4:41 PM
87	I would like the city to seriously address the long going problem of a shortage of tennis courts at the Tega Cay Tennis Club.	2/2/2023 4:39 PM
88	Good luck. I am sure this is a painful process going through everyone's opinions.	2/2/2023 4:03 PM
89	we've got to do better w trash & sticker violations at water side parks	2/2/2023 3:52 PM
90	Keeping golf carts off the walking trails would be nice. The speed limit is low enough that they should be on the roads and not where kids, dogs and people walk & ride bikes.	2/2/2023 3:52 PM
91	Tennis facilities at club are very sub par for Tega Cay. So bad we can't even hold usta events here.	2/2/2023 3:48 PM
92	Thank you for serving our community well parks and rec!	2/2/2023 2:45 PM

96	We love Tega Cay. Not a fan of the growth that has taken place but realize you cannot stop growth, but would love to see the original Tega Cay being cared for just as much and keeping our programs and facilities for residents and run in house. It would keep our property values high and keep a prestigious and pride to being a resident with privileges of our only for residents.	2/2/2023 12:21 PM
97	Allow Golf carts at night until a certain time	2/2/2023 12:16 PM
98	Please do NOT allow people to carry firearms to events on city property as has been proposed.	2/2/2023 11:40 AM
99	I think that some events should be for residents only.	2/2/2023 11:28 AM
100	I think someone is going to have to get killed (or maimed) before our WALKING Trails return to being WALKING Trails. I have no problem with young children riding bikes on walking trails. But the adults/teenagers have no right to whip down the paths nearly missing us seniors. Same thing with all of the golf carts,	2/2/2023 11:27 AM

need to remove more tennis opportunities for the rapidly-growing, popular fad.

107	Please keep the concerts at Runde	2/2/2023 10:08 AM
108	Moving here from Illinois 7 years ago we were surprised at the lack of programs offered through Tega Cay Parks and Rec compared to other areas. We had to go through the YMCA for kids programs and additional sports. Would love to see additional offerings for families.	2/2/2023 10:05 AM
109	It would be great if we stopped tearing down woods and trails for more housing when the roads can't handle the people we have. A skate park would be a great addition and help get kids on wheels off the streets with cars	2/2/2023 9:56 AM
110	kayak storage at the beach club would be awesome.	2/2/2023 9:38 AM
111	Interconnectivity, so people can use parks without driving, or going on major roads.	2/2/2023 9:36 AM
112	Keep doing what you're doing. Excellent job!	2/2/2023 9:34 AM
113	As a new resident since September, I'm looking forward to experiencing more Tega Cay has to offer in the Spring and Summer, and expect my views may change as I've only had limited experience so far.	2/2/2023 9:32 AM
114	some concern over level of alcohol at pool, w no lifeguards and tipsy guardians - a recipe for disaster. also pool closing when school starts - wish it could be open a bit longer or at least some weekdays for those not bound by school calendar	2/2/2023 9:32 AM
115	PLEASE keep as many trees as possible! The trees are what makes Tega Cay beautiful and sets it 5 steps up from other "developed" areas! Need more pickle-ball courts-not in maintenance area.	2/2/2023 9:25 AM
116	Thanks for all you do.	2/2/2023 9:01 AM
117	A lot has been done. It is appreciated. Would just like to serve older healthy couples not just young families.	2/2/2023 8:59 AM
118	If you do add pickleball courts make them facing East and West . Sun in the morning is brutal for players.	2/2/2023 8:56 AM
119	Thank you to all the members of this committee and your interest in our input. Catawba Park is a very nice amenity for non peninsula residents. We need a safe way to get there on foot or bike. Pickle ball is one of the fastest growing sports in the country. A new sports park should include courts.	2/2/2023 8:32 AM
120	I think the dog park at Anne Springs Greenway should be emulated on a smaller scale for Tega Cay residents.	2/2/2023 8:30 AM
121	Since there is no lifeguard there is no reason not to allow for expanded hours before school is out. There are enough adults who want to swim laps to justify it. On weekends I would also appreciate leaving the lap lanes for adults in place. Tega Cay is an absolutely amazing place to live. I am so happy I live in this active, friendly, and safe community!	2/2/2023 8:29 AM
122	Access to Wurtle/tennis courts is ridiculous requiring you to drive through the city maintenance area. Create access from Molakai.	2/2/2023 8:07 AM
123	This is a beautiful park. I know that it is not complete, so my hope is they get the short comings in the near future.	2/2/2023 7:56 AM
124	I love living here.	2/2/2023 7:21 AM
125	Should there be a suggestion that concerts be held at the new park in the future then it needs to be alternated and in no way manipulated by money status or position in government.	2/2/2023 6:48 AM
126	The golf course trails should be available for walking/hiking/running in early morning and night hours. I would pay a fee to use.	2/2/2023 6:26 AM
127	Better trash pick up	2/2/2023 1:15 AM
128	Thanks for doing this!	2/1/2023 11:58 PM
129	Additional leagues for adults: Tennis, Pickle-ball, etc.	2/1/2023 11:55 PM
130	Thanks for letting us share our thoughts / opinions! Tega Cay rocks! 😊 Love to live in Tega	2/1/2023 11:46 PM

City of Tega Cay Parks & Recreation Survey 2023

Cay! ❤️

131	Proud of our city and the hard work the crews do to keep our parks nice. Very glad to live here and have so many options.	2/1/2023 11:26 PM
132	Dog park would be AMAZING!	2/1/2023 10:55 PM
133	We have loved living so close to all the amenities provided but it feels like some of the existing larger parks have been neglected. Trailhead was a great improvement. Love the benches along walking path. Wish the other side of Tega Cay Dr had more sidewalks. Catawba is nice but the turf is not pleasant (causes a rash and plastic beads everywhere) and there is no shade.	2/1/2023 10:17 PM
134	There is too much emphasis on organized, programmed space. I am a healthy young adult, but I am not a part of any programs the community offers. I need to pass tennis courts, baseball fields, pickle ball courts, golf courses, basketball courts, and playgrounds before I can get to open, non-programmed space where I can exist as a human with no expectations of what I should be doing (i.e. what natural public parks are for). The only spaces I feel this are the walking trails under the power lines between trailhead park and the beach center, and windjammer. Though at Windjammer, it is not often that I am able to walk down there because of the vehicular traffic making me feel unsafe as a pedestrian.	2/1/2023 10:10 PM
135	We live on Manila Bay and would like to see street lighting (any kind of light!) put in at the "natural area" in the circle. It is exceptionally dark to even see the round about at the end of Manila Bay Lane	2/1/2023 10:06 PM
136	Would love to see a splash pad and more care given to the parks on the peninsula. I've grown up here and some things are in desperate need of some TLC as they've remained the same since I was a child.	2/1/2023 9:53 PM
137	Varying music not the same all the time	2/1/2023 9:48 PM
138	Water fountains	2/1/2023 9:41 PM
139	It is apparent that Tega Cay wants to build and pave every square inch of this area. We need more green spaces, nature preserves and less people!	2/1/2023 9:37 PM
140	Love this city! Keep up the great work! Ski team/show is THE BEST! Parks and rec IS Tega Cay!	2/1/2023 9:37 PM
141	It might be nice to have a free exercise program outside the beach club in the spring/summer. Maybe a senior class???	2/1/2023 9:35 PM
142	We're all nervous about this merger with Charlotte Independence for soccer. Hopefully there aren't too many growing pains. My kids loved your soccer programs.	2/1/2023 9:26 PM
143	Thanks for working toward more parks and rec options for those who no longer have young kids in Rec programs. We like to utilize P&R activities and pay alot for mostly kid focused parks and programs. And big thanks to you all for your work toward a better Parks and Rec experience on the Cay. We appreciate you!	2/1/2023 9:13 PM
144	I think the leagues are ran well. The draft system doesn't work if you allow coaches to hold on to any players. All players need to return to the pool. Also, need different levels and more age groups. The rec league should be a development league. Then there should be another league for girls who are at a higher level than rec but don't want to spend the money for travel.	2/1/2023 9:08 PM
145	Thanks for all your hard work! Tega Cay is an excellent place to live - as we grow it's important we keep a focus on green spaces.	2/1/2023 9:00 PM
146	Would also be nice to have a cafe or snack station somewhere accessible and central, maybe at Runde. A kids' center with books, movie screenings and activities would be most welcome.	2/1/2023 8:58 PM
147	I love living in Tega Cay!	2/1/2023 8:53 PM
148	Please install permanent soccer goals at lookout park	2/1/2023 8:48 PM
149	The town does Fantastic job w all parks and facilities!!! THANK YOU	2/1/2023 8:39 PM
150	We are still exploring about the city. If we could get a year program schedule with the date, time and address to be part of would be great.	2/1/2023 8:38 PM

## City of Tega Cay Parks &amp; Recreation Survey 2023

151	Keep up the good work!	2/1/2023 8:36 PM
152	The pool is much worse than it should be. Update it!!!	2/1/2023 8:32 PM
153	Thank you for improving the neighborhood!	2/1/2023 8:32 PM
154	Please use the walking proximity of events (concerts, food truck events, 4th of July and other events) of the most Tega Cay residents, before moving events to Catawba park which is not in walking distance for the majority of Tega Cay residents.	2/1/2023 8:29 PM
155	Please please please add sidewalks to marquesas Ave. It would make the older section feel like more of a community. Also, please hold at least some concerts at Runde for us still on the peninsula. We love living here and appreciate all the city does to make it great!	2/1/2023 8:10 PM
156	Sidewalk to Catawba Park down NGR from the Manors!	2/1/2023 8:07 PM
157	The tennis facility by Glennon center needs new lights and more courts.	2/1/2023 8:04 PM
158	Y'all are incredible. You are such an asset to our community. Ignore any haters that come through this survey.	2/1/2023 8:03 PM
159	build a skateboard park	2/1/2023 7:55 PM
160	More pickleball courts please!	2/1/2023 7:54 PM
161	DOG PARK!!!	2/1/2023 7:51 PM
162	I had no idea we have so many parks - what purpose do they each serve? Better marketing please	2/1/2023 7:45 PM
163	Great job to all that maintain the Cay. The greatest place we've lived. Very family oriented, clean and has the greatest support services, from the top down.	2/1/2023 7:42 PM
164	Tega cay used to have an excellent youth tennis program that was competitive with major programs in there area. It doesn't have that now.	2/1/2023 7:36 PM
165	Do not loosen gun laws. Lobby with the state to change the law back to allowing towns to "blanket ban" guns in town parks and facilities.	2/1/2023 7:35 PM
166	Please improve lake wylie dam fishing area	2/1/2023 7:34 PM
167	Thanks for asking!	2/1/2023 7:33 PM
168	Whoever built the baseball fields at Catawba has never played or watched baseball in their lives. The worst fence and safety design ever. You can tell a soccer person designed that. 1 more time for the cheap seats. OPEN THE BASEBALL FIELDS.	2/1/2023 7:30 PM
169	We love it here except deer. I wanna enjoy my yard and gardening. Please please do something about them.	2/1/2023 7:16 PM
170	Pickleball pickleball pickleball please	2/1/2023 7:12 PM
171	Thank you!	2/1/2023 7:12 PM
172	Would love to have light pollution reduced so you can enjoy the night sky and nature. Also, a dog park would be ideal for the area.	2/1/2023 7:11 PM
173	Overall, I think the parks and rec department does a great job and it is a big part of what makes Tega Cay so special. I appreciate the survey and think there are some things that could make the experiences even better.	2/1/2023 7:06 PM
174	I am not sure why there weren't many questions about updating what we have vs. adding new things. Yes, people want more pickle ball, but that's something that only benefits the older crowd - it's not something that everyone can use.	2/1/2023 7:02 PM
175	We are in drastic need of more Pickleball courts as the popularity of this sport grows	2/1/2023 6:57 PM
176	I appreciate all the hard work that goes into planning, creating and maintaining our parks & rec so thank you! I also really appreciate that residents are being given the chance to voice their opinions.	2/1/2023 6:50 PM
177	Pickleball is the fastest growing sport in America, and it's definitely growing in Tega Cay. In the	2/1/2023 6:45 PM

City of Tega Cay Parks & Recreation Survey 2023

past, court availability was rarely a problem. Now it's a common problem.

178	All in all, facilities are great in Tega Cay. People may nit-pick, but there is most everything available to us residents. Adding more grass or beach volleyball courts would be amazing as there is a large portion of residents that have to travel to go play. Thanks for all you do!	2/1/2023 6:44 PM
179	Would love a walking trail/sidewalk on new grey rock from manors to Catawba park	2/1/2023 6:42 PM
180	Senior center and dog park	2/1/2023 6:41 PM
181	You guys do a great job on the youth sports, thank you. Overall, no complaints. I feel you'll hear a lot on this survey about pickleball courts and, even though I don't play, it's warranted. The demand is there for sure and we've got areas for additional courts. I'd also like to see more public tennis courts too. The "club" ones aren't doing it. If the tennis courts don't see the use, convert them to pickleball in 10 years. Good luck and thanks for all you do to get and keep us outside 12 months a year with the great parks and rec opportunities.	2/1/2023 6:41 PM
182	We would be willing to join (for reasonable fee) a first-rate Pickleball facility. We would also like to keep open a discussion for another croquet court.	2/1/2023 6:38 PM
183	moving here 5 years and seeing all the city has offered to us, we are very happy with things.	2/1/2023 6:37 PM
184	We would love to see the baseball fields open to the residents at Catawba Park. Soccer players get to work on their game, football and lacrosse players get to work on their game, but baseball players are always locked out of the fields and cannot work on their game. It's very disappointing since my kids are baseball players and every time we go up they're to work on their game the fields are locked.	2/1/2023 6:28 PM
185	Please, please, please put a paved trail along New Gray. I am a runner and it is not safe running New Gray. My kids would love a safe way to bike to the park.	2/1/2023 6:22 PM
186	I am a little disappointed all of the summer concerts will be moved. Wish it could be 50/50 between Runde and Catawba park. We moved to Tega Cay and were excited to buy a golf cart and moving the concerts (and sports) down that dangerous road makes it hard to get to. I am VERY concerned about accidents on that road. It isn't well lit and is very curvy. Hope I am wrong though and we don't have future issues.	2/1/2023 6:16 PM
187	You all do a fantastic job and I appreciate everything you all offer and do for us!	2/1/2023 6:05 PM
188	In the historic area, there are so many downed trees in the woods. The woods need clean up. It would be great if volunteers pulled down trees to the street and city picked them up. I maintain behind my house. So many areas look like a tornado went through.	2/1/2023 6:04 PM
189	Again the parent coaches are insane.	2/1/2023 6:02 PM
190	We love this community and all it has to offer! Thank you for continuing to improve it!	2/1/2023 5:59 PM
191	Pickleball club is here. We have tons of members and would like to work together to fix and add to current courts. Half open play and half reservation like field day in lake Wylie	2/1/2023 5:58 PM
192	Overall, the area could use better upkeep to show pride of ownership. In Lake Shore, all of the trails and sidewalks are dirty and muddy and the signage is all old and dingy. Would love to see things cleaned up and maybe modernized a little.	2/1/2023 5:57 PM
193	Would be more than happy to help sponsor a bike rack at Catawba Park.	2/1/2023 5:42 PM
194	While Catawba Park is a great asset and surely should be used, many of us are worried that moving so many events and amenities there will far benefit Baxter more and will change the complexion and benefits of our community. We need to continue to utilize a mix of new and existing facilities for events and festivals.	2/1/2023 5:39 PM
195	We have very much enjoyed Lookout Park and can't wait for summer!	2/1/2023 5:39 PM
196	Get rid of Charlotte Soccer Club	2/1/2023 5:38 PM
197	I have lived here more than 25 years and seen tremendous growth and changes. I commend the city for staying on top of the issues and improvements.	2/1/2023 5:35 PM
198	Thank you!	2/1/2023 5:34 PM
199	Thank you for all that each of you do for our community! We are so lucky!!!	2/1/2023 5:33 PM

## City of Tega Cay Parks &amp; Recreation Survey 2023

200	Please don't take all the bands to Catawba Park.	2/1/2023 5:29 PM
201	The flashing lights on Tega Cay Drive cannot be seen during day time hours. There really needs to be lights on the signage as well.	2/1/2023 5:26 PM
202	Sidewalks on Sutton Road please!	2/1/2023 5:24 PM
203	I would've a part of the beach club if the excercise equipment were a part of it. As it is I have to go to the ymca so I may as well use their outdoor pool and not pay for the Tega cay club.	2/1/2023 5:21 PM
204	The beach volleyball court needs to be redone. Not sure who wants to break a foot or ankle going for a ball when it's surrounded by two by fours. Sand and net are in dire need of help. It's awful to play on and looks awful. Huntersville Parks & Rec has beautiful facilities, bathrooms are always clean, great disc golf courses, nice playgrounds, nice walking trails, good athletic fields. I wish Tega Cay's were better. Catawba Park is nice but everything in the peninsula needs help.	2/1/2023 5:08 PM
205	Thanks for all you do to keep our community active and engaging!	2/1/2023 5:08 PM
206	Would still love a dog park!	2/1/2023 5:07 PM
207	Courts are busy all hours of the day with all age groups and families	2/1/2023 5:07 PM
208	Would love to see the city support better summer camp opportunities that are more affordable, last the entire summer, and are more inclusive of all children. Special needs children have very little summer camp/summer activity engagement opportunities.	2/1/2023 5:05 PM
209	Tega cay is growing and the infracturce isnt .	2/1/2023 5:04 PM
210	We LOVE Tega Cay and we want to make it a true recreational and wellness community.	2/1/2023 5:04 PM
211	We would definitely like to still have concerts at Runde Park and would love to see a dog park somewhere...Turner Field or Catawba would be great locations	2/1/2023 5:03 PM
212	Would like the city to explain their stance and, what needs to be done by residents, to get fields open more for families to play at Catawba Park instead of them being locked when our tax money went and goes towards the success of the baseball fields. It's one thing to ask for a rental fee for a group activity or group practice, but to ask a family to rent space to take his kids out to practice on their own I find to be a bit outrageous. Perhaps that is a reason why many of the best athletes have had to seek further opportunity often in our backyard where access and desire to see growth are provided with field space, resources, etc.	2/1/2023 5:00 PM
213	Parks are great. We need to keep them that way.	2/1/2023 4:51 PM
214	The only thing I see at Catawba Park are fields and parking lots. I don't see what all the hype was about. I really thought it was going to include an indoor sports facility for the community to participate in. It also could have had an indoor swimming pool, hot tubs, locker rooms and showers.	2/1/2023 4:50 PM
215	More pickleball Courts	2/1/2023 4:50 PM
216	You are wasting our money	2/1/2023 4:50 PM
217	We love living here! You all do a great job and offer so much! :) It's become too crowded at Anne Springs Close dog park - it would be fantastic to have our own dog park in Tega Cay!!	2/1/2023 4:49 PM
218	Please get money towards the area money is coming in....golfcourse and clubhouse	2/1/2023 4:46 PM
219	Thanks for collecting public feedback.	2/1/2023 4:45 PM
220	Great job! Keep it up!	2/1/2023 4:45 PM
221	Love the area, but looking for more TC resident dedicated activities.	2/1/2023 4:43 PM
222	2 things. From the Manors, we are extremely isolated from getting to the park. I realize a trail is coming in New Grey Rock Rd but not for a couple years. I highly advocate for a small paved connection trial from the Manors to The Estates from Forsythia connecting to Solandra. This would provide much better access for us to the community pool in Lake Ridge and access to the park without the dangers of NGR Rd. Second point. It's highly frustrating for the baseball fields always be locked up. I understand the point of vandalism. However advertised open field times while staff is there would very much be appreciated even if it's a couple times a week.	2/1/2023 4:42 PM

City of Tega Cay Parks & Recreation Survey 2023

223	appreciate all y'all do.	2/1/2023 4:31 PM
224	More consideration should be given to the environmental friendly development of Tega Cay.	2/1/2023 4:28 PM
225	Glad to have a Parks and Rec Committee back in action!	2/1/2023 4:27 PM
226	I like the bussing to windjammer for Ski show Need bussing to the tree lighting	2/1/2023 4:26 PM
227	The pickleball courts have become Tega Cay's town square. That's where everybody goes and everybody knows each other. The pickleball courts are full both in the mornings and evenings during the week, and on weekends all day long. And it's winter. It will be even worse when the weather warms up. More courts are needed, the demand cannot be ignored.	2/1/2023 4:23 PM
228	I don't agree with being able to carry firearms in the parks!	2/1/2023 4:19 PM
229	Paved access from Manors at Lake Ridge to Catawba Park prior to 2025	2/1/2023 4:19 PM
230	night time golf cart driving on concert nights.	2/1/2023 4:15 PM
231	We love the Parks and Recreation here and my children have enjoyed playing both baseball and soccer though the Rec department for many years.	2/1/2023 2:45 PM
232	Do not move the summer concert series off peninsula. Tega Cay is the peninsula.	2/1/2023 2:28 PM
